*Winter Recipes from the Collective* Berrett-Koehler Publishers  
Teen Angst: A Celebration of Really Bad Poetry is the first, the best, and the biggest collection of teen angst poetry ever to be published. Inspired by the popularity of her interactive website, editor Sara Bynoe has compiled the definitive teen angst reader. Divided into 12 categories, including I am Alone and No One Understands My Pain and Obvious Metaphors, this book is for anyone who has ever written truly terrible, meditative, or self-indulgent poetry. Actually, this book is for anyone who survived being a teenager. All of the poets featured in this collection are now adults, living happy, angst-free lives. However, for this special book, they are willing to reveal excerpts from their old tattered notebooks or leather bound journals. Along with the poems, each poet has included a short introduction, giving background information for each work. As Sara Bynoe says, looking back on teen angst poetry brings people together in a "poetry reading meets stand-up comedy meets AA" sort of way. [Take a Bite Out of Rhyme](#) Bantam

Describes a variety of hugs, including people hugs, blanket hugs, and birthday hugs, and presents facts and hints about hugs. *The American Humanities Index* LernerClassroom  
Decorating with Funky Shui encourages you to dig out all those wild and crazy pieces you've been hiding. So c'mon, gather up all those snow globes and let the disco ball sparkle in your living room. Let your rooms tell people who you really are-if you dare. Your home should be a reflection of your own personality, not a hodgepodge of mass-produced whatnots from a "big-box" chain retail store. Inspired by the popular Chinese art of feng shui, this lighthearted book takes you through the "Fun-damentals," the four directions to make your house yours, all yours: Find the playful center of the room: It can be a random garage-sale treasure, that cool mannequin you didn't think you could find a place for, or the tarnished tuba you inherited from Grandpa. That one goofy, unusual, or chic conversation piece can become the star of your room. Brighten up with color: Not everything has to

match your boring beige sofa. Rooms without color lack flavor. Enlighten up: Fun, dynamic lighting can brighten a room in more ways than one. Candles add coziness; Christmas lights sparkle year-round. A string of hot-pepper lights can spice up a cool room. Abundance through abundance: The souvenirs you pick up during road trips. Your collection of vintage milk-bottle caps. All the Pez dispensers you can't bear to part with. If you've got 'em, flaunt 'em. Artfully display your collections-whatever they may be-to show them off. Decorating with Funky Shui encourages you to stretch your imagination to find a style that's uniquely you.

**Your Body Is Not an Apology Workbook** Andrews McMeel Publishing

In this remarkable debut, which marks the beginning of Multiverse—a literary series written and curated by the neurodivergent—Hannah Emerson's poems keep, dream, bring, please, grownd, sing, kiss, and listen. They move with and within the beautiful nothing ("of buzzing light") from which, as she elaborates, everything jumps. In language that is both bracingly new and embracingly intimate, Emerson invites us to "dive down to the beautiful muck that helps you get that the world was made from the garbage at the bottom of the universe that was boiling over with joy that wanted to become you you you yes yes yes." These poems are encounters—animal, vegetal, elemental—that form the markings of an irresistible future. And *The Kissing of Kissing* makes joyously clear how this future, which can sometimes seem light-years away, is actually as close, as near, as each immersive now. It finds breath in the woods and the words and the worlds we share, together "becoming burst becoming / the waking dream." With this book, Emerson, a nonspeaking autistic poet, generously invites you, the reader, to meet yourself anew, again, "to bring your beautiful nothing" into the light.

*The Body Is Not an Apology* The Power of Radical Self-Love  
Against a global backdrop of war, social upheaval, and personal despair, there is a growing sense of urgency to challenge the systems of oppression that dehumanize bodies and strip us of our

shared humanity. Rather than feel helpless in the face of oppression, world-renowned activist, performance poet, and author Sonya Renee Taylor teaches us how to turn to the power of radical self-love in her new book, *The Body Is Not an Apology*. Radical self-love is the guiding framework that transforms the learned self-hatred of our bodies and the prejudices we have about other people's bodies into a vision of compassion, equity, and justice. In a revolutionary departure from the corporate self-help and body-positivity movement, Taylor forges the inextricable bond between radical self-love and social justice. The first step is recognizing that we have all been indoctrinated into a system of body shame that profits off of our self-hatred. When we ask ourselves, "Who benefits from our collective shame?" we can begin to make the distinction between the messages we are receiving about our bodies or other bodies and the truth. This book moves us beyond our all-too-often hidden lives, where we are easily encouraged to forget that we are whole humans having whole human experiences in our bodies alongside others. Radical self-love encourages us to embark on a personal journey of transformation with thoughtful reflection on the origins of our minds and bodies as a source of strength. In doing this, we not only learn to reject negative messages about ourselves but begin to thwart the very power structures that uphold them. Systems of oppression thrive off of our inability to make peace with bodies and difference. Radical self-love not only dismantles shame and self-loathing in us but has the power to dismantle global systems of injustice—because when we make peace with our bodies, only then do we have the capacity to truly make peace with the bodies of others

*The Body Is Not an Apology* Sarabande Books

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the

prejudice of the local “powhitetrash.” At eight years old and back at her mother’s side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. “*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin From the Paperback edition.

Literature Connection Macmillan College

One dark November night a stranger rides into a small prairie town. Who is he? Why has he come? The townspeople wish he were a doctor, a dressmaker, or a trader. But the children have the greatest wish of all, a deep, quiet, secret wish. Then a young girl named Lucy befriends the newcomer. When he reveals his identity and shares with her the legend of the candy cane, she discovers fulfillment of her wishes and the answer to her town's dreams. Now will she share what she has learned? Warm, lavish illustrations by James Bernardin bring to life a timeless tale by Lori Walburg, a story that will help families celebrate the mystery and miracle of Christmas—for many Christmases to come.

*A Book of Hugs* Cleis Press

At twelve, Lucy Marie McGowan already knows she’ll be a psychologist when she grows up. And her quirky and conflicted family provides plenty of opportunity for her to practice her calling. Now Lucy, her “profoundly gifted” twin brother, Milo, her commitment-phobic mother, and her New Age grandmother are leaving Chicago for Timber Falls, Wisconsin, to care for her dying grandfather—a complex and difficult man whose failure as a husband and father still painfully echoes down through the years. Lucy believes her time in the rural town where the McGowan story began will provide a key piece to the puzzle of her family’s broken past, and perhaps even reveal the truth about her own missing father. But what she discovers is so much more—a lesson about the paradoxes of love and the grace of forgiveness that the adults around her will need help in remembering if their family is ever to find peace and embrace the future. By turns heart-wrenching and

heart-mending, *Thank You for All Things* is a powerful and poignant novel by a brilliant storyteller who illustrates that when it comes to matters of family and love, often it is the innocent who force others to confront their darkest secrets.

**A Poem for Each Occasion** Little, Brown Books for Young Readers

(Book). From mid-1970 to early 1974, The Who undertook an amazing and peculiar journey in which they struggled to follow up Tommy with a yet bigger and better rock opera. One of those projects, *Lifehouse*, was never completed, though many of its songs formed the bulk of the classic 1971 album *Who's Next*. The other, *Quadrophenia*, was as down-to-earth as the multimedia *Lifehouse* was futuristic; issued as a double album in 1973, it eventually became esteemed as one of The Who's finest achievements, despite initial unfavorable comparisons to Tommy. Along the way, the group's visionary songwriter, Pete Townshend, battled conflicts within the band and their management, as well as struggling against the limits of the era's technology as a pioneering synthesizer user and a conceptualist trying to combine rock with film and theatre. The results included some of rock's most ambitious failures, and some of its most spectacular triumphs. In *Won't Get Fooled Again*, noted rock writer and historian Richie Unterberger documents this intriguing period in detail, drawing on many new interviews; obscure rare archive sources and recordings; and a vast knowledge of the music of the times. The result is a comprehensive, articulate history that sheds new light on the band's innovations and Pete Townshend's massive ambitions, some of which still seem ahead of their time in the early 21st century.

**Creative Forecasting** Educational Impressions, Incorporated  
Maleeka suffers every day from the taunts of the other kids in her class. If they're not getting at her about her homemade clothes or her good grades, it's about her dark, black skin. When a new teacher, whose face is blotched with a startling white patch, starts at their school, Maleeka can see there is bound to be trouble for her too. But the new teacher's attitude surprises Maleeka. Miss Saunders loves the skin she's in. Can Maleeka learn to do the same?

What if you promised God you would do anything . . . and he took you up on it? Anything is a prayer of surrender that will move you to stop chasing happiness and start living a surrendered life that matters. If you've ever felt lonely, lost, or like there must be more to life than constantly keeping up with the Joneses, then this book is for you. Previously caught in the dizzying haze of worldly happiness and empty pursuits, Jennie had had enough. She and her husband Zac prayed a courageous prayer of surrender: "God, we will do anything. Anything." They went on to begin living out the adventure God had written for them. This revised edition is updated throughout to include a new introduction and an in-depth

Bible study component for those who have been wanting to lead a study on this topic. Join Jennie on an adventure to discover your anything, including: Factors that inhibit us from living a life of surrender to God What praying "Anything" really means What your life might look like having prayed it Jennie Allen shares the biblical truth that our lives are not meant to be safe and comfortable, but radical and profound. Discover how little worldly pursuits mean until you know the God who's truly worth giving up everything for. And when you do. . . everything will change. Anything is also available in Spanish, Lo que me pidas.

#### **Chocolate by Hershey** Milkweed Editions

Massie Block: Getting back into Octavian Country Day was a piece of sugar-free cake, compared to Massie's next goal-finding the key that unlocks an ah-mazing legendary secret room at OCD! Alpha eighth grader Skye Hamilton and her clique have stashed the key in the bedroom of one mystery Briarwood boy, but who? Whoever finds the key gets access to the secret room for an entire year and the prestige that comes along with it. But what happens when LBR Layne seems to be getting closer? This is way more than a matter of life or death, it's a matter of in or out! Kristen Gregory: Always been a star on the soccer field, but her style gets majorly cramped when her friends are forced to join the team. They better start kicking those soccer balls or Kristen's going to start kicking some . . . ! Alicia Rivera: Uses her skills as a gossip reporter to scheme her way into the rooms of all the Briarwood hotties! Dylan Marvil: Heard depression makes people lose weight. Is hoping for some sad news soon because she's popping donut holes the way some people pop Tic-Tacs. Claire Lyons: Being famous isn't all it's cracked up to be! Her agent

confiscates her gummies, and forces her to do some very bad things to make her more "edgy." Worst of all, her constant meetings with lawyers and movie execs are eating into her time with the P.C. and with Cam! Is being a Hollywood starlet worth the Gucci-high price tag?

#### My Tapestry of Life Copper Canyon Press

Joseph may be his father's favorite son, but his brothers feel differently about him. So they sell him into slavery in Egypt. Will Joseph forgive his brothers? Can God turn a bad situation into a big blessing? This is a Level Two I Can Read! book, which means it's perfect for children learning to sound out words and sentences. It aligns with guided reading level J and will be of interest to children Pre-K to 3rd grade.

#### **I Know Why the Caged Bird Sings** Delacorte Press

It's a Sunday morning, and while most people are thinking about getting the paper and breakfast, Gregory Alston has something other than eggs on his mind. Today he's going to propose to Adrian Jenkins, his girlfriend of three years. But when he actually does, all hell breaks loose and he gets a lot more than he bargained for. His mother returns from France, where she's been living as a jazz singer since leaving her family in Texas nearly twenty years ago. His Holy Roller sister, Shreese, complains that Adrian is too "worldly" for him, even though she herself is falling for the shady, charismatic pastor of her church. And his boys--who run the gamut from player to buffoon--react to the news of his engagement with grief and disbelief. And if that's not enough, he's got Adrian, who has more skeletons in her closet than a haunted house. What's a brother to do? When All Hell Breaks Loose is a debut novel about black twenty-somethings that is fast and funny. It's also a peek into the minds of young black men.

The author, Camika Spencer, won't just have you laughing--she'll have you looking in the mirror to see if she's talking about you.

#### Snowball Soup Poppy

Little Critter is so excited to learn about recycling at school and hes ready to do his part to help the environment. After Little Critters class takes a trip to the local recycling center, he goes home on a mission to teach his family what hes learned. Full color.

Sweet Potato Pie Underneath The Sun's Broiler Harper Collins WINNER OF THE NOBEL PRIZE IN LITERATURE A haunting book by a poet whose voice speaks of all our lifetimes Louise Glück's thirteenth book is among her most haunting. Here as in the Wild Iris there is a chorus, but the speakers are entirely human, simultaneously spectral and ancient. Winter Recipes from the Collective is chamber music, an invitation into that privileged realm small enough for the individual instrument to make itself heard, dolente, its line sustained, carried, and then taken up by the next instrument, spirited, animoso, while at the same time being large enough to contain a whole lifetime, the inconceivable gifts and losses of old age, the little princesses rattling in the back of a car, an abandoned passport, the ingredients of an invigorating winter sandwich, a sister's death, the joyful presence of the sun, its brightness measured by the darkness it casts. "Some of you will know what I mean," the poet says, by which she means, some of you will follow me. Hers is the sustaining presence, the voice containing all our lifetimes, "all the worlds, each more beautiful than the last." This magnificent book couldn't have been written by anyone else, nor could it have been written by the poet at any other time in her life.
