The early Christian Gnosis did not spring up in isolation, but drew upon earlier sources. In this book, many of these sources are revealed for the first time. Special emphasis is placed on the Hellenistic doctrine of the "Solar Logos" and the early Christian symbolism which depicted Christ as the Spiritual Sun, the illumination source of order, harmony, and spiritual insight. Based on 15 years of research, this is a unique book which

throws a penetrating light on the secret traditions of early Christianity. It clearly demonstrates that number is at the heart of being. Jesus Christ, Sun of God, illustrates how the Christian symbolism of the Spiritual Sun is derived from numerical symbolism of the "ancient divinities."

Danny Hodges became the senior pastor of a young church fellowship known as Calvary Chapel in St. Petersburg, Florida, in April of 1984. Three years later when he was introduced to Pastor Chuck Smith and the Calvary Chapel movement, he felt an

immediate sense of being at home and was grateful to God for leading him to this network of churches that upheld a simple, biblical philosophy of ministry and well-balanced doctrine. Calvary Chapel St. Petersburg soon became a fellowship of Calvary Chapel Costa Mesa, and since that time God has steadily grown the ministry from a handful of mostly young single adults to a large church full of families. It has been exciting to see God's Spirit bring many to

salvation through Jesus Christ, see lives change and mature in the Lord, see relationships bloom and grow, see ministries evolve and prosper, see a hunger for the Word of God and see a passionate desire to win the lost to Jesus. Pastor Danny and his wife, Wendy, consider it an honor to serve this growing body of believers together with their four children, Tanner, Hayden, Jairus and Audra. Annabel Lee Penguin Now *We Are Six* by A. A. Milne is a delightful collection of children's

poetry that celebrates the innocence and joys of childhood. The verses reflect the thoughts, feelings, and experiences of young children, making them relatable to both the young and the young at heart. In *We Are Six*, Milne's charming

language and playful rhymes bring to life the world of Christopher Robin and his friends, showcasing their adventures in the Hundred Acre Wood and beyond. Each poem is infused with warmth and humor, exploring themes such as friendship, the passage of time, and the wonder of the natural world. Milne's ability to convey profound emotions in simple, accessible language makes this collection a treasure for readers of all ages. Now We Are Six is

celebrated for its nostalgic charm and its timeless appeal, as Milne masterfully captures the essence of childhood through his poetic lens. The illustrations by Ernest H. Shepard further enhance the reading experience, bringing the characters and their adventures to life in delightful detail.
