A Spy Called James Astra Publishing House

The second volume in this distinguished series provides a comprehensive picture of the Franco-American alliance and of the day-to-day problems of conducting the War of Independence as reported by Lafayette and his correspondents on both sides of the Atlantic. Volume II begins with Lafayette's reunion with the main army at Valley Forge in the spring of 1778, after an assignment to Albany. It follows him on his return to France in January 1779, on leave from the American army, and ends in the spring of 1780, when he was sent back to America to announce the coming of the French expeditionary force and to help

formulate American plans for cooperation with the French forces. Complementing Lafayette's personal memoirs, which open the two parts of the book, are exchanges of letters with such prominent figures as George Washington, Henry Laurens, Benjamin Franklin, the Comte d'Estaing, John Paul Jones, and the Comte de Vergennes. The documents and letters written in English are published as they appear in the manuscripts; those written in French appear both in the original and in translation. Much of the basic material for this series, which will comprise six volumes, is drawn from Lafayette's own collection of manuscripts. A brilliant portrait of Lafayette in his own words, the books reveal much more complex elements in his character and outlook than have been apparent before.

Marquis de Lafayette Macmillan + ORM

NEW YORK TIMES BESTSELLER "Nathaniel Philbrick is a masterly storyteller. Here he seeks to elevate the naval battles between the French and British to a central place in the history of the American Revolution. He succeeds, marvelously."--The New York Times Book Review The thrilling story of the year that won the Revolutionary War from the New York Times bestselling author of *In the Heart of the Sea* and *Mayflower*. In the concluding volume of his acclaimed American Revolution series, Nathaniel Philbrick tells the thrilling story of the year that won the Revolutionary War. In the fall of 1780, after five frustrating years of war, George Washington had come to realize that the only way to defeat the British Empire was with the help of the French navy. But coordinating his army's movements with those of a fleet of warships based thousands of miles away was next to impossible. And then, on September 5, 1781, the impossible happened. Recognized today as one of the most important naval engagements in the history of the world, the Battle of the Chesapeake—fought without a single American ship—made the subsequent victory of the Americans at Yorktown a virtual inevitability. A riveting and wide-ranging story, full of dramatic, unexpected turns, *In the Hurricane's Eye* reveals that the fate of the American Revolution depended, in the end, on Washington and the sea.

Sophia's War UPNE

The #1 New York Times bestselling authors of *The Heart of Everything That Is* return with "a thorough, nuanced, and enthralling account" (*The Wall Street Journal*) about one of the most inspiring—and underappreciated—chapters in American history: the Continental Army's six-month transformation in

Valley Forge. In December 1777, some 12,000 members of America's Continental Army stagger into a small Pennsylvania encampment near British-occupied Philadelphia. Their commander in chief, George Washington, is at the lowest ebb of his military career. Yet, somehow, Washington, with a dedicated coterie of advisers, sets out to breathe new life into his military force. Against all odds, they manage to turn a bobtail army of citizen soldiers into a professional fighting force that will change the world forever. Valley Forge is the story of how that metamorphosis occurred. Bestselling authors Bob Drury and Tom Clavin show us how this miracle was accomplished despite thousands of American soldiers succumbing to disease, starvation, and the elements. At the center of it all is George Washington as he fends off pernicious political conspiracies. The Valley Forge winter is his—and the revolution's—last chance at redemption. And after six months in the camp, Washington fulfills his destiny, leading the Continental Army to a stunning victory in the Battle of Monmouth Court House. Valley Forge is the riveting true story of a nascent United States toppling an empire. Using new and rarely seen contemporaneous documents—and drawing on a cast of iconic characters and remarkable moments that capture the innovation and energy that led to the birth of our nation—Drury and Clavin provide a "gripping, panoramic account" (*Publishers Weekly*, starred review) of the definitive account of this seminal and previously undervalued moment in the battle for American independence.

Normal Harry N. Abrams

From the bestselling author of *The Storm Before the Storm* and host of the *Revolutions* podcast comes the thrilling story of the

Marquis de Lafayette's lifelong quest to defend the principles of liberty and equality A NEW YORK TIMES BESTSELLER A #1 ABA INDEPENDENT BOOKSTORE BESTSELLER Few in history can match the revolutionary career of the Marquis de Lafayette. Over fifty incredible years at the heart of the Age of Revolution, he fought courageously on both sides of the Atlantic. He was a soldier, statesman, idealist, philanthropist, and abolitionist. As a teenager, Lafayette ran away from France to join the American Revolution. Returning home a national hero, he helped launch the French Revolution, eventually spending five years locked in dungeon prisons. After his release, Lafayette sparred with Napoleon, joined an underground conspiracy to overthrow King Louis XVIII, and became an international symbol of liberty. Finally, as a revered elder statesman, he was instrumental in the overthrow of the Bourbon Dynasty in the Revolution of 1830. From enthusiastic youth to world-weary old age, from the pinnacle of glory to the depths of despair, Lafayette never stopped fighting for the rights of all mankind. His remarkable life is the story of where we come from, and an inspiration to defend the ideals he held dear.

The Glorious Cause Flash Point

Combining compelling narrative and grand historical sweep, *Forgotten Allies* offers a vivid account of the Oneida Indians, forgotten heroes of the American Revolution who risked their homeland, their culture, and their lives to join in a war that gave birth to a new nation at the expense of their own. Revealing for the first time the full sacrifice of the Oneidas in securing independence, *Forgotten Allies* offers poignant insights about Oneida culture and how it changed and adjusted in the wake of

nearly two centuries of contact with European-American colonists. It depicts the resolve of an Indian nation that fought alongside the revolutionaries as their valuable allies, only to be erased from America's collective historical memory. Beautifully written, *Forgotten Allies* recaptures these lost memories and makes certain that the Oneidas' incredible story is finally told in its entirety, thereby deepening and enriching our understanding of the American experience.

Lafayette in the Age of the American Revolution Abrams

A beautifully illustrated and lyrical picture-book biography of eccentric and beloved writer Praised by R.J. Palacio as "wondrous"--this moving memoir follows a teenage boy with TC syndrome and his exceptional family from diagnosis at birth to now. "This touching memoir is a must-read for anyone who wants to know more about the real-world experiences of a child with craniofacial differences and his extraordinary family. It's also more than that. It's a story about the love between a mother and a son, a child and his family, and the breadth of friends, helpers, and doctors that step in when the unexpected happens. It's a story that will make young readers reevaluate the word 'normal'--not only as it applies to others, but to themselves. Any book that can do that is pretty wondrous, as far as I'm concerned." --R.J. Palacio, author of *Wonder Normal*. Who is to say what this word means? For Magda Newman, it was a goal. She wanted her son Nathaniel to be able to play on the playground, swim at the beach, enjoy the moments his friends took for granted. But Nathaniel's severe Treacher Collins syndrome--a craniofacial condition--meant that other concerns came first. Could he eat without the aid of a gastrointestinal tube? Could he hear? Would

he ever be able to breathe effortlessly? But Nathaniel looks at "normal" from a completely different perspective. In this uplifting and humorous memoir that includes black-and-white comic illustrations, mother and son tell the story of his growing up—from facing sixty-seven surgeries before the age of fifteen, to making friends, moving across the country, and persevering through hardships. How they tackle extraordinary circumstances with love and resilience is a true testament to Magda and Nathaniel's family, and to families everywhere who quietly but courageously persist.

Valley Forge Bantam

Experience the New York Times bestselling graphic novel—now as a deluxe, oversized edition featuring 15 brand-new pages of mini-comics The Bigger & Badder editions of Nathan Hale's Hazardous Tales continues! Nathan Hale (the author's namesake) was America's first spy, a Revolutionary War hero who famously said "I only regret that I have but one life to lose for my country" before being hanged by the British. In Nathan Hale's Hazardous Tales, author Hale channels his historical doppelgänger to present history's roughest, toughest, strangest stories. This book tackles the story of Nathan Hale himself, who was an officer for the American rebels in the Revolutionary War and was eventually hanged for spying. This special edition of *One Dead Spy* features a larger trim size, a deluxe package, and 16 pages of bonus material, including research photos, sketches, and mini-comics from the author. Nathan Hale's Hazardous Tales are graphic novels that tell the thrilling, shocking, gruesome, and TRUE stories of American history. Revolutions Harry N. Abrams

In author-illustrator Nathan Hale's Donner Dinner Party, discover the shocking and true story of the ill-fated expedition in this Hazardous Tale from the New York Times bestselling graphic novel series. "These books are, quite simply, brilliant. . . . Thrilling, bloody, action-packed stories from American history." —New York Times In the spring of 1846, a group of families left Illinois and began the long journey toward a new life in California. To save time, they took an ill-advised shortcut—with disastrous consequences. Their story would not take them to California but into history. Bad weather, bad choices, and just plain bad luck forced the pioneers to spend a long, cold winter in the mountains, slowly starving. What they did to stay alive and the lengths that others went to in order to rescue them make this one of the most tragic and infamous stories of the American frontier. Nathan Hale's Hazardous Tales take young readers into American history with graphic novels that bring the dangerous, bloody, exciting history of America to life. The Revolutionary War and the Civil War, World War I and World War II, the Donner Party, the Marquis de Lafayette, Harriet Tubman, the Alamo, and more all come to life in a way that will excite young readers of history. She has a couple of big problems. First of all, she has a stepmother, Priscilla, who used to be her spinster schoolteacher aunt. Clara resents that her late mother's older sister has not only married her father but is about to have a baby. To make matters worse, "Prissy Priscilla" keeps trying to make the rambunctious, clever, and witty Clara act like a proper young lady. Secondly, Clara has red hair, making her a target for teasing by a handsome older boy, Dickson

Weeks, and by her pretty seventeen-year-old Dread Cousin Hetty. Clara, however, has a secret plan she hopes will change this. During the last week of June, 1825, Clara's town is abuzz because the famous General Lafayette is about to visit their state during his farewell tour of America. In those eventful seven days, Clara learns a lot about her family, Hetty, Dickon, herself, and about Lafayette. She comes to understand the huge and vital role the young French aristocrat played in America's Revolutionary War and to see that her problems might not be quite so terrible after all. "A winning historical tale that may appeal to young fans of the musical Hamilton." - Kirkus Reviews

Lafayette in the Somewhat United States Smithsonian Institution Gilbert du Motier became the Marquis de Lafayette at a young age, but he was not satisfied with the comforts of French nobility—he wanted adventure! A captain at eighteen and a major general by nineteen, he was eager to prove himself in battle. When he heard about the Revolution going on in America, he went overseas and fought alongside Alexander Hamilton and George Washington for America's independence. Open Road Media

In author-illustrator Nathan Hale's *Raid of No Return*, go behind the scenes of World War II's top-secret Doolittle Raid with the New York Times bestselling *Hazardous Tales* graphic novel series! "These books are, quite simply, brilliant. . . . Thrilling, bloody, action-packed stories from American history." —New York Times

Presented in the author's instantly recognizable artistic and storytelling style, this colorful, exciting book of history for kids starts with a brief explanation of the events leading up to World War II and then describes the bombing of Pearl Harbor from both the Japanese and American points of view. The American response was a super-secret counterattack organized by stunt pilot Jimmy Doolittle. Just four months after Pearl Harbor, American crews would launch sixteen B-25 bombers from the aircraft carrier USS Hornet to drop bombs on the Japanese capital Tokyo and then fly to safety in China. Everything about the mission was as dangerous as it was secret. B-25s were not designed to take off from an aircraft carrier. Japan had formidable air defenses. There was no way to plan for landing in China or returning safely to America. The Doolittle Raid, as it became known, went down in military history as one of the most creative and harrowing missions of World War II. The pilots and crews became American heroes. Donner Dinner Party (Nathan Hale's Hazardous Tales #3) Abrams In Rise to Rebellion, bestselling author Jeff Shaara captured the origins of the American Revolution as brilliantly as he depicted the Civil War in Gods and Generals and The Last Full Measure. Now he continues the amazing saga of how thirteen colonies became a nation, taking the conflict from kingdom and courtroom to the bold and bloody battlefields of war. It was never a war in which the outcome was obvious. Despite their spirit and stamina, the colonists were outmanned and outfought by the brazen British army. General George Washington found his troops trounced in the battles of Brooklyn and Manhattan and retreated toward Pennsylvania. With the future of the colonies at its lowest ebb, Washington made his most fateful decision: to cross the Delaware River and attack the enemy. The stunning victory at Trenton began a saga of victory and defeat that concluded with the British surrender at Yorktown, a moment that changed the history of the world. The despair and triumph of America's first great army is conveyed in scenes as powerful as any Shaara has

written, a story told from the points of view of some of the most memorable characters in American history. There is George Washington, the charismatic leader who held his army together to achieve an unlikely victory; Charles Cornwallis, the no-nonsense British general, more than a match for his colonial counterpart; Nathaniel Greene, who rose from obscurity to become the finest battlefield commander in Washington's army; The Marquis de Lafayette, the young Frenchman who brought a soldier's passion to America; and Benjamin Franklin, a brilliant man of science and philosophy who became the finest statesman of his day. From Nathan Hale to Benedict Arnold, William Howe to "Light Horse" Harry Lee, from Trenton and Valley Forge, Brandywine and Yorktown, the American Revolution's most immortal characters and poignant moments are brought to life in remarkable Shaara style. Yet, *The Glorious Cause* is more than just a story of the legendary six-year struggle. It is a tribute to an amazing people who turned ideas into action and fought to declare themselves free. Above all, it is a riveting novel that both expands and surpasses its beloved author's best work.

[Lafayette! \(Nathan Hale's Hazardous Tales #8\)](#) Harry N. Abrams Drawing from historical journals and letters, New York Times bestselling author Laura Elliot weaves a richly detailed tale about the extraordinary Peggy Schuyler and her revolutionary friendship with Alexander Hamilton. Perfect for fans of the smash musical sensation *Hamilton*. Peggy Schuyler has always felt like she's existed in the shadows of her beloved sisters: the fiery, intelligent Angelica and beautiful, sweet Eliza. But it's in the throes of a chaotic war that Peggy finds herself a central figure amid Loyalists and Patriots, spies and traitors, friends and family.

When a flirtatious aide-de-camp, Alexander Hamilton, writes to Peggy asking for her help in wooing the earnest Eliza, Peggy finds herself unable to deny such an impassioned plea. A fast friendship forms between the two, but Alexander is caught in the same war as her father, and the danger to all their lives is real. Everything is a battlefield—from the frontlines to their carefully coded letters—but will Peggy's bravery's and intelligence be enough to keep them all safe? Bank Street College Best Book of the Year (Historical Fiction, 2019) * 2018 Grateful American Book Prize Honorable Mention

[Lafayette! \(Nathan Hale's Hazardous Tales #8\)](#) Hachette UK Told for the first time in picture book form is the true story of James Lafayette—an enslaved person who spied for George Washington's army during the American Revolution. After his resounding defeat at the battle of Yorktown, British general Charles Cornwallis made a point of touring the American camp, looking for the reason behind his loss. What he didn't expect to see was James, an escaped enslaved person who had served as a guide to the British army. Or at least that's what Cornwallis was led to believe. In fact, James wasn't actually a runaway—he was a spy for the American army. But while America celebrated its newfound freedom, James returned to slavery in Virginia. His service as a spy hadn't qualified him for the release he'd been hoping for. For James the fight wasn't over; his next adversary was the Virginia General Assembly. He'd already helped his country gain its freedom, now it was time to win his own.

Revolutionary Friends Carson-Dellosa Publishing

Between 1775 and 1783, some 200,000 Americans took up arms against the British Crown. Just over 6,800 of those men died in battle. About 25,000 became prisoners of war, most of them confined in New York City under conditions so atrocious that they perished by the thousands. Evidence suggests that at least 17,500 Americans may have died in these prisons -- more than twice the number to die on the battlefield. It was in New York, not Boston or Philadelphia, where most Americans gave their lives for the cause of independence. New York City became the jailhouse of the American Revolution because it was the principal base of

the Crown's military operations. Beginning with the bumper crop of American captives taken during the 1776 invasion of New York, captured Americans were stuffed into a hastily assembled collection of public buildings, sugar houses, and prison ships. The prisoners were shockingly overcrowded and chronically underfed -- those who escaped alive told of comrades so hungry they ate their own clothes and shoes. Despite the extraordinary number of lives lost, *Forgotten Patriots* is the first-ever account of what took place in these hell-holes. The result is a unique perspective on the Revolutionary War as well as a sobering commentary on how Americans have remembered our struggle for independence -- and how much we have forgotten.
