In the early 1920s, Jaydayal Goyandka and Hanuman Prasad Poddar, two Marwari businessmen-turned-spiritualists, set up the Gita Press and Kalyan magazine. As of early 2014, Gita Press had sold close to 72 million copies of the Gita, 70 million copies of Tulsidas's works and 19 million copies of scriptures like the Puranas and Upanishads. And while most other journals of the period, whether religious, literary or political, survive only in press archives, Kalyan now has a circulation of over 200,000, and its English counterpart, Kalyana-Kalpataru, of over 100,000. Gita Press created an empire that spoke in a militant Hindu nationalist voice and imagined a quantifiable, reward-based piety. Almost every notable leader and prominent voice, including Mahatma Gandhi, was roped in to speak for the cause. Cow slaughter, Hindi as national language and the rejection of Hindustani, the Hindu Code Bill, the creation of Pakistan, India's secular Constitution: Kalyan and Kalyana-Kalpataru were the spokespersons of the Hindu position on these and other matters. Featuring an extraordinary cast of characters - buccaneering entrepreneurs and hustling editors, nationalist ideologues and religious fanatics - this is essential (and exciting) reading for our times.

'His ideas and his contribution to Indian literature were . . . revolutionary' —The Hindu Divya leads a blissful life within the secure walls of the palace even as the world outside rages with caste politics and religious strife, until one night of pleasure changes her entire world. She gets pregnant only to be spurned by her lover. To preserve her high born family's name she leaves her sheltered

existence and trudges through life on her own, first as a slave and then as a court dancer. Adversity finally opens her eyes to the truth—a woman of a high family is not free. Only a prostitute is free. Divya decides that, by enslaving her body, she will preserve the freedom of her mind. Set in the first century BC against a background of the conflict for supremacy between Hindu and Buddhist ideologies, Divya is a poignant tale that combines vivid imagination with rich historical details. 'Reminiscent of George Orwell . . . Here too is the biting satire of society as seen through the savage eye of an uncompromising non-conformist'—Dawn

Examining materials from early modern and contemporary North India and Pakistan, Tellings and Texts brings together seventeen first-rate papers on the relations between written and oral texts, their performance, and the musical traditions these performances have entailed. The contributions from some of the best scholars in the field cover a wide range of literary genres and social and cultural contexts across the region. The texts and practices are contextualized in relation to the broader social and political background in which they emerged, showing how religious affiliations, caste dynamics and political concerns played a role in shaping social identities as well as aesthetic sensibilities. By doing so this book sheds light into theoretical issues of more general significance, such as textual versus oral norms; the features of oral performance and improvisation; the role of the text in performance; the aesthetics and social dimension of performance; the significance of space in performance history and important considerations on repertoires of story-telling. The book also contains links to audio files of some of the works discussed in the text. Tellings and Texts is essential reading for anyone with an interest in South Asian culture and, more generally, in the theory and practice of oral literature, performance and story-telling.
