COLEMAN SINGLETON

Skyhorse
Anidyr Bycall
is frozen in
her past,
regretting
words never
spoken to the
woman she
loves and the
one impulsive
act that cost
her all her
dreams.
Running from
the courts of
public and

academic
opinion in
Fairbanks, she
has landed in
Key West. The
nights are hot
but she is
colder than
the glaciers
she once
explored.
Tending bar
by night, she
spends her
days
immersed in
the research
of her only
remaining
passion in life:
the ice fields

of Alaska. But
trends may be
improving
when news
from home
hints that
those she
harmed may
have moved
on, and she
can at least
recover the
papers and
books she left
behind. The
respect and
affection she
once saw in
Eve Cambra's
eyes is gone
beyond recall.

When a few innocent questions raise Ani's doubts about what really happened three years ago, she realizes she may have a chance to clear her name and reclaim her career. But there's no data to suggest that Eve has thawed and that the fire they once shared can be rekindled. In this romantic story of the icy north, Karin Kallmaker explores the passion that

can melt even a frozen heart. *Ghost in the House* Harper Collins Bears and bunnies aren't supposed to mix, or that's what Chase keeps telling himself when his bouncy new neighbor won't stay out of his business--and his mind. However, the more he gets to know his overly perky neighbor, the more he craves her, a desire worse than his addiction to honey and pie. Miranda's on a mission for the Furry

United Coalition, and it involves secretly guarding one grumpy ol' bear. Staying focused on the job isn't easy when all she can think about is turning his frown upside down, a task made harder when she gets a glimpse of his passion. When she hears about his theory on woodland creatures and predators not mixing, she thinks all is lost, but she didn't count on a bear's curious nature--and

possessive need. When an evil force abducts Chase, Miranda unleashes her bunny in order to save him, but the revelation of her shifter side puts her in danger. Is one ornery bear enough to save her from a mad scientist? And if he does, can a bear forget her woodland creature status long enough to love her and make her his mate?

The Hero In You Random House Books for Young

Readers
Best friends
Bear and
Bunny wander through the woods looking for food, singing songs, and talking about what kind of pet they might like to adopt.
Adelita, A Sea Turtle's Journey Albert Whitman & Company
From #1 New York Times bestselling author Marieke Nijkamp (This Is Where It Ends) comes Before I Let Go, an emotional thriller about a suspicious death, a friend

desperate for answers, and their small town's sinister secrets. Best friends Corey and Kyra were inseparable in their tiny snow-covered town of Lost Creek, Alaska. But as Kyra starts to struggle with her bipolar disorder, Corey's family moves away. Worried about what might happen in her absence, Corey makes Kyra promise that she'll stay strong during the long, dark winter. Then, just days before Corey is to visit, Kyra

dies. Corey is devastated—and confused, because Kyra said she wouldn't hurt herself. The entire Lost community speaks in hushed tones, saying Kyra's death was meant to be. And they push Corey away like she's a stranger. The further Corey investigates—and the more questions she asks—the greater her suspicion grows. Lost is keeping secrets—chilling secrets. Can she piece together the truth about

Kyra's death and survive her visit? Perfect for readers looking for: Mystery books for teens Bipolar teen characters Asexual characters Praise for *Before I Let Go: A New York Times Bestseller!* 2019 ALA Rainbow List 2018 Teen Choice Book of the Year Nominee "With exceptional handling of everything from mental illness to guilt and a riveting, magic realist narrative, this

well wrought, haunting novel will stick with readers long after the final page."—Booklist ***STARRED REVIEW*** "Compulsive readability... Intriguingly spooky"—Kirkus Reviews "This sophomore novel from Nijkamp will haunt readers... The honest reflection of mental illness, suicide, friendship, and being an outsider provides ample topics for book discussion."—School Library

Journal "[A] reflective examination on love and returning home... Nijkamp has an uncommon talent for drawing readers deep into the psyches of her characters."— Publishers Weekly Also by Marieke Nijkamp: *This Is Where It Ends Even If We Break No Voice Too Small Owlkids* Join Bunny as he takes a top-secret trip to the library in a story that celebrates the love of reading! Bunny loves to

sit outside the library with the kids and listen to summer story time. But when the weather gets cold and everyone moves inside, his daily dose of joy is gone. Desperate, Bunny refuses to miss out on any more reading time and devises a plan to sneak into the library at night . . . through the library's book drop! What follows is an adorable caper that brings an inquisitive, fuzzy bunny and his

woodland pals up close and personal with the books they have grown to love. A warm celebration of the power of books, Bunny's Book Club is sure to bring knowing smiles to any child, parent, teacher, bookseller, and librarian who understands the one-of-a-kind magic of reading. *Warming Trend* Albert Whitman & Company Boo! Watch out for this rollicking, cumulative counting book

for a Hallowe'en treat that's more playful than scary. Features an audio read-along! When a little ghost goes slip-sliding down the hallway, he suddenly hears ... a groan! Turns out it's only a friendly mummy, who shuffles along with the ghost, until they encounter ... a monster! As the cautious explorers continue, they find a surprise at every turn - and add another adorably

ghoulish friend to their tally. But you'll never guess who is the scariest creature in the house!

Sourcebooks, Inc.
A raucous parody—DEFINITELY NOT FOR CHILDREN—of the popular If You Give a Mouse a Cookie series, Sam Miserendino and Mike Odum present the Addicted Animal Series. If You Give a Bunny a Beer is a book for moms and dads whose fondness for

Budweiser, Heinecken, or Coors Light might be a little more evolved than their parenting skills. Here is the story of a rabbit who had just one too many. Following the success of other adult-themed parodies of children's books, author Sam Miserendino presents a delightful tale that will entertain readers with its charming combination of innocence and lack thereof.

Featuring gorgeous full-color illustrations by illustrator Mike Odum that accompany the text, this heartwarming cautionary tale informs readers of the dangers of mixing alcohol and small mammals. *A Ride to Remember* Random House Books for Young Readers ILA 2021 Children's and Young Adults Book Award - Primary Nonfiction A disgruntled seahorse fact-checks a

school report about him. When a child writes a report about a seahorse, the creature himself has a few things to say about the animals he's compared to. First of all, he is nothing like a land horse. His tail is much more useful than an opossum's tail. And his snout fits his face perfectly—unlike an anteater's snout. Delivering fascinating facts along the way, the seahorse sets the record

straight about what makes his species so special. [Maisie's Scrapbook](#) Albert Whitman & Company 'Bah!' says the Baby. Does the Baby want a ball? A bottle? A bear? Join Baby's family as they try to figure out what Baby's first word really means in this charming picture book. [Kings, Queens, and In-Betweens](#) National Geographic Books One day, Bear found

something in the forest. When Bear finds a lost stuffed toy bunny in the forest, he begins to worry. After all, the stuffed bunny must feel lonely and want to return safely to its owner and home! But as Bear diligently searches for the bunny's owner, posting notices high and low, he begins to grow attached to his newfound friend. What will happen when the bunny's owner finally comes forward? Was Bear meant to

find Bunny all along? Prolific author/illustrator Salina Yoon's spare text and bright, energetic illustrations bring to life this endearing picture book with audio celebrating love and friendship in many forms, reminding us that nothing is lost that is not meant to be found. Before I Let Go Penguin The remarkable true story of the first sea turtle to be tracked across the Pacific Ocean. One

moonlit night, a young loggerhead sea turtle crawled into the ocean. As she swam and rode currents, she wandered far from the beach where she'd hatched. How far? Nobody knew for sure. In 1996, this turtle, caught in Mexico, was given a name—Adelita—and a satellite tag was attached to her shell. Then she was set free in the Pacific Ocean. Adelita's astonishing journey home led to a new understanding

of sea turtles and inspired changes that have made the world a better place for them.

How to Have Friends

Tate Publishing
It started with an energetic bunny and a grumpy bear. It continued with a geeky swan and her playboy bear. And then we encountered an ornery croc who couldn't help falling for a foxy lady. The three Furry United Coalition stories you've come to love are now available in one handy

bundle. Hours of romantic and humorous entertainment . Includes: Bunny and the Bear: Bears and bunnies aren't supposed to mix, or that's what Chase keeps telling himself when his bouncy new neighbor won't stay out of his business--and his mind. However, the more he gets to know his overly perky neighbor, the more he craves her, a desire worse than his addiction to honey and pie.Swan and

the Bear: Screw honey, this bear craves chocolate. Mason, a ladies man and a big teddy of a bear, is on a mission to protect the shifter community. Lucky him, his task requires him to guard the agency's tech wizard--a curvy mocha hottie. When an evil mastermind sets his sights on her, will this playful bear be enough to save her feathery tail from danger? And can he

somehow wiggle his way into her heart?Croc and the Fox: A cold blooded and violent croc, Viktor never intended to settle down, but he didn't count on a determined fox. When he rescues her from a laboratory, Renee latch on and refuse to let go. Viktor's violent side should have sent her running, but instead, she finds the courage to face her fears -and tame the lizard.

Warning: This series is loaded with giggle out loud moments, raunchy innuendo and the strangest shapeshifters you'll ever meet, including a killer bunny. It's also full of romance and great, if mismatched, couples. Genres: multi-book anthology, paranormal romance, shapeshifter romance, werewolf romance, shapeshifting bunny, romantic comedy

Bunny Days

Buzz and Fly Guy learn all about monster truck technology, tricks, events, and safety. These "monsterzzzz" are nothing to be scared of!
The Wolf Who Learned to Be Good
Albert Whitman & Company
Soon it will be Mother's birthday, and Flicka, Ricka, and Dicka can't think of what to give their Mother. Aunt Betty shows them how to bake a

cake by themselves. All is fine until the girls put the cake in the oven and go out to play. Will they remember the cake before it burns?

Sam Is My Sister

Candlewick Press (MA)
 "A biography of James Van Der Zee, innovative and celebrated African American photographer of the Harlem Renaissance. Includes an afterword, photos, and author's sources"--
 Publisher.
It's Not Easy

Being a Bunny

Albert Whitman & Company
 Although Bunnybear was born a bear, he feels more like a bunny. He prefers bouncing in the thicket to tramping in the forest, and in his heart he's fluffy and tiny, like a rabbit, instead of burly and loud, like a bear. The other bears don't understand him, and neither do the bunnies. Will Bunnybear ever find a friend who likes him just

the way he is?
Bah! Said the Baby
 Doubleday Books for Young Readers
 A joyful celebration of a mixed-race family and the love that binds them together. As the seasons turn, Maisie rides her bull in and out of Dada's tall tales. Her Mama wears linen and plays the viola. Her Dada wears kente cloth and plays the marimba. They come from different places, but they hug her

in the same way. And most of all, they love her just the same. WINNER of the Family Category, Northern Lights Book Awards 2019. “Opens a window into what it can look and feel like to grow up in a biracial, multinational family that’s rich in story”—Kirkus Reviews, STARRED “When my four year old granddaughter spotted it, she exclaimed ‘That’s me and my mummy and daddy!’”—The Letterpress Project “We found a kindred spirit in Maisie. She will make a generation of mixed kids feel more visible”—The Tiger Tales *Bunny and the Bear* Lee & Low Books BunnybearWeigl Publishers *Playing Wicked* Simon & Schuster Books for Young Readers Blobfish! Blobfish blobfish blobfish! This is a silly picture book about animals and collaboration —or lack thereof. But mostly blobfish. This is a book about animals. It is? I mean, it sort of is. It does have animals in it. It’s a book about animals. I hear you, but you have to admit it’s pretty strange. This is NOT a normal animal book. You should read it. At least we can agree on that. This offbeat picture book asks hilarious questions about animals and art, who’s in charge of a picture

book—the author or the illustrator—and really gets you thinking about...BLOBSH!
