MATA WILLIAMS

[The Jew in the Lotus](#) Farrar, Straus and Giroux (BYR)

While accompanying eight high-spirited Jewish delegates to Dharamsala, India, for a historic Buddhist-Jewish dialogue with the Dalai Lama, poet Rodger Kamenetz comes to understand the convergence of Buddhist and Jewish thought. Along the way he encounters Ram Dass and Richard Gere, and dialogues with leading rabbis and Jewish thinkers, including Zalman Schacter, Yitz and Blue Greenberg, and a host of religious and disaffected Jews and Jewish Buddhists. This amazing journey through Tibetan Buddhism and Judaism leads Kamenetz to a renewed appreciation of his living Jewish roots.

The Lotus Seed Houghton Mifflin Harcourt

Collection of eighteen stories based on legends from around the world.

The Blue Lotus Rupa Publications

Dear God, please let my dad die in his sleep tonight-pleeeeee, don't let him kill me before he dies. As a child, Marisa's prayers were left unanswered as she begged God to save her from her abusive alcoholic father. Now she is convinced her nightmares are a punishment. God left her, and the nightmares are a curse the Devil placed on her for being a bad child. Finding herself alone in a world she doesn't understand, Marisa's fight for survival leads her to bullying others, taking drugs, and entering an abusive relationship as her life plummets into an endless chasm of bad decisions. Now in her forties and newly divorced, the nightmares return. Questioning her mental state and her ability to raise her kids, she begins a quest to find out the truth about the demons in her head. Marisa is astoundingly open about her doubts and concerns along her unlikely journey. Can she break the curse to find her inner peace and redemption? The Lotus Tattoo is a remarkably candid memoir of one woman's story of resilience after abuse and the fear, anger, and mind games she battles along the way.

[The Lotus Sūtra](#) Simon and Schuster

A concise and accessible introduction to the classic Buddhist text The Lotus Sutra is arguably the most famous of all Buddhist scriptures. Composed in India in the first centuries of the Common Era, it is renowned for its inspiring message that all beings are destined for supreme enlightenment. Here, Donald Lopez provides an engaging and accessible biography of this enduring classic. Lopez traces the many roles the Lotus Sutra has played in its travels through Asia, Europe, and across the seas to America. The story begins in India, where it was one of the early Mahayana sutras, which sought to redefine the Buddhist path. In the centuries that followed, the text would have a profound influence in China and Japan, and would go on to play a central role in the European discovery of Buddhism. It was the first Buddhist sutra to be translated from Sanskrit into a Western language—into French in 1844 by the eminent scholar Eugène Burnouf. That same year, portions of the Lotus Sutra appeared in English in *The Dial*, the journal of New England's Transcendentalists. Lopez provides a balanced account of the many controversies surrounding the text and its teachings, and describes how the book has helped to shape the popular image of the Buddha today. He explores how it was read by major literary figures such as Henry David Thoreau and Gustave Flaubert, and how it was used to justify self-immolation in China and political extremism in Japan. Concise and authoritative, this is the essential introduction to the life and afterlife of a timeless masterpiece.

[Silent Lotus](#) Coterie Press Limited

Although unable to speak or hear, lovely Lotus learns to perform the intricate story dances of the Cambodian court ballet.

Treasure Of Stories Lotus Book St. Martin's Press

An unlikely pair of heroes find themselves caught in a star-crossed relationship in this rich tale of

history, mystery and forbidden love! At the Lotus Palace, the best of society comes to drink and enjoy the company of beautiful and talented courtesans. Street-smart and practical Yue-ying is not part of this elite class but is content to live in the shadow of her mistress, Mingyu, only serving as her silent attendant at the lavish and exquisite palace. Running into notorious flirt Bai Huang changes everything. Bai Huang, an eternal student at the palace, is different from Yue-ying in every way. But as the two are thrown together in an attempt to solve a deadly mystery, they both start to dream of a different life. Their statuses forbid them from being together, but could they find a way to follow their hearts? Previously published.

Miraculous Tales of the Lotus Sutra from Ancient Japan Hardie Grant Publishing

Specialists in Buddhist philosophy, art, and history of religion outline the major ideas and controversies surrounding the 'Lotus Sūtra'. They also treat its use in ritual performance, ascetic practice, visual representations, and social action.

Lotus in the Fire Penguin

A winter illness left Lotus, a little girl, without a voice and without friends. A hunter's bullet left Feather, a crane, injured and unable to fly. As Lotus nurses Feather back to health, their bond grows. Soon Feather is following Lotus everywhere, even to school! The bird dances to the girl's reed whistle, much to the delight of the other children. One day, when the village floods, Feather helps raise the alarm as Lotus and her grandfather urge their neighbors to get to high ground. Feather is a true friend to Lotus, but the time comes when Lotus must be a true friend to him--by encouraging him to migrate with the rest of the cranes. The next spring, Feather miraculously returns, and that's not all . . . he has brought new life to the nearby lake. Inspired by the true story of a crane that rescued a Chinese village, and graced with sensitive watercolor illustrations, this lovely book about respecting nature offers deep emotion and delightful surprises.

The Red-Stained Wings Macmillan

In this candid, insightful, and unconventional memoir, Goldie Hawn invites us to join her in an inspirational look back at the people, places, and events that have touched her. It is the spiritual journey of a heart in search of enlightenment. With her trademark effervescence, Goldie delivers a personal look at private and powerful events that carried her through life: her father's spontaneity; her mother's courage; and the joy of being a daughter, a sister, a parent, and a lover. She writes about her childhood dreams of becoming a ballerina. She takes us on a tour of her go-go years in 1960s New York City, the phenomenon of TV's Rowan & Martin's Laugh-In, her Oscar-winning debut in *Cactus Flower* and Hollywood stardom. She writes intimately about the challenges of love, anger and fear, and the importance of compassion and integrity. She speaks openly about her family, her partner Kurt Russell, her children; her faith, her curiosity for that which she doesn't yet know, and her thirst for knowledge. Most of all, it is a trip back through a life well lived by a woman well loved.

The Little Lotus Flower Harper Collins

Since childhood, Emily Clements' sense of self had always been shaped by the opinions of others and the need to be liked. When a stand-off with her best friend sees nineteen-year-old Emily stranded in Vietnam, she is alone for the first time and adrift in a new environment. With seemingly nothing to lose, she makes the biggest decision of her life - to stay. But Emily's attempts to bridge a yawning loneliness spur a downward spiral of recklessness, as she hurtles from one sexual encounter to the next. It will take a truly terrifying experience for her to understand that sex is both a weapon and a wound in her battle for self-worth and empowerment. Delicately interweaving past and present, *The Lotus Eaters* is a sharply written story of self-redemption from an exciting young voice in Australian memoir that dissects the patterns of blame and shame women can form around

their bodies and relationships.

Stories of the Lotus She Writes Press

The Lotus Sutra—one of the most popular Buddhist classics—is here accessibly introduced by one of its most eminent scholars. "Soon after entering university in December of 1943, I was sent to the front as a student soldier. I wondered if I were allowed to bring but a single book on the trip, possibly to my death, which would I want to bring. It was the Lotus Sutra" -- from the author's Preface.

Having developed a lifelong appreciation of the Lotus Sutra -- even carrying a dog-eared copy with him through service in World War II -- Yoshiro Tamura sought to author an introduction to this beloved work of Buddhist literature. Tamura wanted it to be different than other basic explorations of the text; his introduction would be plain-spoken, relevant and sensitive to modern concerns, and well-informed by contemporary scholarship. He succeeded marvelously with Introduction to the Lotus Sutra, which Gene Reeves -- Tamura's student and translator of the popular English edition of The Lotus Sutra -- translates and introduces in English for the first time here. Tackling issues of authenticity in the so-called "words of Buddha," the influence of culture and history on the development of the Lotus Sutra, and the sutra's role in Japanese life, Introduction to the Lotus Sutra grounds this ancient work of literature in the real, workaday world, revealing its continued appeal across the ages.

The Lotus Seed Mapin Publishing Pvt

The Lotus Sutra is regarded as one of the world's great religious scriptures and most influential texts. It's a seminal work in the development of Buddhism throughout East Asia and, by extension, in the development of Mahayana Buddhism throughout the world. Taking place in a vast and fantastical cosmic setting, the Lotus Sutra places emphasis on skillfully doing whatever is needed to serve and compassionately care for others, on breaking down distinctions between the fully enlightened buddha and the bodhisattva who vows to postpone salvation until all beings may share it, and especially on each and every being's innate capacity to become a buddha. Gene Reeves's new translation appeals to readers with little or no familiarity with technical Buddhist vocabulary, as well as long-time practitioners and students. In addition, this remarkable volume includes the full "threefold" text of this classic.

Stories from the Lotus Sutra Multnomah

A Vietnamese family is forced to flee from their homeland to escape a devastating civil war.

The Lotus Sutra Serenity Press Pty.Limited

Join our little plant as she goes on a journey of discovery. With a little help from some new friends she will find out she knows quite a lot.

The Lotus and the Grail: Legends from East to West HQN Books

"The Lotus Sutra" is one of the world's great religious scriptures and most influential texts. It has been a seminal work in the development of Buddhism throughout East Asia and, by extension in the development of Mahayana Buddhism throughout the world. Taking place in a vast and fantastical cosmic setting, the Lotus Sutra places emphasis on skillfully doing whatever is needed to serve and compassionately care for others, on breaking down sharp distinctions between the ideals of the fully enlightened buddha and the bodhisattva who vows to postpone personal salvation until all beings may share it together, and especially on each and every being's innate capacity to become a buddha.
