## TRISTEN MCKAYLA

---

*My Son Wears Heels* Algonquin Books

An exuberant picture book from NYT bestselling author Peter Brown, inspired by his own childhood. 'A glorious adventure into just being yourself' DAVID ROBERTS Fred loves to be naked! He romps around his house naked and wild and free. Until he romps into his parents' bedroom and is inspired, finally, to get dressed. But there's so much in the wardrobe! What will Fred choose? [Trans Youth Stories](#) Mango Media Inc.

Parents of LGBT Children. Looking for LGBTQ books that offer guidance on providing loving support to your LGBT child? Parents of LGBT children guide: Unconditional: A Guide to Loving and Supporting Your LGBTQ Child"provides parents of a LGBTQ (lesbian, gay, bisexual, transgender or questioning) child with a framework for helping their LGBTQ child navigate through a world that isn't always welcoming. Author Telaina Eriksen, a professor at Michigan State University and the mother of a gay daughter, explains what she and her husband have learned through experience, including how to:

- Deal with gay children coming out
- Confront bullying of gay children
- Become an advocate for gay children
- Build a support system in a gay family

Gender and sexuality: Eriksen also covers the science on gender and sexuality and how to help a transgender child through the various stages of development. Throughout the book parents and kids who have been there, share their stories. She also directs gay family parents to various resources online to help them. LGBTQ parents will learn...

- How to help their child navigate locker rooms, sleepovers, proms, etc.
- When to involve the police or school administration when it comes to bullying
- How to advocate for local, state and national policies that protect your child
- Ways to educate well-meaning, but misguided extended family members
- How to help start a Gay-Straight Alliance at your child's school
- Strategies for keeping your child talking after he or she comes out
- Signs of unhealthy relationships
- When to consider therapy for your child and/or your family
- How to find an LGBTQ-friendly community (including inclusive churches)

*Dress Like a Girl* Booklocker.com

In the bestselling tradition of *The Five People You Meet in Heaven* and *Humans of New York* comes a collection of authentic, emotional, and inspiring stories about life's most important moments, as curated by the editors at Love What Matters. "90% of the reads bring me to tears. I just can't believe the love this world truly has when all we see is hate. This is so uplifting." —Shelsea Where do you go when you want to feel inspired? When you want to forget about the divisiveness and the anger? For over five million people, that place is Love What Matters, a digital platform dedicated to finding and sharing the daily moments of kindness, compassion, and love that so often go overlooked. This curated collection of powerful stories features first person accounts and photographs that perfectly capture each moment: A husband learning he's about to be a dad. A new mom embracing her body. A cashier inadvertently teaching a young girl a lesson about patience. A bagel from a stranger that saved a homeless man's life. From long overdue adoptions to military heroes returning home; from a fireman's touching 9/11 tribute to what an old dinner plate found at a bake sale can teach us all about life—these are the moments that matter. They are genuine. Authentic. Raw. And they are perfect in their imperfection—just like all of us. You will no doubt experience goosebumps and tears, but this mosaic of life's moments will leave you with something even more profound: a reminder that, in the end, love always wins. "This really is the best page on Facebook. It renews your love of humanity. There are still good people. We need more reports of acts of kindness." —Johnny

*Ambiguous Loss* Independently Published

In this collaborative memoir, a parent and a transgender son recount wrestling with their differences as Donald Collins undertook medical-treatment options to better align his body with his gender identity. As a parent, Mary Collins didn't agree with her trans son's decision to physically alter his body, although she supported his right to realize himself as a person. Raw and uncensored, each explains her or his emotional mindset at the time: Mary felt she had lost a daughter; Donald activated his "authentic self." Both battled to assert their rights. A powerful

memoir and resource, *At the Broken Places* offers a road map for families in transition.

**At the Broken Places** Grand Central Publishing

A loving mother shares her journey of parenting a gender creative child, from toddler to adult.

[Parenting Beyond Pink & Blue](#) Beacon Press

This volume provides an integrative theory firmly grounded in current psychology of the self, and offers a fresh, compelling account of one of psychology's most enigmatic behavior patterns. Professor Baumeister provides comprehensive coverage of historical and cross-cultural theories and empirical data on masochism and presents recent, original data drawn from a large data set of anonymous masochistic scripts of fantasies and favorite experiences. Drawn from the latest social psychological research and theories, Professor Baumeister returns the emphasis to the original and proto-typical form of masochism -- sexual masochism - - and explains these phenomena as a means of releasing the individual from the burden of self-awareness. It is the first volume to present a psychological theory compatible with the mounting evidence that most masochists are not mentally ill nor does masochism derive from sadism. Instead, Professor Baumeister finds that masochism emerges as an escapist response to the problematic nature of selfhood and he attempts to foster an understanding of sexual masochism that emphasizes both "escape from self" and "construction of meaning" hypotheses. The book is directed at all those interested in the self and identity in paradoxical behavior patterns and in the construction of meaning, presenting specific clinical recommendations.

*I'm a Gay Wizard* Simon and Schuster

A fictional exploration of identity, sexuality, gender, history and dress sense from some of Australia's most exciting writers.

**The Queer and Transgender Resilience Workbook**

Createspace Independent Publishing Platform

In this remarkable memoir former Olympian and Kardashian family member Caitlyn Jenner reveals shocking and heartbreaking stories from her journey to become a transgender woman and fight for the LGBTQ+ community. Imagine denying your core and

soul. Then add to it the most impossible expectations that people have for you because you are the personification of The American Male Athlete. Bruce Jenner, the celebrated Olympic icon and later the patriarch of one of the most famous families in the world, seemed to be living a dream life of success, fame, and prosperity. But the all-American image and million-dollar smile belied a lifelong struggle with gender dysphoria, and it wasn't until the sensational Diane Sawyer interview that the public mask of Bruce Jenner was finally retired, and through the memorable Vanity Fair piece by Buzz Bissinger, that Caitlyn Jenner was introduced to the world and set free to exist on her own terms. Since then, Caitlyn has undertaken an arduous emotional and physical odyssey to achieve the completeness she always felt was missing. In *The Secrets of My Life*, Caitlyn reflects on the inner conflict she experienced growing up in an era of rigidly defined gender identities, and the cruel irony of being hailed by an entire nation as the ultimate symbol of manhood. She recounts her Olympic triumph, her rise to fame, and relates how her sense of frustration and shame grew with the passing years and the lengths to which she had to go to conceal her true self. Caitlyn in turn uncovers the toll that these personal struggles had on her three marriages and, subsequently, the relationships with her children. She also talks candidly about her life in the public eye as a member of the Kardashian clan, what led to her decision to become Caitlyn, and how she, her family, the transgender community, and the rest of the world has since embraced her new life. Filled with incredibly personal and moving stories of struggle and victory, of anxiety and fear, and, finally, of surrender and acceptance, *The Secrets of My Life* reveals the real Caitlyn Jenner by tracing her long and eventful journey to becoming herself.

*You Don't Have to Be Everything* New World Library

How can you build unshakable confidence and resilience in a world still filled with ignorance, inequality, and discrimination? The *Queer and Transgender Resilience Workbook* will teach you how to challenge internalized negative messages, handle stress, build a community of support, and embrace your true self. Resilience is a key ingredient for psychological health and wellness. It's what gives people the psychological strength to cope with everyday stress, as well as major setbacks. For many people, stressful events may include job loss, financial problems, illness, natural disasters, medical emergencies, divorce, or the

death of a loved one. But if you are queer or gender non-conforming, life stresses may also include discrimination in housing and health care, employment barriers, homelessness, family rejection, physical attacks or threats, and general unfair treatment and oppression—all of which lead to overwhelming feelings of hopelessness and powerlessness. So, how can you gain resilience in a society that is so often toxic and unwelcoming? In this important workbook, you'll discover how to cultivate the key components of resilience: holding a positive view of yourself and your abilities; knowing your worth and cultivating a strong sense of self-esteem; effectively utilizing resources; being assertive and creating a support community; fostering hope and growth within yourself, and finding the strength to help others. Once you know how to tap into your personal resilience, you'll have an unlimited well you can draw from to navigate everyday challenges. By learning to challenge internalized negative messages and remove obstacles from your life, you can build the resilience you need to embrace your truest self in an imperfect world.

*Ask a Manager* Flatiron Books

Celeste's masquerade as her dead twin brother Noble becomes more dangerous when her mother remarries.

*Crossdressing with Dignity* University of Wisconsin Press

A police officer on the trail of in-department corruption finds himself framed and on the run from the law—right into the house and arms of a woman divorced, delicious and too good to be true. *Divorced, Desperate and Delicious* PM Publishers Incorporated "Trans Youth Stories is a thematically organized collection of narratives, fiction, nonfiction, letters, poetry, graphics/comics, and visual pieces created by twenty-six Canadian transgender youth between the ages of ten and eighteen. Arranged in sections on childhood, families, bodies, everyday life, schooling, mental health, and acceptance, each section concludes with a response written by a Canadian scholar in transgender studies in conversation with the youth. These responses contextualize the youth pieces with recent scholarship from the field and equip readers with concrete actions for research, activism, and professional practice. This groundbreaking volume offers a unique and truthful depiction of young trans life and a holistic view of what it might be like to be a young trans person today.--

*The Song of Achilles* Simon and Schuster

"This is Claude. He's five years old, the youngest of five brothers.

He also loves peanut butter sandwiches. He also loves wearing a dress, and dreams of being a princess. When he grows up, Claude says, he wants to be a girl. Rosie and Penn want Claude to be whoever Claude wants to be. They're just not sure they're ready to share that with the world. Soon the entire family is keeping Claude's secret. Until one day it explodes.--

*Grown and Flown* The Good Book Company

From the age of two-and-a-half "Em" adamantly told his family he was a boy. While his mother Mimi struggled to understand and come to terms with the fact that her child may be transgender, the journey to uncover the source of her child's inner turmoil unearthed ghosts from Mimi's past and her own struggle to live an authentic life. Raised in an ultra-Orthodox Jewish family, her role as a woman largely preordained from cradle to grave, Mimi eventually made the painful decision to leave her religious community and the strict gender roles it upheld. Helping her son--renamed Jacob-- Mimi explains how painful events from the past can be redeemed to give us hope for the future. -- adapted from jacket

*Masochism and the Self* Macmillan

You do magic once, and it sticks to you like glitter glue... Gay angsty teen Johnny and his goth best friend, trans girl Alison, spend their summer dabbling in magic. When they use spells to defend themselves from bullies, they suddenly find themselves whisked away to the Marduk Institute, a school for wayward wizards. Johnny and Alison must now adapt to a new world of spells, fraternities, and cute boys like Hunter and Blake... But Marduk isn't as safe as it seems. Johnny and Alison are pulled into a supernatural fight for their lives and must find the strength to battle the monsters lurking in the shadows of the school - and the demons that only exist inside their head.

*Fred Gets Dressed* WaterBrook

It's easy to recognize a strong-willed child. Difficult to discipline, at times impossible to motivate, strong-willed children present unique, frustrating, and often exhausting challenges to those who care for them. But now, the miracle parents long for can happen. Offering new hope, achievable goals, and a breath of fresh air to families and teachers, Cynthia Tobias explains how the mind of a strong-willed child works - and how to use that information to the child's best advantage. From the Hardcover edition.

*God and the Transgender Debate* Crown

When a loved one dies we mourn our loss. We take comfort in the rituals that mark the passing, and we turn to those around us for support. But what happens when there is no closure, when a family member or a friend who may be still alive is lost to us nonetheless? How, for example, does the mother whose soldier son is missing in action, or the family of an Alzheimer's patient who is suffering from severe dementia, deal with the uncertainty surrounding this kind of loss? In this sensitive and lucid account, Pauline Boss explains that, all too often, those confronted with such ambiguous loss fluctuate between hope and hopelessness. Suffered too long, these emotions can deaden feeling and make it impossible for people to move on with their lives. Yet the central message of this book is that they can move on. Drawing on her research and clinical experience, Boss suggests strategies that can cushion the pain and help families come to terms with their grief. Her work features the heartening narratives of those who cope with ambiguous loss and manage to leave their sadness behind, including those who have lost family members to divorce, immigration, adoption, chronic mental illness, and brain injury. With its message of hope, this eloquent book offers guidance and understanding to those struggling to regain their lives. Table of Contents: 1. Frozen Grief 2. Leaving without Goodbye 3. Goodbye without Leaving 4. Mixed Emotions 5. Ups and Downs 6. The Family Gamble 7. The Turning Point 8. Making Sense out of Ambiguity 9. The Benefit of a Doubt Notes Acknowledgments

Reviews of this book: You will find yourself thinking about the issues discussed in this book long after you put it down and perhaps wishing you had extra copies for friends and family members who might benefit from knowing that their sorrows are not unique...This book's value lies in its giving a name to a force many of us will confront--sadly, more than once--and providing personal stories based on 20 years of interviews and research. --Pamela Gerhardt, Washington Post

Reviews of this book: A compassionate exploration of the effects of ambiguous loss and how those experiencing it handle this most devastating of losses ... Boss's approach is to encourage families to talk together, to reach a consensus about how to mourn that which has been lost and how to celebrate that which remains. Her simple stories of families doing just that contain lessons for all. Insightful, practical, and refreshingly free of psychobabble. --Kirkus Review

Reviews of this book: Engagingly written and richly rewarding, this title presents what Boss has learned from many years of treating individuals and families suffering from uncertain or incomplete loss...The obvious depth of the author's understanding of sufferers of ambiguous loss and the facility with which she communicates that understanding make this a book to be recommended. --R. R. Cornellius, Choice

Reviews of this book: Written for a wide readership, the concepts of ambiguous loss take immediate form through the many provocative examples and stories Boss includes, All readers will find stories with which they will relate...Sensitive, grounded and practical, this book should, in my estimation, be required reading for family practitioners. --Ted Bowman, Family Forum

Reviews of this book: Dr. Boss describes [the] all-too-common phenomenon [of unresolved grief] as resulting from either of two circumstances: when the lost person is still physically present but emotionally absent or when the lost person is physically absent but still emotionally present. In addition to senility, physical presence but psychological absence may result, for example, when a person is suffering from a serious mental disorder like schizophrenia or depression or debilitating neurological damage from an accident or severe stroke, when a person abuses drugs or alcohol, when a child is autistic or when a spouse is a workaholic who is not really 'there' even when he or she is at home...Cases of physical absence with continuing psychological presence typically occur when a soldier is missing in action, when a child disappears and is not found, when a former lover or spouse is still very much missed, when a child 'loses' a parent to divorce or when people are separated from their loved ones by immigration...Professionals familiar with Dr. Boss's work emphasised that people suffering from ambiguous loss were not mentally ill, but were just stuck and needed help getting past the barrier or unresolved grief so that they could get on with their lives. --Asian Age

Combining her talents as a compassionate family therapist and a creative researcher, Pauline Boss eloquently shows the many and complex ways that people can cope with the inevitable losses in contemporary family life. A wise book, and certain to become a classic. --Constance R. Ahrons, author of *The Good Divorce* A powerful and healing book. Families

experiencing ambiguous loss will find strategies for seeing what aspects of their loved ones remain, and for understanding and grieving what they have lost. Pauline Boss offers us both insight and clarity. --Kathy Weingarten, Ph.D, The Family Institute of Cambridge, Harvard Medical School

*As a Woman* Random House

5 Forced Feminization Stories by Mistress Dede to feed your wildest fantasies. This book includes the following erotic stories: "A Plaything for Mrs. Pennysaver" "Pegged by Mrs. Pennysaver" "Sissy Maid for Her" "Petticoat Discipline" "Trained by my Hot Wife"

*How to Talk to Your Kids about Your Divorce* Penguin UK

*Crossdressing With Dignity* is a book addressing the emotions that surface when men cross gender lines. This book represents the collective input from over 600 men and women who participated in a survey on crossdressing.

**Forced Feminization** Dorchester Publishing

All three bestselling books together in one intensely erotic tale of taboo feminisation

Part One: Francis is a nineteen year old college boy whose father has left both him and his stepmom for another life. When one day his stepmom returns home to catch him in an embarrassing situation, a misunderstanding ensues that will set him on a path he could never have imagined. Part Two: Francis' first day at college as a girl arrives and his new found sexuality is soon put to the test. As a boy he went through life almost unnoticed, as a girl he is learning what life is like when others desire you in the most intimate of ways. Part Three: Francis' feminisation continues down a road that he could scarcely have believed possible. His new found confidence as a girl drives him on to experiment even further with his blossoming girlhood, leading toward an explosive climax in this intensely erotic tale of male feminisation. Follow Francis as he experiences feelings that he never knew he had at the hands of his beautiful stepmom. A woman that is more than willing to turn him into the young girl of her dreams. The explosive finale sees his swiftly disappearing boyhood overtaken by a new ultra-feminine existence, and there's one final twist in his tale that will cement his new life as a girl beyond any doubt. There really is no turning back now! This erotic story contains explicit sexual content and is strictly suitable for adults on
