## STONE HALEY

**Mémoires d'une femme de qualité, sur Louis XVIII, sa cour et son règne...** Oxford University Press

"Drawing on correspondence, novels, literary criticism, and other documents by Riccoboni, Laclos, and Burney, Antoinette Sol demonstrates how these novelists, traditionally separated by nationality, gender, and genre, are in fact concerned with similar issues of individual authority and social criticism. She shows how arbitrary literary categorization of these writers as sentimental or libertine has kept their work from a reading which reveals their commonalities."--BOOK JACKET.

Re-Reading Zola and Worldwide Naturalism continues the discussion of Émile Zola and French naturalism with examinations of unexplored areas of the founding father's project and legacy. In addition to offering essays on Zola's lesser known naturalist contemporaries, the volume extends the investigation of the naturalist literary current to include areas of Europe outside France, as well as the Americas and Asia, tracking its persistence in various forms through the twentieth century and into the twenty-first. The authors pay particular attention to the ways naturalism was conceived and then received, including in other channels, undergoing transformations in new social conditions and creating other versions of the basic precepts. This work

features multidisciplinary and comparative approaches to the study of naturalism, paying tribute to Anna Gural-Migdal—a Professor of French Literature and Film Studies at the University of Alberta, in Canada, who specializes in the visual aspect of Zola's Rougon Macquart novels and the transfer of these strategies to naturalist film. She has been a leader in the field of Zola and naturalism in her role as president of the AIZEN for almost fifteen of its twenty years of existence.

*La destinée, ou mémoires d'une dame de qualité* Bucknell University Press

Challenging many of the conclusions of recent historiography, including the depiction of salonnieres as influential power brokers, French Salons offers an original, penetrating, and engaging analysis of elite culture and society in France before, during, and after the Revolution.

*Mémoires d'une femme de qualité sur Louis XVIII, sa cour et son règne* JHU Press

Straddling the disciplines of literature and social history, and based on extensive archival research, this book makes a crucial contribution to the feminist project of writing women back into literary history. It brings to light the hitherto unrecognized literary tradition in the prehistory of psychoanalysis: the psychiatric memoir.
