"Do you believe in ghosts?" Annette just sort of blurted out. Sara and Seth both looked up with surprise. "Well," Sara stalled, "I guess I do." She remembered the night Solomon had visited her in her bedroom after Jason and Jimmy had shot him, but she hadn't really thought about him being a ghost that night; she'd just been so glad to see her beloved feathered friend. Sara and Seth looked at each other. Both of them knew that if anything would fall into the category of ghosts, Solomon would most likely be it, but they didn't say anything, uncertain about telling their new friend their special secret. "Well, do you believe in ghosts?" Seth asked, looking intently at Annette's serious face. Annette looked at Seth and then at Sara, who both sat quietly, each waiting to hear the answer. "No, I just wondered if you did," Annette answered abruptly. "Hey, let's swing." And without taking the time to execute a perfectly calculated leap from the platform as she usually did, Annette grabbed the swinging rope and jumped off as if she couldn't do so fast enough. . . . Get ready for an exciting new adventure in joy with Sara, Seth, Solomon, and their new friend!

Getting into the Vortex ReadHowYouWant.com

Living a better-feeling life really comes down to one thing only: coming into alignment with the Energy of our Source. Abraham reminds us that we are truly Source Energy focused into our physical bodies, and that a conscious Connection to that Broader Non-Physical part of us is necessary if we are to be the joyful Beings that we were born to be. Abraham calls that wonderful alignment *Getting into the Vortex*. Through a series of Leading Edge books (New York Times bestsellers), Abraham has emphasized the importance of our conscious alignment with the Source within us. They have let us know that our natural state of Being is inside our Vortex of Creation in complete alignment with Source Energy—and that every aspect of our physical experience reflects our alignment with, or resistance to, that Connection. Everything—from the physical well-being of our bodies, the clarity of our minds, and the abundance we allow to flow, to the satisfaction in every relationship we experience—is impacted by our all-important relationship with our Vortex. Abraham has helped us to understand that our dominant intent in every day is to get into the Vortex! And now, they have lovingly and specifically guided Jerry and Esther Hicks in the creation of an innovative and valuable tool that promises to get us into the Vortex right now . . . and that tool is enclosed in the *Getting into the Vortex* User Guide in the form of a 70-minute audio download. This unique recording contains four powerfully guided daily meditations that have been designed to get you into the Vortex of Creation in four basic areas of your life: • General Well-Being • Financial Well-Being • Physical Well-Being • Relationships. Jerry and Esther are thrilled to offer this powerful, first-of-its kind, musically scored, breath-enhancing, user-friendly tool from Abraham that will get you into the Vortex.

You Are a Spiritual Being Having a Human Experience Hay House, Inc

If you feel stuck with no idea what you should do next, lifestyle celebrity and TV pioneer Debbie Travis's new book is for you. Drawing on the tough (sometimes hilarious) lessons Debbie learned in her own leap into a new way of living, and a multitude of stories, tips and ideas to jumpstart your dreams, she's created an inspiring roadmap for change. A few years ago, Debbie Travis realized that she was no longer challenged by her wildly successful TV career and she was so busy she was missing out on the people and things that made her happy. She dared to dream about a whole new direction in life--a plan to turn a 13th-century farmhouse in Tuscany into a unique hotel and retreat for people who need a change as much as she did. And now, after a crazy amount of work, she is not only living that dream but sharing it with others. Her new book draws directly on her own experiences (when she started, Debbie could barely make a bed, let alone run

a hotel in a foreign county) and the uplifting stories of personal u-turns shared by women who have come to her retreats. Debbie's "commandments" will inspire women (and men) who have lost track of who they are or what they want to be; who are going through the motions of a career that doesn't satisfy them anymore; who are wondering what to do with themselves now

that their kids are gone or their marriage is over. On every page, Debbie shares the tools that helped her transform her life, and her example, her wit and her common sense advice will help motivate anyone who finds themselves standing at a crossroads wondering "What's next for me?"
