A book to challenge the status quo, spark a debate, and get people talking about the issues and questions we face as a country!

MADAME BOVARY University of Pittsburgh Press

NEW YORK TIMES BESTSELLER "Explosive... A blistering tell-all."--Washington Post "People should sit up, take notes and change things."--Ace Smith, Los Angeles Times "Brazile most certainly has a story to tell.... Vivid."--The Guardian From Donna Brazile, former DNC chair and legendary political operative, an explosive and revealing new look at the 2016 election: the first insider account of the Russian hacking of the DNC and the missteps by the Clinton campaign and Obama administration that enabled a Trump victory. In the fallout of the Russian hacking of the Democratic National Committee--and as chaos threatened to consume the party's convention--Democrats turned to a familiar figure to right the ship: Donna Brazile. Known to millions from her frequent TV

appearances, she was no stranger to high stakes and dirty opponents, and the longtime Democratic strategist had a reputation in Washington as a one-stop shop for fixing sticky problems. What Brazile found at the DNC was unlike anything she had experienced before--and much worse than is commonly known. The party was beset by infighting, scandal, and hubris, while reeling from a brazen and wholly unprecedented attempt by a foreign power to influence the presidential election. Plus, its candidate, Hillary Clinton, faced an opponent who broke every rule in the political playbook. Packed with never-before-reported revelations about what went down in 2016, *Hacks* is equal parts campaign thriller, memoir, and roadmap for the future. With Democrats now in the wilderness after this historic defeat, *Hacks* argues that staying silent about what went wrong helps no one. Only by laying bare the missteps, miscalculations, and crimes of 2016, Brazile contends, will Americans be able to salvage their democracy.

So Here's the Thing . . . Twelve

Former Congresswoman Katie Hill shares her experience with misogyny and double standards in politics to help women topple the longstanding power structures that prevent them from achieving equality. Powerful women who dare to make mistakes still face swifter and more brutal

consequences than men, as the events that precipitated Congressional representative Katie Hill's resignation, in which she was the victim of revenge porn, clearly demonstrate. But Katie Hill does not want women to be discouraged from taking positions of power -- in fact, the rampant misogyny we see is all the more reason for women to lead, to work to change the systems that have kept old, wealthy, white men in power for far too long. In this book, to be published on the 100th anniversary of the ratification of the 19th amendment (which gave women the right to vote), Katie Hill looks back on the progress we've made and outlines her battle plan for our future. She details how we can overcome the obstacles holding women back from achieving equal representation in positions of power to create the change we want for the next century. What challenges do women face in the modern era, and what battles will we need to fight in the years to come? Katie Hill is ready to equip readers for the front lines of leadership in all arenas, to guide women in becoming the warriors we need to shape this country for the better.

The Revolution Hachette UK

From the former Communications Director for the White House and current political media strategist comes a suspenseful and smart commercial novel about the first female president and

all dramas and deceptions she faces both in politics and in love. Eighteen Acres, a description used by political insiders when referring to the White House complex, follows the first female President of the United States, Charlotte Kramer, and her staff as they take on dangerous threats from abroad and within her very own cabinet. Charlotte Kramer, the 45th US President, Melanie Kingston, the White House chief of staff, and Dale Smith, a White House correspondent for one of the networks are all working tirelessly on Charlotte's campaign for re-election. At the very moment when they should have been securing success, though, Kramer's White House implodes under rumors of her husband's infidelity and grave errors of judgment on the part of her closest national security advisor. In an upheaval that threatens not only the presidency, but the safety of the American people, Charlotte must fight to regain her footing and protect the the country she has given her life to serving. Eighteen Acres combines political and family drama into one un-put-downable novel. It is a smart, juicy and fast-paced read that we're sure fans of commercial women's fiction will fall in total love with.

From the Fitzgerald Kennedy Private Collection, 1878-1946 Simon and Schuster

In 2016 the Democratic Party lost control of every branch of government. Countless explanations and excuses have been offered, but in this heartfelt, evocative book longtime Democratic activist Thomas B. Reston illuminates the true cause: the Party has lost its soul. In Reston's view the Party has abandoned any unifying idealistic message. Instead of crafting policies and platforms that appeal to the nation as a whole, Democrats target specific blocs of voters –and change their talking points accordingly. This divisive approach will not end well for Democrats, or the country as a whole. If they want to remain competitive on the national stage, Reston argues, Democrats need a coherent, blunt set of American ideals. The good news is, they already have one. In *Soul of a Democrat*, Reston takes us on a journey through the history of the Party with thumbnail portraits of its most important figures, illuminating the core ideals and principles they fought for. Thomas Jefferson founded the Democratic Party to lift up the people as a whole by empowering each individual citizen. Andrew Jackson committed the party to always fight for outsiders. Woodrow Wilson insisted on a progressive respect for ideas. William Jennings Bryan introduced the altruistic Social Gospel. Franklin D. Roosevelt promised economic security for all. Lyndon B. Johnson championed the ongoing struggle for civil rights. These Democratic statesmen knew that a successful party needs strong idealistic roots, an understandable message, and an emphatic focus on the purpose of what it is doing, instead of on the mechanics. Reston's concise and elegant book shows modern Democrats how to learn from their own past, and once again become *The Party of The People*.

The Secret Presidency of Edith Wilson Grand Central Publishing

Grief is so devastating that it is paralyzing. How do you deal with life-altering losses? How can you pick yourself up from a cascade of tragic events? How can you maintain your will to live--let alone your sanity? Readers will discover... Simple, practical steps to move forward from the shock and pain of traumatic loss Knowledge and techniques to create joyful, well-lived, fulfilling lives The importance of learning to let go Aspects of non-traditional wellness therapies that allow us to connect with Source and develop resiliency How to merge spirituality with the grieving process Praise for *Grief Healed*: "Grief Healed is a self-help book of the highest order! What is unique about Dr. Sona Bhatnagar's story is her practical processes that can support anyone going through major trauma." --Mrs. Kathy and Dr. Issam Nemeh, M.D., Anesthesiologist, General Surgeon, International Spiritual Healer. "Dr. Sona guides people in the often unpredictable terrains of life where no roadmap really works. This book is a true friend to uplift the morale of mankind." --Mohanji, Himalayan Spiritual Master, World-renowned Humanitarian. "Dr. Bhatnagar uses her 30 years of medical training and her education as a Grief Recovery Specialist to guide the reader into renewal and personal growth after great loss." --Dr. Jeff Rediger, M.D., Harvard Medical School Faculty, Author of *Cured: The Life-Changing Science of Spontaneous Healing*. "Grief Healed is such an accessible and enlightening read written with a crispness and fluidity that is lacking in most grief/self-help books. This book has legs and is for anyone coping with loss of any type." --Justin M. Yopp, PhD, Clinical Psychologist and Associate Professor of Psychiatry at the University of North Carolina at Chapel Hill, Author of *The Group: Seven Widowed Fathers Reimagine Life*. "Grief Healed takes a topic that is universally traumatic and demonstrates a path of spirituality and healing." --Kathilyn Solomon, EFT Practitioner & Mentor, Author of *Tapping Into Wellness: Using EFT To Clear Emotional and Physical Pain and Illness*. "What an absolute treasure to help uncover the secrets of grief and learning to heal and love after loss." --Mesina Sanders, world-famous Psychic. "In so many ways this manuscript is peering into my soul. Thank you so much for sharing this with me. It

is allowing me to let go, finally!" --Roshan K Mathew, MD, Vanderbilt University School of Medicine. "Dr. Sona Bhatnagar uses her life lessons as a vehicle to open the door to many people who may be sitting in their own infinite loops of sorrow, hurt & grief, thus breaking the cycle that keeps people trapped in despair and inaction. She is a blessing." --Asavri Gupte, Author of *Little Pilot Logbook* and creator of the *Baby Nebula* books. "Congratulations on teaching all these life lessons and so many more in such a meaningful, personable, and relatable way. Bravo, Sona!" --Amy Coleman, M.D. Founder and CEO of Wellsmart Medical Services. Author of *Discovering Your Own Doctor Within*. "Sona Bhatnagar is a gifted writer and an inspiring storyteller. *Grief Healed* is a compelling testament to the power of faith and the tenacity of the human spirit." --Gary Jansen, Author of *MicroShifts: Transforming Your Life One Step at a Time*.

Becoming a Warrior in the Battle for True Equality Twelve

Ripples of Hope is a middle-grade nonfiction project about the United States' election process. You may not have a vote yet, but you do have a voice! In November 2020, one of the most pivotal elections in United States history will take place. The American people will choose our next president—and you have the power to play a major role in that choice. Now more than ever, young people around the world are standing up and speaking out. As President Barack Obama's campaign manager, David Plouffe saw firsthand that nothing is more powerful than young people believing deeply in something. With an expert's overview of the presidential election process and concrete ways to get involved, *Ripples of Hope* is a book for this generation—impassioned, creative, and ready to make a difference.

Soul of a Democrat Penguin

INSTANT NEW YORK TIMES BESTSELLER "[The] rare biography of a public figure that's not only beautifully written, but also shockingly revelatory." -- *The Atlantic* A vivid biography of former First Lady Barbara Bush, one of the most influential and under-appreciated women in American political history. Barbara Pierce Bush was one of the country's most popular and powerful figures, yet her full story has never been told. *THE MATRIARCH* tells the riveting tale of a woman who helped define two American presidencies and an entire political era. Written by USA TODAY's Washington Bureau chief Susan Page, this biography is informed by more than one hundred interviews with Bush friends and family members, hours of conversation with Mrs. Bush herself in the final six months of her life, and access to her diaries that spanned decades. *THE MATRIARCH* examines not only her public persona but also less well-known aspects of her remarkable life. As a girl in Rye, New York, Barbara Bush weathered criticism of her weight from her mother, barbs that left lifelong scars. As a young wife, she coped with the death of her three-year-old daughter from leukemia, a loss that changed her forever. In middle age, she grappled with depression so serious that she contemplated suicide. And as first the wife and then the mother of American presidents, she made history as the only woman to see -- and advise -- both her husband and son in the Oval Office. As with many women of her era, Barbara Bush was routinely underestimated, her contributions often neither recognized nor acknowledged. But she became an astute and trusted political campaign strategist and a beloved First Lady. She invested herself deeply in expanding literacy programs in America, played a critical role in the end of the Cold War, and led the way in demonstrating love and compassion to those with HIV/AIDS. With her cooperation, this book offers Barbara Bush's last words for history -- on the evolution of her party, on the role of women, on Donald Trump, and on her family's legacy. Barbara Bush's accomplishments, struggles, and contributions are many. Now, Susan Page explores them all in *THE MATRIARCH*, a groundbreaking book certain to cement Barbara Bush as one of the most unique and influential women in American history.

A Novel Twelve

"Over the last few years we've seen a remarkable surge of women running for office, and even better, winning. Running takes courage, passion, and commitment, but it also takes books like this. June and Kate have created a wonderful resource for women as they think about taking the leap."—Hillary Rodham Clinton Turn "can I do this?" into "yes, I can!" Join the growing wave of women leaders with *Represent*, an energetic, interactive, and inspiring step-by-step guide showing how to run for the approximately 500,000 elected offices in the US. Written with humor and honesty by writer, comedian, actress, and activist June Diane Raphael and Kate Black, former chief of staff at EMILY's list, *Represent* is structured around a 21-point document called "I'm Running for Office: The Checklist." Doubling as a workbook, *Represent* covers it all, from the nuts and bolts of where to run, fundraising, and filing deadlines, to issues like balancing family and campaigning, managing social media and how running for office can work in your real life. With infographics, profiles of women politicians, and wisdom and advice from women in office, this is a must-own for

any woman thinking of joining the pink wave.

Lessons in Leadership for Women Changing the World Indiana University Press

*Fifth Edition*Devlyn Marlowe, the first woman President of the United States, has just been elected. Breaking with the tradition of hiring a political writer to chronicle her administration, President Marlowe selects one Lauren Strayer, a professional biographer with a reputation for absolute honesty. There's a slight problem with Devlyn's plan, though. Lauren wants nothing to do with what she sees as a political hack job.It takes some serious persuading, but the Commander-in-chief is an eloquent negotiator, and Lauren reluctantly agrees to take the job, provided she truly has editorial freedom. So, armed with her computer, her incredibly ugly Pug and fair bit of trepidation, Lauren finds herself in residence at 1600 Pennsylvania Avenue.There, amidst the harrowing and demanding life of the First Family, Lauren begins to understand and eventually love the complex woman who is both leader of a great nation and loving single parent to three rambunctious children.

A Novel Twelve

This memoir shines a light on the epidemic of physician burnout, depression and suicide, offering the author's journey of practicing medicine without losing heart and showing her medical students and residents how to do the same. As a doctor, mother and immigrant, Dr. Mukta Panda models how to thrive by creating community and self-awareness.

She Proclaims Grand Central Publishing

"Hilarious, suspenseful, and whip smart." —Cynthia D'Aprix Sweeney Meet the Harrisons! A mother running for Senate, a son running from his problems, and a daughter running straight into trouble... From Grant Ginder, the author of *The People We Hate at the Wedding*, comes a poignant, funny, and slyly beguiling novel which proves that, like democracy, family is a messy and fragile thing —perfect for fans of Veep's biting humor, the family drama of *Succession*, and the joys of Kevin Wilson's *Nothing to See Here*. Nancy Harrison is running for Senate, and she's going to win, goddamnit. Not that that's her slogan, although it could be. She's said all the right things. Passed all the right legislation. Chapped her lips kissing babies. There's just one problem: her grown children. Greta and Nick Harrison are adrift. Nick is floundering in his attempts to write a musical about the life of Joan Didion (called *Hello to All That!*). And then there's his little sister Greta. Smart, pretty, and completely unmotivated, allowing her life to pass her by like the shoppers at the Apple store where she works. One morning the world wakes up not to Nancy making headlines, but her daughter, Greta. She's in Paris. With extremist protestors. Throwing a bottle of champagne through a beloved bistro's front window. In order to save her campaign, not to mention her daughter, Nancy and Nick must find Greta before it's too late. Smart, funny, and surprisingly tender, *Let's Not Do That Again* shows that family, like politics, can hurt like a mother.

Dear Kamala Grand Central Publishing

Madame Bovary is the French writer Gustave Flaubert's debut novel. The story focuses on a doctor's wife, Emma Bovary, who has adulterous affairs and lives beyond her means in order to escape the banalities and emptiness of provincial life. Though the basic plot is rather simple, even archetypal, the novel's true art lies in its details and hidden patterns. Flaubert was a notorious perfectionist and claimed always to be searching for *le mot juste* ("the precise word"). Madame Bovary takes place in provincial northern France, near the town of Rouen in Normandy. The story begins and ends with Charles Bovary, a stolid, kindhearted man without much ability or ambition. Gustave Flaubert (1821-1880) was an influential French writer who was perhaps the leading exponent of literary realism of his country. The celebrated short story writer Maupassant was a protégé of Flaubert.

Dear Madam President Convergent Books

"An engaging, beautifully synthesized page-turner" (Slate). The #1 New York Times bestseller and Time #1 Nonfiction Book of the Year: Hillary Rodham Clinton's most personal memoir yet, about the 2016 presidential election. In this "candid and blackly funny" (The New York Times) memoir, Hillary Rodham Clinton reveals what she was thinking and feeling during one of the most controversial and unpredictable presidential elections in history. She takes us inside the intense personal experience of becoming the first woman nominated for president by a major party in an election marked by rage, sexism, exhilarating highs and infuriating lows, stranger-than-fiction twists, Russian interference, and an opponent who broke all the rules. "At her most emotionally raw" (People), Hillary describes what it was like to run against Donald Trump, the mistakes she made, how she has coped with a shocking and devastating loss, and how she found the strength to pick herself back up afterward. She tells readers what it took to get back on her feet—the rituals,

relationships, and reading that got her through, and what the experience has taught her about life. In this “feminist manifesto” (The New York Times), she speaks to the challenges of being a strong woman in the public eye, the criticism over her voice, age, and appearance, and the double standard confronting women in politics. Offering a “bracing... guide to our political arena” (The Washington Post), What Happened lays out how the 2016 election was marked by an unprecedented assault on our democracy by a foreign adversary. By analyzing the evidence and connecting the dots, Hillary shows just how dangerous the forces are that shaped the outcome, and why Americans need to understand them to protect our values and our democracy in the future. The election of 2016 was unprecedented and historic. What Happened is the story of that campaign, now with a new epilogue showing how Hillary grappled with many of her worst fears coming true in the Trump Era, while finding new hope in a surge of civic activism, women running for office, and young people marching in the streets.

[And Other Questions You Should Have Answers to When You Work in the White House](#) Dear Madam President An Open Letter to the Women Who Will Run the World

"For the first time, a Congresswoman and her son reveal how he survived a ten-year battle with opioid abuse--and what their family's journey to recovery can teach us about finding hope amidst the unspeakable. When Madeleine Dean discovered that her son, Harry, was stealing from the family to feed a painkiller addiction, she was days away from taking the biggest risk of her life: running for statewide office in Pennsylvania. For years, she had thought something was wrong. Harry was losing weight and losing friends. He had lost the brightness in his eyes and voice, changing from a young boy with boundless enthusiasm for life to a shadow of himself, chasing something she could not see. At first, she chalked it up to maternal worry, but now her worst fears had come to bear. Under Our Roof is the story of a national crisis suffered in the intimacy of so many homes, told with incredible candor through the dual perspectives of a mother rising in politics and a son living a double life, afraid of what would happen if his secret were exposed. Madeleine and Harry reflect on how addiction can ensnare anyone--even those born into stable, loving homes. They discuss the patterns of a family dealing with an unspoken disease, the fear that keeps addicts hiding in shame, and the moments of honesty, faith, and personal insight that led to Harry's recovery. In a country searching for answers to the devastating effects of opioids and drug abuse, Under Our Roof is a ray of hope in the darkness. It is not only a love story between mother and son but an honest account of our most pressing crisis by a family affecting change on a national level!"--

[Gunfight](#) e-artnow

Redefine the expectations for women in leadership roles with this #1 New York Times bestselling volume of inspiring advice by the former communications director for Barack Obama and Hillary Clinton. Framed as an empowering letter from former Hillary Clinton Communications Director Jennifer Palmieri to the first woman president, and by extension, to all women working to succeed in any field, Dear Madam President is filled with forward-thinking, practical advice for all women who are determined to seize control of their lives-from boardroom to living room. As a country, we haven't wrapped our heads around what it should look like for a woman to be in the job of

President. Our only models are men. While wildly disappointed by the outcome of the 2016 election, Palmieri argues that our feelings--confusion, love, hate, acceptance--can now open the country up to reimagining women in leadership roles. And that is what Palmieri takes on in this book--redefining expectations for women looking to lead and creating a blueprint for women candidates and leaders to follow. Dear Madam President will turn the results of the 2016 election into something incredibly empowering for graduates, future female leaders, and independent thinkers everywhere.

[Dear Madam President](#) Twelve

Take action and shatter the glass ceiling with this empowering and optimistic feminist guide from the #1 New York Times bestselling author of Dear Madam President. In an era marked by a frustrating sense of stagnation for women, Jennifer Palmieri has found a way to move beyond the bounds of patriarchy. Building on the lessons shared in Dear Madam President, Palmieri argues that women have gone as far as they can in a world made for men, and it is time to break from it. She Proclaims declares what most women know in their souls but have yet to say out loud--that they deserve something better than a life where men hold a vast majority of power and women continue to be undervalued. It is a manifesto for the second century of feminism that no longer chases a man's elusive path but proclaims the value, ambition, and emotion women have had all along to change their world by changing how they engage in it. This book celebrates the accomplishments and history of the women's movement, and through personal reflections and stories of other inspirational female leaders, Jennifer shares concrete advice and insights she's learned from her journey out of a man's world that will inspire you to boldly chart your own course in life.

Proceedings and Debates of the ... Congress Workman Publishing Company

#1 NEW YORK TIMES BESTSELLER This much is true: You have been lied to. The government is expanding. Taxes are increasing. More senseless wars are being planned. Inflation is ballooning. Our basic freedoms are disappearing. The Founding Fathers didn't want any of this. In fact, they said so quite clearly in the Constitution of the United States of America. Unfortunately, that beautiful, ingenious, and revolutionary document is being ignored more and more in Washington. If we are to enjoy peace, freedom, and prosperity once again, we absolutely must return to the principles upon which America was founded. But finally, there is hope . . . In THE REVOLUTION, Texas congressman and presidential candidate Ron Paul has exposed the core truths behind everything threatening America, from the real reasons behind the collapse of the dollar and the looming financial crisis, to terrorism and the loss of our precious civil liberties. In this book, Ron Paul provides answers to questions that few even dare to ask. Despite a media blackout, this septuagenarian physician-turned-congressman sparked a movement that has attracted a legion of young, dedicated, enthusiastic supporters . . . a phenomenon that has amazed veteran political observers and made more than one political rival envious. Candidates across America are already running as "Ron Paul Republicans." "Dr. Paul cured my apathy," says a popular campaign sign. THE REVOLUTION may cure yours as well.

[Dear Madam President](#) Grand Central Publishing

From the New York Times bestselling author of Who Thought This Was a Good Idea? comes a fun,

frank book of reflections, essays, and interviews on topics important to young women, ranging from politics and career to motherhood, sisterhood, and making and sustaining relationships of all kinds in the age of social media. Alyssa Mastromonaco is back with a bold, no-nonsense, and no-holds-barred twenty-first-century girl's guide to life, tackling the highs and lows of bodies, politics, relationships, moms, education, life on the internet, and pop culture. Whether discussing Barbra Streisand or The Bachelor, working in the West Wing or working on finding a wing woman, Alyssa leaves no stone unturned...and no awkward situation unexamined. Like her bestseller Who Thought This Was a Good Idea?, SO HERE'S THE THING... brings a sharp eye and outsize sense of humor to the myriad issues facing women the world over, both in and out of the workplace. Along with Alyssa's personal experiences and hard-won life lessons, interviews with women like Monica Lewinsky, Susan Rice, and Chelsea Handler round out this modern woman's guide to, well, just about everything you can think of.

A Memoir St. Martin's Press

"I have long believed that women who dream big, work hard, and get back up after they get knocked down can do anything; Stephanie Schriock is one of those women. I'm so glad her thoughtful guidance is now available for women everywhere."—Hillary Rodham Clinton "Stephanie Schriock leads the leaders."—Michelle Lujan Grisham, governor of New Mexico "Run to Win is an antidote to anxiety and a welcome call to action. I encourage every woman (and a few good men) to dive into Run to Win and take your turn at saving the world."—Stacey Abrams From the president of EMILY's List, a playbook for women changing the world in politics, business, or any arena, with a foreword from Vice President Elect Kamala Harris. For the past thirty-five years EMILY's List has helped the campaigns of thousands of pro-choice Democratic women, but the hardest part has always been convincing more women to run. Then Donald Trump was elected, and something shifted into place. American women who were furious and frustrated were looking for a way to channel their outrage into action, united in proclaiming, "If that guy can get elected, why not me?" The day after the 2016 election, dozens of women searched out an old sign-up link buried on the EMILY's List website. By Thanksgiving, those dozens had grown to a few thousand. And that was only the beginning. By the end of 2018, there were nearly fifty thousand women signed up to run for office, with scores more signing up each day. Run to Win is for all women who are looking to lead. Organized around the steps that EMILY's List coaches its candidates through (from deciding to run through celebrating victory), this book is full of essential lessons for any woman trying to succeed in a male-dominated field. Their arena is politics but their message is universal. And Stephanie Schriock is the most qualified person to share these lessons. Not only is she a powerful figure in politics but she's also a woman who commands respect for her astounding success as president of EMILY's List and a longtime Democratic operative. Her message is uplifting and actionable, her voice is that of your best girlfriend walking you through what you need to consider as you make your plan, and her experience coaching the biggest female candidates in recent elections (including all of the female 2020 Democratic presidential candidates) makes her the de facto authority on the strategies women can employ to run, fight, and win, whatever their field or goal.
