Moving to America turns H&A's life inside out. For all the 10 years of her life, H&A has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&A and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&A discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

"Hello! We're Tiffany and Hannah, the mom and daughter behind Daisy Farm Crafts, and this book is a quick reference guide for our favorite crochet stitches! Since we are often designing baby blankets, we really wanted to create a simple book where we could easily access pictures and instructions of our favorite stitches, and we thought you might enjoy one, too! We did our best to explain these stitches in a way we hope makes sense, but if you do find yourself needing some more visual help, you can find videos for all the stitches in this book on the Daisy Farm Crafts YouTube Channel. All the stitch instructions in this book are also available for free on daisyfarmcrafts.com."

Illus. in full color. This story of how the Rainbow Crow lost his sweet voice and brilliant colors by bringing the gift of fire to the other woodland animals is "a Native American legend that will be a fine read-aloud because of the smooth text and songs with repetitive chants. The illustrations, done in a primitive style, create a true sense of the Pennsylvania Lenape Indians and their winters."--School Library Journal.
