HILLARY COLTON

Tales of a Female Nomad Thames & Hudson

A little girl explores all of the funny, strange, and wonderful things that make living on Earth so special in this beautifully illustrated children's story. With a strong message of hope, interconnectedness, and empowerment, *This Small Blue Dot* features a little girl explaining the world to her baby sister. She hits on small wonders, big lessons, and everything in between, from sharing the joy of silly dances to contemplating the nature of this "small blue dot" we all live on. Author and illustrator Zeno Sworder, who hails from a multicultural background, wrote this story when his daughter was unable to find picture books with characters who looked like her. His precocious young narrator has opinions on plenty of things: nature and the environment, embracing difference, the power of imagination—and the trouble with broccoli. Rich pencil and crayon illustrations conjure up memories of childhood in this celebration of who we are, where we come from, and where our dreams may take us. In *This Small Blue Dot*, Sworder captures not only life lessons but also the fun, often strange experience of being a member of the human family on planet Earth.

Joan Miró Hachette UK

First published: London: Thames & Hudson, 2010.

The Worst Witch Hachette+ORM

Beautiful, bewitching and an exceptionally good photographer, Lee Miller was one of life's adventurers. She became a Vogue cover girl in 1920s New York before embracing Paris, photography and Surrealism, and then dramatically changed her life yet again, reinventing herself as a war correspondent, notably covering the liberation of Dachau. These are but three of the many lives of Lee Miller, intimately recorded here by her son, Antony Penrose. Featuring a selection of Miller's finest work, including portraits of her friends Picasso, Tanning and Ernst, Penrose's tribute to his mother brings to life a uniquely talented woman and the turbulent times in which she lived.

Over and Under the Snow Crown

Unlikely pig owners Steve and Derek got a whole lot more than they bargained for when the designer micro piglet they adopted turned out to be a full-sized 600-pound sow! This funny, inspirational story shows how families really do come in all shapes and sizes. In the summer of 2012, Steve Jenkins was contacted by an old friend about adopting a micro piglet. Though he knew his partner Derek wouldn't be enthusiastic, he agreed to take the adorable little pig anyway, thinking he could care for her himself. Little did he know, that decision would change his and Derek's lives forever. It turned out there was nothing "micro" about Esther, and Steve and Derek had actually signed on to raise a full-sized commercial pig. Within three years, Tiny Esther grew to a whopping 600 pounds. After some real growing pains and a lot of pig-sized messes, it became clear that Esther needed much more space, so Steve and Derek made another life-changing decision: they bought a farm and opened the Happily Ever Esther Farm Sanctuary, where they could care for Esther and other animals in need. Funny, heartwarming, and utterly charming, *Esther the Wonder Pig* follows Steve and Derek's adventure—from reluctant pig parents to farm-owning advocates for animals. **NEW YORK TIMES BESTSELLER AMAZON BEST BOOK OF THE YEAR**

The Sister Who Ate Her Brothers: And Other Gruesome Tales
Candlewick

Big art for little hands, these enchanting activity books allow young artists to explore the world's masterpieces on their own terms and with plenty of space to color outside the lines.

Tiny Explorers Chronicle Books

"One day, a witch's cat found a dusty old cookbook, and it gave him the most marvellous idea..." The witch has gone out and inspired by the old cookbook, the cat is determined to knock up a super-scrumptious surprise lunch for her. But unfortunately, his enthusiasm far exceeds his cooking abilities, and he carelessly overlooks some rather important information. But hey, what's the worst that could happen? Reviews: "A fabulously charming story with beautiful illustrations. I have a feeling we'll be reading this one again (and again, and again...)" Fran Grant "This is a super book - it's got everything! Magic, potions, a lovely witch, and of course a cheeky cat - and with such beautiful illustrations, it's one

that my little ones ask for over and over." Rebecca C "I love this book because it is really funny and made me laugh out loud. I woke up the next day and made a play with my sister, I was the witch and she was the cat. I like how the cat ends up reading her own book about spells, she is a clever cat!". Words from my daughter who was captured by this delightful storybook that has clearly made an impact! Highly recommended read! Kirstie Watson is a gifted author and the illustrations are adorable." Mrs Sumudu Edirisinghe "We love the Witch's Cat - my nearly 3yr old granddaughter asks for it almost every day and knows what's going to happen on every page - she still laughs at each bit though!! This is a really well written and beautifully illustrated story which I thoroughly recommend." Kindle Customer
Tom Douglas' Seattle Kitchen Chronicle Books
Over the snow, the world is hushed and white. But under the snow exists a secret kingdom of squirrels and snow hares, bears and bullfrogs, and many other animals that live through the winter safe and warm, awake and busy, under the snow. Discover the wonder and activity that lies beneath winter's snowy landscape in this magical book.

Mutual Rescue Pantheon

The true story of an ordinary woman living an extraordinary existence all over the world. "Gelman doesn't just observe the cultures she visits, she participates in them, becoming emotionally involved in the people's lives. This is an amazing travelogue." —Booklist At the age of forty-eight, on the verge of a divorce, Rita Golden Gelman left an elegant life in L.A. to follow her dream of travelling the world, connecting with people in cultures all over the globe. In 1986, Rita sold her possessions and became a nomad, living in a Zapotec village in Mexico, sleeping with sea lions on the Galapagos Islands, and residing everywhere from thatched huts to regal palaces. She has observed orangutans in the rain forest of Borneo, visited trance healers and dens of black magic, and cooked with women on fires all over the world. Rita's example encourages us all to dust off our dreams and rediscover the joy, the exuberance, and the hidden spirit that so many of us bury when we become adults.

[creative process](#)) Ediciones Polígrafa S.A.

In this introductory tale, Valentino learns the meaning of his name and his purpose in life, which is to spread love, comfort, joy and wisdom to people and animals alike. This is the first volume of a ten- book Valentino The Love Bunny series. The stories are designed to create an oasis for children where they can learn essential, universal messages about love, kindness, tolerance, charity, hope, learning ones purpose in life, confidence, good manners, accountability and respect for the Earth.

[Quantum Physics for Babies \(0-3\)](#) Sacred Stories Publishing

Read true stories of individuals' encounters with animals-in real life, in dreams, or symbolically. Our authors share what spirit animals have taught or showed them by appearing in the most unexpected and profound ways as allies to guard, guide, help or heal them; or how they asked Great Spirit to reveal a solution and the perfect spirit animal undeniably showed up and delighted them with their responses. Our Featured Author, Dr. Steven Farmer, reveals how these shamanic encounters reestablish our connection to the animal world and the world of Spirit, affirming that they truly are our brothers and sisters. Learn the purpose of spirit animals, what forms they take, how to connect with them, and much more.

A unique look at the work of a great artist as seen through the eyes of a child As might be expected of the son of photographer Lee Miller and writer Roland Penrose, Antony Penrose's childhood was populated with some of the greatest artists of the twentieth century. Miró's Magic Animals is a delightful story, chronicling Antony "Tony"'s encounters with the great Spanish artist Joan Miró. Tony introduces Miró as a quiet, kind, and smartly dressed man who "dreamed when he was awake" and painted wonderfully strange worlds filled with magical animals. The book brings Tony's memories to life with beautiful reproductions of some of Miró's finest works, as well as evocative archival photography by Lee Miller and specially commissioned artworks in the style of Miró, painted by children. We see the renowned painter from a new perspective, as the slightly eccentric visitor to Tony's childhood home, during an excursion to Miró's farm—filled with

extraordinary creatures—and on a trip to London Zoo, during which Miró asked to see "large birds, snakes, and strange creatures of the night." Vibrant design and playful typography make the package as appealing as the story, and round out the feeling that we're immersed in Tony's adventure.

Jen Campbell's collection of terrifyingly gruesome tales lends a modern edge to fairy tale collections for young readers. Drawing on her extensive knowledge of fairy tale history, Campbell's stories undo the censoring, gender stereotyping and twee endings of more modern children's fairy tales, to return both classic and little-known stories to their grim versions, whilst celebrating a diverse range of characters. Featuring 14 short stories from around the globe, *The Sister Who Ate Her Brothers* is illustrated in a contemporary style by Canadian comic artist Adam de Souza. De Souza's brooding illustrations are a highly original blend of 19th-century Gothic engravings and moody film noir graphic novels. Beautifully produced in a hardback format with a rose gold ribbon marker, *The Sister Who Ate Her Brothers* is a truly thrilling gift.

[Manifestation Magic](#) National Geographic Books

NATIONAL BESTSELLER * "Charles Dickens meets Joss Whedon in Miro's otherworldly Netflix-binge-like novel." —The Washington Post MOST ANTICIPATED SFF BOOK of 2022 by Tor, The Nerd Daily, BookBub, Philadelphia Inquirer, Goodreads, CrimeReads, BuzzFeed, Professional Book Nerds, and more! BEST BOOK OF SUMMER 2022 by SheReads, Book Riot, Goodreads, Gizmodo, Daily Beast, Paste Magazine, and more! IN THIS STUNNING HISTORICAL FANTASY, journey to the Victorian era, as children with mysterious powers are hunted by a figure of darkness in a battle of good vs. evil... "Ordinary Monsters is a towering achievement: a dazzling mountain of wild invention, Dickensian eccentrics, supernatural horrors, and gripping suspense. Be

warned... once you step into this penny dreadful to end all penny dreadfuls, you'll never want to leave." —Joe Hill, #1 New York Times bestselling author of *The Fireman* and *Heart-Shaped Box* Charlie Ovid, despite surviving a brutal childhood in Mississippi, doesn't have a scar on him. His body heals itself, whether he wants it to or not. Marlowe, a foundling from a railway freight car, shines with a strange bluish light. He can melt or mend flesh. When Alice Quicke, a jaded detective with her own troubled past, is recruited to escort them to safety, all three begin a journey into the nature of difference and belonging, and the shadowy edges of the monstrous. What follows is a story of wonder and betrayal, from the gaslit streets of London, and the wooden theaters of Meiji-era Tokyo, to an eerie estate outside Edinburgh where other children with gifts—like Komako, a witch-child and twister of dust, and Ribs, a girl who cloaks herself in invisibility—are forced to combat the forces that threaten their safety. There, the world of the dead and the world of the living threaten to collide. With this new found family, Komako, Marlowe, Charlie, Ribs, and the rest of the Talents discover the truth about their abilities. And as secrets within the Institute unfurl, a new question arises: What truly defines a monster? Riveting in its scope, exquisitely written, *Ordinary Monsters* presents a catastrophic vision of the Victorian world—and of the gifted, broken children who must save it.

[Greek Myths](#) National Geographic Books

A moving and scientific look at the curative powers--both physical and mental--of rescuing a shelter animal, by the president of Humane Society Silicon Valley. MUTUAL RESCUE profiles the transformational impact that shelter pets have on humans, exploring the emotional, physical, and spiritual gifts that rescued animals provide. It explores through anecdote, observation, and scientific research, the complexity and depth of the role that pets play in our lives. Every story in the book brings an unrecognized benefit of adopting homeless animals to the forefront of the rescue conversation. In a nation plagued by illnesses--16 million adults suffer from depression, 29 million have diabetes, 8 million in any given year have PTSD, and nearly 40% are obese--rescue pets can help: 60% of doctors said they prescribe pet adoption and a staggering 97% believe that pet ownership provides health benefits. For people in chronic emotional, physical, or spiritual pain, adopting an animal can transform, and even save, their lives. Each story in the book takes a deep dive into one potent

aspect of animal adoption, told through the lens of people's personal experiences with their rescued pets and the science that backs up the results. This book will resonate with readers hungry for stories of healing and redemption.

In *Constellations of Miro*, Breton Paul Hammond unravels some of the mysteries of the call-and-response of these two Surrealists by reading the pictures against the poetry, the poetry against the pictures, and both against the madness of a history that none of us has left that far behind."--BOOK JACKET.

[The Magic Thief](#) ABRAMS

Forty important lithographic prints with line and composition comparable to the works of Miro's friend Picasso. Eerie, droll, technically brilliant, and aggressive.

[Think and Make Like an Artist](#) Harper Collins

A brilliantly original, landmark retelling of Greek myths, recounted as if they were actual scenes being woven into textiles by the women who feature prominently in them—including Athena,

Helen, Circe and Penelope "Greek myths were full of powerful witches, unpredictable gods and sword-wielding slayers. They were also extreme: about families who turn murderously on each other; impossible tasks set by cruel kings; love that goes wrong; wars and journeys and terrible loss. There was magic, there was shape-shifting, there were monsters, there were descents to the land of the dead. Humans and immortals inhabited the same world, which was sometimes perilous, sometimes exciting. "The stories were obviously fantastical. All the same, brothers really do war with each other. People tell the truth but aren't believed. Wars destroy the innocent. Lovers are parted. Parents endure the grief of losing children. Women suffer violence at the hands of men. The cleverest of people can be blind to what is really going on. The law of the land can contradict what you know to be just. Mysterious diseases devastate cities. Floods and fire tear lives apart. "For the Greeks, the word *muthos* simply meant a traditional tale. In the twenty-first century, we have long left behind the political and religious framework in which these stories first circulated—but their power endures. Greek myths remain

true for us because they excavate the very extremes of human experience: sudden, inexplicable catastrophe; radical reversals of fortune; and seemingly arbitrary events that transform lives. They deal, in short, in the hard, basic facts of the human condition." —from the Introduction

Valentino the Love Bunny and How He Came to Be City Lights Books

They All Saw A Cat — New York Times bestseller and 2017 Caldecott Medal and Honor Book The cat walked through the world, with its whiskers, ears, and paws . . . In this glorious celebration of observation, curiosity, and imagination, Brendan Wenzel shows us the many lives of one cat, and how perspective shapes what we see. When you see a cat, what do you see? If you and your child liked *The Girl Who Drank the Moon*, *Finding Winnie*, and *Radiant Child* — you'll love *They All Saw A Cat* "An ingenious idea, gorgeously realized." —Shelf Awareness, starred review "Both simple and ingenious in concept, Wenzel's book feels like a game changer." —The Huffington Post
