**An Inspector Calls** Theology of Work Bible Comment

The members of an eminently respectable British family reveal their true natures over the course of an evening in which they are subjected to a routine inquiry into the suicide of a young girl.

*Not by Sight* InterVarsity Press

"This enormously useful volume presents a 'world' of information and theoretical perspectives that have become indispensable for contextual exegesis of Luke-Acts. The authors of this fascinating and well-planned book are seasoned and trustworthy guides into the world inhabited by Luke and his first readers. These

provocative articles provide the commentary reader of Luke-Acts with mighty tools for creating first-century scenarios that reveal significantly new dimensions of Luke's cutting edges." " S. Scott Bartchy, associate professor of Early Christian History, U.C.L.A. "This is clearly the best collection of articles available from the New Testament scholars employing methods of interpretation from cultural anthropology. The writers introduce a wide range of innovative models to unravel the culture of the Biblical world. They offer the first comprehensive analysis of a single New Testament text from the perspective of the social sciences. This highly readable volume will be essential for anyone eager to experience the flood of insights coming from recent social study of the New Testament." " David Rhoads, Lutheran School of Theology at Chicago

Methodology - Analysis of four parables - Exegesis of Luke.

**The Hidden Parables** Thomas Nelson

Wouldn't it be wonderful to be trained as a disciple by Jesus himself? To be one of that band of Twelve and then Seventy who followed him around Galilee and Judea. As they walked with Jesus, he molded them as disciples. Disciple Lessons in Luke's Gospel is a conscious attempt to put you and me in the place of those first disciples. It's a JesusWalk. Over 120 lessons, you'll look at each of Jesus' healing acts, each word, each confrontation, each parable, and ask the question: What should I as a disciple be learning from this? Written over a period of three years and experienced by over 5,000 students from 123 countries, Disciple Lessons in Luke's Gospel is being used by God to mold many in Christ's image. Now slightly revised and available in audio form and via e-mail, this series can help form you as a disciple. Preachers will be glad for the careful exegesis of each passage, footnoted research, and deep digging that results in present-day applications. Teachers will use the deep, probing questions at the end of each lesson. But the one who will benefit most is you, the earnest disciple, who wants to learn genuine discipleship at the feet of the Master. Third Edition.

Theology of Work Bible Commentary Baker Books

David Buttrick provides an introduction to the parables with a discussion of particular homiletical issues preachers face in interpreting parables. Speaking Parables includes commentary on thirty-three different parables with suggestions for preaching each one.

**Bible Knowledge Commentary** HarperChristian + ORM

The issue of idolatry has been with the human race for thousands of years; the subtle temptation is always to take what is good and turn it into the ultimate good, elevating it above all other things in the search for security and meaning. In this timely and challenging book, New York pastor Timothy Keller looks at the issue of idolatry throughout the Bible -- from the worship of actual idols in the Old Testament, to the idolatry of money by the rich young ruler when he was challenged by Jesus to give up all his wealth. Using classic stories from the Bible Keller cuts through our dependence on the glittering false idols of money, sex and power to uncover the path towards trust in the real ultimate -- God. Today's idols may look different from those of the Old Testament, but Keller argues that they are no less damaging. Culturally transforming as well as biblically based, COUNTERFEIT GODS is a powerful look at the temptation to worship what can only disappoint, and is a vital message in today's current climate of financial and social difficulty.

Luke (Understanding the Bible Commentary Series) BRILL

The parable of the unjust steward in Luke 16:1-13 is a unity which teaches faithful stewardship of material possession against an eschatological backdrop. This interpretation is confirmed by examination of the pericope itself and progressively wider levels of context within Luke's Gospel. Chapter one provides a history of recent interpretations of the parable (nineteenth and twentieth centuries) as background for the ensuing study. Detailed exegesis of Luke 16:1-13 itself is found in chapter two. The investigation is broadened in chapter three to include the immediate and broader literary contexts (Luke 15-16 and 9:51-19:44, respectively). Chapter four examines the theological

context, in particular the themes of riches and poverty and the kingdom of God. Chapter five summarizes the major conclusions of the book. The book is a thorough summary of the literature on the parable, the central section, and the themes of riches and poverty and eschatology in the third Gospel.

#### The Parables of Grace Baker Books

"Some sections of the Bible give us grand theology. Some move us to grateful responses to God. But the parables break through mere words and make us ask whether there has indeed been any real difference in our lives." In this beloved classic, James Boice takes us systematically through the parables of Jesus, grouping them into five categories: parables of the kingdom, salvation, wisdom and folly, the Christian life, and judgment. In each section Boice brings Jesus' words to bear on life today. Through his careful study and clear explanation of each parable—born from a sermon series he preached at the Tenth Presbyterian Church in Philadelphia, where he pastored for 32 years—he helps us understand just what Jesus meant, and how our hearts and lives ought to respond. Jesus' parables are memorable for a reason. Discover their power for yourself.

#### Metaphysical Bible Dictionary Moody Publishers

If you're looking for a new Lenten experience, here are forty fresh ideas. Some will challenge you to deepen your prayer life; others will open your mind to new ways to serve others. Each of the forty ways includes a reflection to help you understand more about Lent and why it matters. You'll learn how to have a more creative experience of Lent. You'll discover positive, proactive ways to take action instead of the same old routine of giving something up. The result will be spiritual transformation and a

closer walk with Christ—not only during Lent but throughout the year.

#### *40 Days, 40 Ways* Baker Academic

Learn to live the message of the Good Samaritan and make a global impact, using the resources already at your disposal. If there were a popularity contest among all the parables of Jesus, the Good Samaritan would probably win. Nobody is against the Good Samaritan because being against the Good Samaritan is like being against Mother Theresa or Oskar Schindler or the firefighters who ran into the World Trade Center. In that same popularity contest, the Shrewd Manager would probably finish last. The Shrewd Manager is lazy, deceitful, and double-crossing. Yet in this alluringly freakish parable, Jesus actually holds up the Shrewd Manager as an example, as he does with the Good Samaritan. This book is about learning to live the message of the Good Samaritan in the context of the globalized world of the twenty-first century. This means learning to love our global neighbor wisely by harnessing the resources at our disposal—our time, talents, opportunities, and money—on behalf of those who are victims of injustice, disease, violence, and poverty. The early disciples were pretty clueless about worldly resources such as time, talent, and money—and unfortunately today we still don't really get it. There are too many kind, well-intentioned twenty-first-century people with indisputably good intentions but whose impact on the needy is hampered by their inability to diagnose problems properly, harness the resources available to them to solve the right problems, and understand cause-and-effect relationships. Shrewd Samaritan will help develop a framework to better love and care for our neighbors in an age of globalization,

when the people in our neighborhoods, or at least those in our potential sphere of influence, has expanded dramatically. Increasingly it will become our global neighbor who takes us out of our comfort zone and challenges us with the needs of a broken world.

**Discipleship Training in Luke's Gospel** Canterbury Press  
Craig Blomberg surveys the contemporary critical approaches to the parables—including those that have emerged in the twenty years since the first edition. This widely used text has taken a minority perspective and made it mainstream, with Blomberg ably defending a limited allegorical approach and offering brief interpretations of all the major parables.

*The Parables of Jesus* Fortress Press

By anchoring your understanding of productivity in God's plan, *What's Best Next* gives you a practical approach for increasing your effectiveness in everything you do. There are a lot of myths about productivity—what it means to get things done and how to accomplish work that really matters. In our current era of innovation and information overload, it may feel harder than ever to understand the meaning of work or to have a sense of vocation or calling. So how do you get more of the right things done without confusing mere activity for actual productivity? Matt Perman has spent his career helping people learn how to do work in a gospel-centered and effective way. *What's Best Next* explains his approach to unlocking productivity and fulfillment in work by showing how faith relates to work, even in our everyday grind. *What's Best Next* is packed with biblical and theological insight and practical counsel that you can put into practice today, such as: How to create a mission statement for your life that's

actually practicable. How to delegate to people in a way that really empowers them. How to overcome time killers like procrastination, interruptions, and multitasking by turning them around and making them work for you. How to process workflow efficiently and get your email inbox to zero every day. How to have peace of mind without needing to have everything under control. How generosity is actually the key to unlocking productivity. This expanded edition includes: a new chapter on productivity in a fallen world a new appendix on being more productive with work that requires creative thinking. Productivity isn't just about getting more things done. It's about getting the right things done—the things that count, make a difference, and move the world forward. You can learn how to do work that matters and how to do it well.

*Things Not Seen* Tyndale House Publishers, Inc.

The secret and empowering messages contained within Christ's thirty parables—an astonishing and practical blueprint for the life you are destined for. In *The Hidden Parables*, Dr. Todd Michael unveils a hidden layer of meaning within the thirty enigmatic parables spoken by Christ that shows that the parables are not a random collection of stories but a unified system of knowledge. This integrated system of knowledge describes how to use the spiritual law of thought forms—of controlled intentions—to create more beneficial, more miraculous circumstances in our personal lives. The information it presents is clear and very useful. Moreover, this system bears an uncanny symmetry with many of today's leading-edge ideas from quantum physics. In *The Hidden Parables*, the parables are meticulously retranslated, retaining the expressiveness of the original Greek and giving the reader a

literal understanding of the words of Jesus. Those aspects of Christ's words that are sometimes considered confounding are freshly revealed for their penetrating insights into human existence and for the hands-on methodology they provide for a greater self-understanding and for leading a more fulfilling life.

The Christogenea New Testament Franciscan Media

William Herzog shows that the focus of the parables was not on a vision of the glory of the reign of God but on the gory details of the way oppression served the interests of the ruling class. The parables were a form of social analysis, as well as a form of theological reflection. Herzog scrutinizes their canonical form to show the distinction between its purpose for Jesus and for evangelists. To do this, he uses the tools of historical criticism, including form criticism and redaction criticism.

*Fascinating Bible Studies on Every Parable* Zondervan

A key to Charles Fillmore's original form of religious expression, this volume is a core text of the Unity movement and interprets the hidden meanings of the Bible's names, places, and events.

*Stewardship and the Kingdom of God* Commentary on Luke

Cuneiform records made some three thousand years ago are the basis for this essay on the ideas of death and the afterlife and the story of the flood which were current among the ancient peoples of the Tigris-Euphrates Valley. Following up on his previous volume, *The Babylonian Genesis*, the author interprets the famous Gilgamesh epic and other related Babylonian and Assyrian documents. He compares them with corresponding portions of the Old Testament in order to determine the inherent historical relationship of Hebrew and Mesopotamian ideas.

*The Outline Bible* David C Cook

"The Outline Bible is a tool for making the content of the Bible easy and enjoyable to learn--and remember! This handy resource organizes every single verse of the Bible into an easy-to-remember outline format. Each of the major levels of the outlines uses a literary device--such as alliteration, rhyme, etc.--to help the point stick in your mind and heart, and the unique formatting for each level helps you easily recognize it on the page." --

Introduction

*Counterfeit Gods* Penguin

A guide to preaching the parables that shows how to first interpret the parables, then proclaim their significance.

*Oxford English Dictionary* Wm. B. Eerdmans Publishing

This book is a study of the parables unique to the Third Gospel, aiming in particular to establish a link between Luke's choice of these parables and his overall purpose in writing. In comparison to the synoptic kingdom parables, one distinguishing feature of the Lukan parables is their more personal portrait of the character and the nature of God himself. Luke's desire is to demonstrate to his readers, whoever they are, that in Christianity the realization of the Jewish hope has occurred. The parables promote this idea by offering both continuity (OT) and contrast (contemporary Judaism) in their portrait of God. Thus, as well as operating in a parenetic sense, the parables also help to legitimize Luke's argument regarding fulfillment.

*Social-Science Commentary on the Synoptic Gospels* Oxford University Press

Wherever you work, in whatever capacity, the Scriptures have something to say about it. Theology of work Bible commentary is an in-depth Bible study tool put together by a group of biblical

scholars, pastors, and workplace Christians to help you discover what the New Testament says about work. --Provided by publisher.
