Welcome to Daisy Farm Crafts and our first collection of crochet baby blanket patterns! I'm Tiffany and my four daughters and I love making baby blankets for our friends and family - a tradition that has been passed down through my family for generations. The collection we have put together in this book are 25 of our most popular baby blanket patterns from the Daisy Farm Crafts website. Our patterns have been shared on Pinterest millions of times and many hands have now made Daisy Farm Crafts baby blankets to celebrate and welcome their new ones into the world. I'm happy the patterns will now be in book form and we hope you have as much fun making them as we did! We use US crochet terms and easy to read explanations of the patterns. If we do use an abbreviation, we explain what it stands for. You can also find video tutorials for most of the patterns in the book if you need help. We love seeing what you make! Come and share with us on Facebook or Instagram. We will cheer you on!

The longtime knitter and vintage fashion expert puts a contemporary twist on classic knit babywear in this beautifully photographed pattern book. While working as a vintage clothing dealer, combing through estate sales and eBay listings, longtime knitter Kristen Rengren amassed hundreds of knitting pattern

booklets from 1920 through 1960. Now a knitwear designer, Rengren brings us the result of her combined passions in *Vintage Baby Knits*, a charming collection of more than 40 contemporary updates of timeless baby patterns. Projects range from small, quick-to-knit items like hats, booties, and shrugs to larger, more challenging designs for sweaters, onesies, and dresses, including a lace christening gown. Beautiful photographs capture a bevy of adorable babies and toddlers wearing these knitted treasures. Also included are sidebars on baby fashion and knitting culture in this bygone era, and a complete reference section. Destined to be a classic itself, *Vintage Baby Knits* promises family heirlooms for 21st-century babies. This is a fixed-format ebook, which preserves the design and layout of the original print book.

Bake Knit Sew showcases a year of creativity in baking, knitting, and sewing. Each month, an original baking recipe is partnered with a knitting pattern or sewing project, made with the seasonally-inspired ingredients and materials. These twelve baking recipes, seven knitting patterns, and five sewing projects are yours to make your own. Written by Evin O'Keeffe, author of the popular blog EvinOK. Inspired by her Irish-American Grandma's recipe box and craftiness, this book showcases a year of creativity in baking, knitting, and sewing. Whether it is sparkly snowflakes and fleecy mittens in the Winter, brave new leaves in the Spring, dandelion clocks flying in the Summer breeze, or golden leaves and honeycomb in the Autumn, the seasons await you with new opportunity for creativity. In this age of mass consumption and branding, there is magic in being able to create something unique and special. Something all your own, from the heart. The materials were carefully chosen from local artisans in Ireland and Nova Scotia who sell globally online, most of whom are woman-owned and operated. The recipes were perfected over generations, then given a modern twist and tested by volunteers. Each knitting and sewing pattern was tried and tested as well. Finally, this book was funded by an enthusiastic crowd of

Kickstarter backers. A complete year of projects! Over 50 full-color photographs shot on location in scenic Cork, Ireland make this book a feast for the eyes as well as an inspiration in the kitchen and at the craft table. You'll be pleasantly surprised at how simple it is to make and create these functional projects from scratch.

*Crochet in a Day for Baby* Open Road Media

This book explores sources for wool in Ireland which embrace the slow revolution with ethically-treated sheep, fair-trade wool, and local milling. A step away from the mass-produced acrylics and imported wool blends from other continents to focus once again on knitting with local wool. There are a variety of breeds of sheep being raised in Ireland and Great Britain, each breed with its own special characteristics. Each of these varieties of wool brings a new level of uniqueness to a knitter's work. It is time to allow conscientious small-batch artisan producers to guide us to the very best of what these islands have to offer. If we're so focused on having our eggs be fair-trade and local, why not our knitting wool? These Islands includes eight never before published patterns for hats, a cowl, shawls, fingerless gloves, and boot cuffs using locally-processed wool made from the fleece of Irish, Scottish, or British sheep with names. The patterns are designed by Sara Breitenfeldt, Suzanne McEndoo, and Evin Bail O'Keeffe. The book features 77 full-colour photographs shot on location at Zwartbles Ireland in Kilkenny and in County Cork, Ireland.

"Solveig Hisdal is not only aware of the knowledge housed in Norway's museums, she has also learned how to use it. She has visited museums throughout the country, searching eagerly for

the treasures that her ancestors left behind. She has found textiles, chests, cabinets and old folk costumes that have later become her greatest source of inspiration. This book is a result of her quest, and it shows how the creativity of the past has inspired her to make beautiful knitted designs. It contains wonderful knitting ideas for almost all occasions, from a child's christening outfit to an exquisite, knitted bridal cardigan with beads and silk. Whether you wish to be inspired by the beautiful pictures, or knit some of the outfits -- enjoy the book!"--P. [4] of cover.
