The #1 New York Times bestselling author of the Vampire Academy and Bloodline series returns with the second installment in her acclaimed Age of X series. Religious investigator Justin March and Mae Koskinen—the beautiful supersoldier assigned to protect him—have been charged with investigating reports of the supernatural and the return of the gods, both inside the Republic of United North America and out. With this highly classified knowledge comes a shocking revelation: Not only are the gods vying for human control, but the elect—special humans marked by the divine—are turning against one another in bloody fashion. Their mission takes a new twist when they are assigned to a diplomatic delegation headed by Lucian Darling, Justin’s old friend and rival, going into Arcadia, the RUNA’s dangerous neighboring country. Here, in a society where women are commodities and religion is intertwined with government, Justin discovers powerful forces at work, even as he struggles to come to terms with his own reluctantly acquired deity. Meanwhile, Mae—grudgingly posing as Justin’s concubine—has a secret mission of her own: finding the illegitimate niece her family smuggled away years ago. But with Justin and Mae resisting the resurgence of the gods in Arcadia, a reporter’s connection with someone close to Justin back home threatens to expose their mission—and with it the divine forces the government is determined to keep secret.

A spirit hunter is the target of deadly danger and Otherworldly lust in a paranormal thriller by the New York Times bestselling author of Vampire Academy. Eugenie Markham is a powerful shaman who does a brisk trade banishing spirits and fey who cross into the mortal world. Call her a mercenary if you want, but it's just business to her. Until now. She finds them in Dorian, a seductive fairy king with a taste for bondage, and Kiyo, a gorgeous shape-shifter who redefines animal attraction. But with enemies growing bolder and time running out, the greatest danger is yet to come, and it lies in the dark powers that are stirring to life within Eugenie herself. The Beaumont Series (Books 1-3) HarperCollins Australia

A succubus must balance a burgeoning romance as she fights to save a co-worker's soul in this urban fantasy from a #1 New York Times–bestselling author. Love hurts, and no one knows it better than Georgina Kincaid. If she so much as kisses Seth Mortensen, the shy, sexy writer she's been dating, she'll drain his life force. Admittedly, the shapeshifting and immortality perks of a succubus are terrific, but it's completely unfair that a she-demon whose purpose is seduction can't get down with the one mortal who accepts her for who she is... It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects something far more demonic than double espressos. She could use an assist from Bastien, an irresistibly charming incubus and her best immortal friend, but he's giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one—and fast, because

soon, Doug's life won't be the only one on the line... And now young girls are disappearing from the Otherworld, and no one--except Eugenie--seems willing to find out why. Eugenie has spilled plenty of fey blood in her time, but this enemy is shrewd, subtle, and nursing a very personal grudge. And the men in her life aren't making things any easier.
