Irresistibly cute baby hats with matching booties, in styles today's knitters will love. BabyKnits Hats & Booties presents fifteen matching sets - thirty projects - to warm little heads and tootsies. Such sets have always been popular projects, the perfect gift for a newborn. These original patterns include both contemporary classics (like baby cables or wiggly stripes) and whimsical creations (like dots and ruffles). The matching booties share the same yarns and styling. The patterns use easy stitches and widely available yarns including bright cottons, soft baby weights, and novelty yarns. There are earflaps and curlieue tops and rosebuds. These projects will knit up quickly in time for a baby shower, and will be treasured by the lucky baby's family forever.

**Cute Baby Hat Crochet** Stackpole Books

Even beginners who have in hands just few fancy pens, a measuring tape, and a small pile of left-over fabrics, can begin their creativities with confidence. \*\*\* The book is available in three different formats; e-book (ASIN: B09BBQ7PD6), black & white interior paperback (ASIN: B09BGM15YP), and color printed interior paperback (ASIN: B09BMLLSWB) \*\*\* This book is not only good for home hobby sewers or amateur designers, but also middle school, high school, to college students who strongly have interest in sewing and fashion design, or are in the midst of finding ideas for their independent study. Another level up for your new sewing project to pursue can begin with hats, which is much smaller in scale compared to clothing, using the left-over fabrics you already have. Logics and design examples provided inside, in different angles, will encourage creativities, develop problem solving skills, and grow confidence through pattern drafting and sewing. The book is also a good resource that integrates simple mathematics into the hat making processes, which makes a nice opportunity for both sides of your brain to get some exercise together. The foundation laid down in this book, as well as all detailed tips and tricks provided, will assist you in developing your original headdresses with pride and joy. Without the need of any specialized tools, or of being a professional milliner, anybody with basic sewing skills can do! And if you're the one who used to be annoyed by poor outfits, or having no clues to do alterations, for any hats made out of those ready-to-use patterns, it's time to just say good bye to that feeling. This book features; Basic understanding about the crown and brim making Step-by-step guide to create 3x basic and 7x creative hat sewing patterns 4x simple embellishment ideas, with examples and/or patterns All patterns are provided with actual scale reference (with 1-cm square grid as background) Construction demonstration on one hat, with tips and tricks from real experiences Simple mathematical techniques to create hat patterns Addition-subtraction tips which are useful for small

adjustments All explanations come along with understandable logics, no non-sense stuffing Plus, visualized explanation, which is very easy to follow, through almost 90 sets of illustrations All hat images shown in this book are associated with the patterns created and finished products constructed solely by myself. All techniques, which were adapted from my knowledges obtained during the fashion school time, have been proven through multiple trials and errors and engineered to be replicable with simplicity. However, in case you would prefer the actual size patterns to promptly begin your new hat sewing projects, they will be available in a separate paperback format, to be printed and distributed by Amazon soon.

#### **Sweet & Simple Baby Crochet** Baby Hats to Crochet

Keeping babies warm is so important to their health! That's why Glenna Anderson Muse designed these knit hats for babies in the hospital where she works as a respiratory therapist. So that every baby can have a cozy cap, the sweet patterns are written for three sizes of preemies and three sizes of term babies (newborn, 3-6 months, and 12 months). Each of the 19 designs uses medium weight yarn and is based on one of four basic hat styles: Basic Paper Bag Hat, Basic Jester, Basic Beanie, and Basic Cone.

Seasonal looks include bunny ears, springy curls, patriotic stripes, and Halloween and Christmas characters, but the hats look just as adorable without a holiday theme. Each design is an opportunity to make gifts of love for the babies who need them!

For every baby in your life, crochet baby hats are the ideal accessory. Create these for your own child, to donate to charity, or to give as baby shower gifts. A cozy crochet hat is usually helpful for babies because their heads need to be kept warm. Of course, crochet baby hats are adorable as well. Simple techniques like basic stitches and traditional beanie shaping can be used to create these. A flower applique or crocheted ears made to look like an animal, such elephant ears, might be used as finishing touches. Alternately, you can create attractive, eye-catching crochet baby hats by using intricate stitching and complex crochet methods. These designs are a synthesis of all of the possibilities. Make them for any occasion, regardless of the time of year or gender.
