FRIDA GABRIELLE

Murder by Gaslight in Victorian Bradford Saint Martin's
Paperbacks

An examination of WASP culture through the lives of some of its most prominent figures. Envied and lampooned, misunderstood and yet distinctly American, WASPs are as much a culture, socioeconomic and ethnic designation, and state of mind. Charming, witty, and vigorously researched, WASPS traces the rise and fall of this distinctly American phenomenon through the lives of prominent icons from Henry Adams and Theodore Roosevelt to George Santayana and John Jay Chapman. Throughout this dynamic story, Beran chronicles the efforts of WASPs to better the world around them as well as the struggles of these WASPs to break free from their restrictive culture. The death of George H. W. Bush brought about reflections on the end of patrician WASP culture, where privilege reigned, but so did a genuine desire to use that privilege for public service. In the time of Trump—who is the antithesis of true WASP culture—people look at the John Kerry, Bobby Kennedy, and Philip and Kay Grahams of the world with wistfulness. And even though we are a more diverse and pluralistic nation now than ever before, there is something about WASP culture that remains enduringly aspirational and fascinating. Beginning at the turn of the 20th century, Beran's saga dramatizes the evolving American aristocracy that forever changed a nation—and what we can still glean from WASP culture as we enter a new era.

Magicians Impossible National Geographic Books

Emmett Till: The Murder That Shocked the World and Propelled the Civil Rights Movement offers the first truly comprehensive account of the 1955 murder and its aftermath. It tells the story of Emmett Till, the fourteen-year-old African American boy from Chicago brutally lynched for a harmless flirtation at a country store in the Mississippi Delta. Anderson utilizes documents that had never been available to previous researchers, such as the trial transcript, long-hidden depositions by key players in the

case, and interviews given by Carolyn Bryant to the FBI in 2004 (her first in fifty years), as well as other recently revealed FBI documents. Anderson also interviewed family members of the accused killers, most of whom agreed to talk for the first time, as well as several journalists who covered the murder trial in 1955. Till's death and the acquittal of his killers by an all-white jury set off a firestorm of protests that reverberated all over the world and spurred on the civil rights movement. Like no other event in modern history, the death of Emmett Till provoked people all over the United States to seek social change. Anderson's exhaustively researched book is also the basis for HBO's mini-series produced by Jay-Z, Will Smith, Casey Affleck, Aaron Kaplan, James Lassiter, Jay Brown, Ty Ty Smith, John P. Middleton, Rosanna Grace, David B. Clark, and Alex Foster, which is currently in active development. For six decades the Till story has continued to haunt the South as the lingering injustice of Till's murder and the aftermath altered many lives. Fifty years after the murder, renewed interest in the case led the Justice Department to open an investigation into identifying and possibly prosecuting accomplices of the two men originally tried. Between 2004 and 2005, the Federal Bureau of Investigation conducted the first real probe into the killing and turned up important information that had been lost for decades. Anderson covers the events that led up to this probe in great detail, as well as the investigation itself. This book will stand as the definitive work on Emmett Till for years to come. Incorporating much new information, the book demonstrates how the Emmett Till murder exemplifies the Jim Crow South at its nadir. The author accessed a wealth of new evidence. Anderson made a dozen trips to Mississippi and Chicago over a ten-year period to conduct research and interview witnesses and reporters who covered the trial. In Emmett Till Anderson corrects the historical record and presents this critical saga in its entirety.

Murder begins with the click of a button in this true crime story of Facebook, catfishing and deadly jealousy—as seen on Investigation Discovery. Chris was a CIA agent worried for the safety of Jenelle Potter. Contacting her parents and boyfriend, Chris warned them that Billy Payne and Billie Jean Hayworth were bullying Jenelle online and posed an imminent, physical threat. Something needed to be done, Chris said. And he'd have their backs if they took action to protect Jenelle. And so they did. Jenelle's father and boyfriend murdered Payne and Hayworth in their own home—mercifully leaving the couple's infant unharmed. But when they told their story to the police, they discovered a devastating truth: there was no Chris. It had been Jenelle the entire time, catfishing them to exact revenge over a Facebook feud. Using forensic linguistics and diving through the brambles that Jenelle laid to cover her tracks, police were able to put together a chilling portrait of a sociopath who set a double murder in motion from the shadows of the internet. Dennis Brooks, the lead prosecutor in this strange and tragic case, examines the crime and trial from all angles in *Too Pretty to Live*. What the police investigation turned up, though, made this crime all the more terrifying. Jenelle had been Chris the entire time, catfishing her family and her boyfriend to act in vengeance on her behalf. Using forensic linguistics and diving through the brambles that Jenelle laid to cover her tracks, police were able to put together a chilling portrait of a sociopath, made all the more ruthless by the anonymity of her online life. Bizarre and unforgettable, Dennis Brooks examines the crime and trial from all angles, bringing his expertise as the lead prosecutor in the strange and disturbing case.

The twelve-year rampage of "Missoula Mauler" Wayne Nance—and the shocking end to his murder spree To his neighbors, Wayne Nance, a furniture mover from Missoula, Montana, appeared to be an affable, considerate, and trustworthy guy. No one knew that Nance was the "Missoula Mauler," a psychopath responsible for a series of sadistic sex slayings that rocked the idyllic town between 1974 and 1986. Nance's only

requirement for murder was accessibility—a preacher’s wife, a teenage runaway, a female acquaintance, a married couple. Putting on a friendly façade, he could easily gain his victims’ trust. Then, one September night, thirty-year-old Nance pushed his luck, preying on a couple who lived to tell the tale. A true story with an incredible twist, written by former Wall Street Journal editor John Coston and complete with photos, *To Kill and Kill Again* reveals the disturbing compulsions of a charming serial killer who fooled everyone he knew, stumped the authorities, terrified a community, and nearly got away with it.

Return to New York Times bestselling author Anne Bishop’s world of the Others—where supernatural entities and humans struggle to co-exist, and one woman has begun to change all the rules... After winning the trust of the Others residing in the Lakeside Courtyard, Meg Corbyn has had trouble figuring out what it means to live among them. As a human, Meg should be barely tolerated prey, but her abilities as a cassandra sanguine make her something more. The appearance of two addictive drugs has sparked violence between the humans and the Others, resulting in the murder of both species in nearby cities. So when Meg has a dream about blood and black feathers in the snow, Simon Wolfgard—Lakeside’s shape-shifting leader—wonders if their blood prophet dreamed of a past attack or a future threat. As the urge to speak prophecies strikes Meg more frequently, trouble finds its way inside the Courtyard. Now, the Others and the handful of humans residing there must work together to stop the man bent on reclaiming their blood prophet—and stop the danger that threatens to destroy them all.

"This is an account of the murder of Martha Clark by her mother, Alice, in Plymouth Colony. Alice was the first woman ever to be hanged in the colony and this book explores in detail the possible reasons why Alice killed her daughter, and the ramifications of her action"--

I Was a Dancer Knopf

"Mofina's books are edge-of-your seat thrilling."—Louise Penny, #1 New York Times bestselling author "A gifted storyteller."—Library Journal A missing daughter, a family with secrets, a race for the truth... At a truck stop near Las Vegas, fourteen-year-old Riley Jarrett vanishes from her family’s RV, turning their cross-country dream of starting over into a nightmare. Investigators have their work cut out for them. The massive, bustling truck plaza in the desert is the perfect place for someone to disappear—or be taken. Detectives pursue every chilling lead as all eyes fall to the newly blended family with a tragic past. With the clock ticking down on the likelihood that Riley’s alive, suspicions run deep. Everyone—from Riley’s mom to her stepdad to her stepbrother and her ex-boyfriend—has something to hide. And their secrets could prove deadly.

Modern American Diplomacy Independently Published

The full true story of the lululemon murder and what really happened to Jayna Murray and Brittany Norwood--photos included. It was a crime that shocked the country. On March 12, 2011, two young saleswomen were found brutally attacked inside a lululemon athletica retail store in Bethesda, Maryland, one of the nation’s wealthiest suburbs. Thirty-year-old Jayna Murray was dead—slashed, stabbed, and struck more than three hundred times. Investigators found blood spattered on walls, and size fourteen men’s shoe prints leading away from her body. Twenty-eight-year-old Brittany Norwood was found alive, tied up on the

bathroom floor. She had lacerations, a bloody face, and ripped clothing. She told investigators that two masked men had slipped into the Bethesda lululemon store just after closing, presumably planning to rob it. She spoke of the night of terror she and her coworker had experienced. Investigators were sympathetic...but as the case went on, Brittany’s story began to unravel. Why rob a business that dealt mostly in credit cards? Why was Jayna murdered but Brittany left alive? Could the petite, polite Brittany have been involved? Most chilling of all: could she have been the killer?

Blood in the Snow iUniverse

Norma and Jack Sidebottom were thrilled to adopt cheerful, chubby little Kathy Ann. They were modest, humble, dedicated parents. But little did they know they would be raising a drama queen. Kathy's antics and their trials are just a part of the story. Later in life, courtesy of 23andMe, Kathy discovered the origin of her dramatic tendencies. She found her father on the FBI's Most Wanted List and unearthed her birthmother's lifelong secret. Not only is this an entertaining tale with a built-in murder mystery, but It's in My Genes explores the combined roles of nature and nurture in identity development. An addendum explaining the scientific process used to locate each birthparent is included to satisfy genealogy buffs.

Diversion Books

Harry Potter meets James Bond in this story of a twenty-something slacker who discovers that he is descended from a line of magical spies and is thrust into the middle of a secret and epic battle. "Magicians Impossible is a mind-bending page-turner! A brilliant and unique mash-up of spells, myth and mayhem, once it got its claws in me I couldn't put it down. Like a veteran stage magician, Brad Abraham has created a hip thriller that turns convention on its ear with misdirection and mayhem. A must read for enthusiasts of edgy and extreme fiction." —Don Coscarelli, director of *John Dies At The End* Twenty-something bartender Jason Bishop’s world is shattered when his estranged father commits suicide, but the greater shock comes when he learns his father was a secret agent in the employ of the Invisible Hand; an ancient society of spies wielding magic in a centuries-spanning war. Now the Golden Dawn—the shadowy cabal of witches and warlocks responsible for Daniel Bishop’s murder, and the death of

Jason's mother years before—have Jason in their sights. His survival will depend on mastering his own dormant magic abilities; provided he makes it through the training. From New York, to Paris, to worlds between worlds, Jason's journey through the realm of magic will be fraught with peril. But with enemies and allies on both sides of this war, whom can he trust? The Invisible Hand, who've been more of a family than his own family ever was? The Golden Dawn, who may know the secrets behind his mysterious lineage? For Jason Bishop, only one thing is for certain; the magic he has slowly been mastering is telling him not to trust anybody.

True Crime: Maryland Dell

"Vivid characters carry the action in latest book about grisly Metro Detroit murder . . . a page turner" from the true crime author of *Darker Than Night* (The Detroit News). Washington Township, Michigan: Valentine's Day, 2007. Stephen Grant filed a missing person's report on his beloved wife, Tara. The stay-at-home father of two was beside himself with despair. Why would Tara abandon him and their family? Was she involved with another man? Stephen's frantic, emotional search for Tara made national headlines, and the case was featured on Dateline among other television shows and news outlets. But key elements in Stephen's story still weren't adding up: Why did he wait five days to go to police? What was the nature of his relationship with his children's beautiful, nineteen-year-old babysitter? Why did Stephen have cuts on his hands, and random bruises? Then, the police made a gruesome discovery. Parts of Tara Grant's body started turning up around the woods near the Grant's home. The truth was finally coming to light . . . and, after a two-day manhunt, Stephen admitted to having killed Tara—first strangling her, then cutting her body into fourteen pieces before burying them. This is the shocking true story about a bitter, cheating husband whose crimes were revealed by the Blood in the Snow. Please note that the photos that appear in the print edition of the title do not appear in the e-book. "[Blood in the Snow is] the third book about the case but it's also the only one that had police cooperation. And that makes all the difference . . . a wild ride of a read that's still compelling." —Metro Times

Mindhunter Penguin

"Vivid and remarkably fresh...Philbrick has recast the Pilgrims for the ages."--The New York Times Book Review Finalist for the

Pulitzer Prize in History New York Times Book Review Top Ten books of the Year With a new preface marking the 400th anniversary of the landing of the Mayflower. How did America begin? That simple question launches the acclaimed author of *In the Hurricane's Eye* and *Valiant Ambition* on an extraordinary journey to understand the truth behind our most sacred national myth: the voyage of the Mayflower and the settlement of Plymouth Colony. As Philbrick reveals in this electrifying history of the Pilgrims, the story of Plymouth Colony was a fifty-five year epic that began in peril and ended in war. New England erupted into a bloody conflict that nearly wiped out the English colonists and natives alike. These events shaped the existing communities and the country that would grow from them.

The Bradford Bishop Murders Amberley Publishing Limited New York Times bestselling author of the Spenser series of crime thrillers—Book 1 in the series "The toughest, funniest, wisest, private eye in the field these days."—Houston Chronicle Spenser earned his degree in the school of hard knocks, so he is ready when a Boston university hires him to recover a rare, stolen manuscript. He is hardly surprised that his only clue is a radical student with four bullets in his chest. The cops are ready to throw the book at the pretty blond coed whose prints are all over the murder weapon but Spenser knows there are no easy answers. He tackles some very heavy homework and knows that if he doesn't finish his assignment soon, he could end up marked "D"—for dead.

The Doolittle Family in America London : [s.n.]

For four hundred years—from the first Spanish assaults against the Arawak people of Hispaniola in the 1490s to the U.S. Army's massacre of Sioux Indians at Wounded Knee in the 1890s—the indigenous inhabitants of North and South America endured an unending firestorm of violence. During that time the native population of the Western Hemisphere declined by as many as 100 million people. Indeed, as historian David E. Stannard argues in this stunning new book, the European and white American destruction of the native peoples of the Americas was the most massive act of genocide in the history of the world. Stannard begins with a portrait of the enormous richness and diversity of life in the Americas prior to Columbus's fateful voyage in 1492. He then follows the path of genocide from the Indies to Mexico and Central and South America, then north to Florida, Virginia, and

New England, and finally out across the Great Plains and Southwest to California and the North Pacific Coast. Stannard reveals that wherever Europeans or white Americans went, the native people were caught between imported plagues and barbarous atrocities, typically resulting in the annihilation of 95 percent of their populations. What kind of people, he asks, do such horrendous things to others? His highly provocative answer: Christians. Digging deeply into ancient European and Christian attitudes toward sex, race, and war, he finds the cultural ground well prepared by the end of the Middle Ages for the centuries-long genocide campaign that Europeans and their descendants launched—and in places continue to wage—against the New World's original inhabitants. Advancing a thesis that is sure to create much controversy, Stannard contends that the perpetrators of the American Holocaust drew on the same ideological wellspring as did the later architects of the Nazi Holocaust. It is an ideology that remains dangerously alive today, he adds, and one that in recent years has surfaced in American justifications for large-scale military intervention in Southeast Asia and the Middle East. At once sweeping in scope and meticulously detailed, *American Holocaust* is a work of impassioned scholarship that is certain to ignite intense historical and moral debate.

To Kill and Kill Again True Crime

Travel around the world and inside the minds of monsters in this true crime anthology featuring sixteen astonishing serial killer exposés. Serial killers: Ted Bundy, John Wayne Gacy, and Jeffrey Dahmer are often the first names that spring to mind. Many people assume serial killers are primarily an American phenomenon that came about in the latter part of the twentieth century—but such assumptions are far from the truth. Serial killers have been around for a long time and can be found in every corner of the globe—and they're not just limited to the male gender, either. Some of these predators have been caught and brought to justice whereas others have never been found, let alone identified. Serial killers can be anywhere. And scarier still, they can be anyone. Edited by acclaimed author and anthologist Mitzi Szereto, *The Best New True Crime Stories: Serial Killers* reveals all-new accounts of true-crime serial killers from the contemporary to the historic. The international list of contributors includes award-winning crime writers, true-crime podcasters,

journalists, and experts in the dark crimes field such as Martin Edwards, Lee Mellor, Danuta Kot, Craig Pittman, Richard O. Jones, Marcie Rendon, Mike Browne, and Vicki Hendricks. This book will

leave you wondering if it's ever really possible to know who's behind the mask you're allowed to see. Perfect for readers of true crime books such as I'll Be Gone in the Dark, Mindhunter, The

Devil in the White City, or Sons of Cain. "An engrossing and multi-faceted anthology for a new era of true crime writing." —Piper Weiss, author of You All Grow Up and Leave Me
