Uniforms of the Union Volunteers Of 1861 Uniforms of the Civil WarText and illustrations describe the uniforms of every branch of both armies.Uniforms of the Civil War Text and illustrations describe the uniforms of every branch of both armies.

American Civil War Union Army Fonthill Media
 Specially commissioned photographs of more than 700 key artifacts and military equipment bring to life the experiences of Union and Confederate soldiers of all ranks, by exploring the uniforms, weapons, and objects carried by soldiers on both sides. There is an abiding fascination with the Civil War. What personal items did soldiers carry in their haversacks? How did the weaponry differ between ranks? What did the design of each unit's flag symbolize? This is the ultimate quartermaster's locker room—a full-scale armory of detailed information. This is an essential work for those who wish to gain an in-depth understanding of military life during one of the greatest conflicts in history—especially anyone interested in the widely popular Civil War reenactments. This book offers unique and detailed information about the personal items that a typical soldier carried along with weapons and other military necessities. Selected for their importance to the outcome, the artifacts include Union and Confederate guns, swords, artillery, uniforms, medals, equipment, and much more. Each item is described, photographed, and discussed in detail, making this a superb reference that brings the war to life.

 Full-color illustrations and corresponding entries provide visual and descriptive surveys of the variety of uniforms worn by Union and Confederate units

Uniforms of the Civil War Stackpole Books
 Military uniforms, badges, flags, and other material objects have been used to represent the identity of Americans throughout history. In *The Fabric of Civil War Society*, Shae Smith Cox examines the material culture of America's bloodiest conflict, offering a deeper understanding of the war and its commemoration. Cox's analysis traces the influence of sewn materials throughout the Civil War and Reconstruction as markers of power and authority for both the Union and the Confederacy. These textiles became cherished objects by the turn of the

century, a transition seen in veterans replacing wartime uniforms with new commemorative attire and repatriating Confederate battle flags. Looking specifically at the creation of material culture by various commemoration groups, including the Grand Army of the Republic, the Woman's Relief Corps, the United Confederate Veterans, and the United Daughters of the Confederacy, Cox reveals the ways that American society largely accepted their messages, furthering the mission of their memory work. Through the lens of material culture, Cox sheds new light on a variety of Civil War topics, including preparation for war, nuances in relationships between Native American and African American soldiers, the roles of women, and the rise of postwar memorial societies.

Combat Uniforms of the Civil War Courier Corporation
 Describes the military uniforms worn by individual units of Federal and Confederate armies during the Civil War as well as the battlefield activities of these units.

Uniforms of the Civil War, 1861-1865 in Color Macmillan Publishing Company

Shattering the myth that the Civil War was fought between soldiers in blue or in gray, this history details the many colors and styles worn by members of the Federal and Confederate armies. 108 illustrations.

Rally Round the Flag--Uniforms of the Union Volunteers Of 1861 Capstone

This volume is aimed at anyone with an interest in the English Civil War of 1642-1660. It is a thorough analysis of both Royalist and Parliamentarian armies, with chapters detailing the development of their uniforms, weapons and equipment, from the first hastily raised units at Edgehill to the professional armies of Naseby and Dunbar.

Civil War Uniforms Powerkids Press

The first volume in the *Officers and Soldiers* series offers a general survey of the uniforms (both regulation and non-regulation) of the officers and soldiers of the American Civil War. The incredible diversity of the uniforms worn by both sides is accurately depicted by the authors thanks to the very latest computer design technology.

Civil War Gentlemen Schiffer Military History

Looks at the various army uniforms of each state during the Civil War.

The Fabric of Civil War Society Borgo Press

This long-awaited book fills a gap in knowledge of the uniform clothing, headgear, equipage, and weapons of the United States Navy during the Civil War period. Based on original accounts from official documents, newspapers, diaries, letters, and other primary sources, the well-written text is accompanied by a wealth of period images of navy personnel, many of which are identified and published for the first time. Numerous photographs of

surviving articles of clothing and artefacts throw further light on life in a blockading fleet or on the High Seas from 1852 through 1865. With great clarity the author explains the various changes to officers uniforms and for the first time provides a detailed analysis of the clothing worn by ratings and enlisted men. A much needed book in a long overlooked subject, *Bluejackets* is an essential reference work for collectors, living historians, modellers, and curators, as well as anyone with a general interest in the Civil War at sea.

Potomac Books

This volume examines what the citizen soldiery of the New England States wore when they marched off to save the Union in 1861. An exhaustive search of thousands of newspapers yielded a myriad of reports and personal accounts from soldiers' letters, which together offer a hitherto unpublished view of the stirring events during the first few months of the Civil War. Combined with fascinating detail from numerous diaries and regimental histories, the author is able to describe the appearance of the Union volunteers of Massachusetts, Rhode Island, New Hampshire, Connecticut, Vermont, and Maine. The narrative is enhanced by photographs of original uniform items from private collections, plus imagery of the day showing the great variety of clothing and headgear worn. Accepted by *The Company of Military Historians*, this is an essential reference for collectors, living historians, modelers, and curators, as well as anyone with a general interest in the Civil War.

Blacks in Gray Uniforms Chelsea House Pub

This ground-breaking book takes an insightful and close "New Look" at one of the most fascinating subjects of the Civil War--the long-overlooked battlefield contributions of the most forgotten fighting men of the Civil War, Black Confederates. With the release of the popular 1989 film *Glory*, the American public first learned about the heroism of the black troops of the 54th Massachusetts Volunteer Infantry and their courageous assault on Fort Wagner, South Carolina, in July 1863. But what the American public failed to learn in viewing this popular film was the equally compelling saga of Black Confederates, including at least one defender, a free black soldier of the 1st South Carolina Artillery who defended Fort Wagner in July 1863. Significantly, large

numbers of Black Confederates, slave and free, had already been fighting on battlefields across the South for more than two years before the famous assault of the 54th Massachusetts on Fort Wagner, including the war's first major battle at Bull Run. Although the vast majority of blacks served the Confederacy in menial and support roles, Black Confederates, free and slave, fought from 1861 to 1865 in regiments (infantry, cavalry, and artillery) that represented every Southern state.

[An Illustrated Encyclopedia of Military Uniforms of the 19th Century](#) Courier Corporation

In the world of historical painting, Don Troiani stands alone, universally acclaimed for the accuracy, drama, and sensitivity of his depictions of America's past. His Civil War paintings and

limited edition prints hang in the finest collections in the country and are noted by collectors from around the world. Now, in "Don Troiani's Regiments and Uniforms of the Civil War", the artist turns his brush to one of the most colourful and captivating aspects of Civil War history: the individual units that earned their reputations on the battlefield and the distinctive uniforms they wore. In addition to 130 paintings of battle scenes and individual figures, the book also includes more than 250 full-colour photographs of the uniforms the soldiers wore and the accoutrements they carried. Supporting the illustrations is text by two of the leading military artefact experts. Taken together, it makes for one of the most comprehensive books on Civil War uniforms ever undertaken.
