How to Connect in Business in 90 Seconds Or Less Bloodaxe Books

The first full-length history of the remake in cinema, *Film Remakes as Ritual and Disguise* is also the first book to explore how and why these stories are told. Anat Zanger focuses on contemporary retellings of three particular tales—Joan of Arc, Carmen, and Psycho—to reveal what she calls the remake’s “rituals of disguise.” Joan of Arc, Zanger demonstrates, later appears as the tough, androgynous Ripley in the blockbuster *Alien* series and the God-ridden Bess in Lars Von Trier’s *Breaking the Waves*. Ultimately, these remake chains offer evidence of the archetypes of our own age, cultural “fingerprints” that are reflective of society’s own preferences and politics. Underneath the redundancy of the remake, Zanger shows, lies our collective social memory. Indeed, at its core the lowly remake represents a primal attempt to gain immortality, to triumph over death—playing at movie theaters seven days a week, 365 days a year. Addressing the wider theoretical implications of her argument with sections on contemporary film issues such as trauma, jouissance, and censorship, *Film Remakes as Ritual and Disguise* is an insightful addition to current debates in film theory and cinema history.

**Practical Mental Influence** Agir

Com uma produção virtuosa, especialmente entre as décadas de 1940 a 1970, nomes como Joaquim Tenreiro, Sergio Rodrigues, Lina Bo Bardi, José Zanine Caldas, Oscar Niemeyer e Jorge Zalszupin elevaram o móvel moderno brasileiro à condição de importante expressão de nossa atividade cultural.

As composições precisas do fotógrafo Ruy Teixeira acentuam o apuro estético deste conjunto de peças, desvelando sucessivas camadas de interpretação e fruição para os apreciadores, seja pelo lastro histórico de cada peça ou pelo recorte promovido pelas coleções retratadas e seus cenários contemporâneos. Em paralelo, o texto do historiador Jayme Vargas conduz o leitor pela pulsante e incerta história do modernismo brasileiro, sintetizando de forma elucidativa ponto a ponto desta história tão impregnada em nosso imaginário, mas muitas vezes, ainda pouco conhecida.

**The Interpreter Geddes** HARLEQUIN

Ao contrário do que muita gente pensa: inclusive corroborado pela ciência dos últimos séculos – notadamente a física, a medicina e o sistema educacional - o ser humano não é uma pequena bola de carne e osso ambulante separado do ambiente que o cerca. Além do corpo físico nós possuímos outras energias vitais, os corpos: espiritual, emocional e mental. Fazemos parte da onda de energia criadora do universo e ainda mais somos cocriadores universais. Como cocriadores universais nós criamos a nossa realidade, quer estejamos conscientes disso ou não. Somos Magos, embora muitas vezes magos inconscientes. É hora de despertar da sonolência e assumir nossos papéis de Magos conscientes e responsáveis por nossas criações. Pronto para começar?

Critical Care Obstetrics Amsterdam University Press

Traces Brazilian art in "three main groupings [:] Indian art, the popular art of the countryside, and the works of internationally minded artists. The third category includes not only painting and sculpture but also graphic and industrial

design, photography, cinema, furniture, architecture, and visual communications in all fields. Among the painters discussed, perhaps the best known are Portinari, Di Cavalcanti, and Lasar Segall; among the sculptors, Maria Martins and Brecheret. In addition, the buildings of world-renowned architect Oscar Niemeyer are analyzed fully, particularly his masterpiece, the new city of Brasilia."--Page 2 of cover.

That Winter Double 9 Booksllp

The Seed of God is a book of transformation and change, with a simple message of motivation and spirituality that excites and assists us to find ways to happiness and the realization of our dreams. A successful businessman feels a emptiness in his life in spite of his fortune. Dispirited, he returns to the neighborhood where was born in an attempt to find his roots. Instead he meets a mysterious lady who inevitably will change his life. For the first time, Renan becomes conscious of the love provided by people surrounding him. Under the old lady's guidance he takes a journey in search of his own spiritual rebirth, preparing himself to become the seed of God. The Seed of God is a sensitive journey of love and peace where no one finishes without feeling touched and renewed, where everything feels within reach. The Seed of God is a powerful book that will affect the life of all its readers. I recommend it. OG MANDINODear friend Cesar Romão, Welcome to the Club of God's gardeners, and may your seeds continue to blossom. PAULO COELHO

**The Magic Ladder to Success** John Wiley and Sons

This is the expert guidance you need to navigate complex patient conditions and promote safe, effective perinatal care.

**How To Sell Your Way Through Life** Clube de Autores

One of the best English translations of this ancient Indian treatise on politics, social mores, love, and intimacy are the Kama Sutra, which Mallanaga Vatsyayana wrote in the second century CE. Its clean presentation raised the bar for Sanskrit translation. The Kama Sutra is a unique combination of sexology, society, psychology. It has been hailed as a great work of Indian literature for more than 1,700 years and has served as a window for the West into the mysticism and culture of the East. The Kama Sutra, a prehistoric Indian literature, is regarded as the most important Sanskrit study of human sexuality. The Kama Sutra remains one of the most accessible and entertaining of all the ancient classics, having been written with frankness and unassuming simplicity. The Kama Sutra is so significant as a work of philosophy, psychology, sociology, theology, science, and sexology that it simultaneously had an impact on Indian civilization and remained a crucial component in understanding it.

**Film Remakes as Ritual and Disguise** Greenwood

One of the most original, rebellious, and idiosyncratic directors in the American cinema, Nicholas Ray lived and worked with an intensity equal to that of his films. Best known for his direction of James Dean in Rebel Without a Cause

(1955), he is also well regarded for his cult western Johnny Guitar (1954), and such prestigious noir classics as *On Dangerous Ground* (1951). *I Was Interrupted* offers a provocative selection of the filmmaker's writings, lectures, interviews, and more.

*All the Way Home* Penguin Random House South Africa

Coautoria de Cláudio Acosta

(<http://agbook.com.br/authors/106534>) e Cristiano Acosta Talvez, neste momento, você esteja preocupado com as suas reuniões e apresentações que tem de fazer em seu trabalho, ou esteja chateado porque teve um desempenho sofrível em uma oportunidade importantíssima para sua carreira. Você já percebeu como quem tem sucesso sabe falar bem, sabe se expressar? Você já se deu conta de quantas apresentações faz todos os dias? Infelizmente, muitos profissionais competentes falham em sua comunicação e perdem a credibilidade. Não importa qual seja a profissão, função ou atividade que você resolveu abraçar para realizar seus sonhos. Se quiser ter o sucesso que deseja, você vai precisar fazer apresentações muito melhores do que os outros fazem, mas principalmente, melhor do que você já fez um dia. Neste livro, Cláudio Acosta e Cristiano Acosta, conduzem o leitor em reflexões de melhorias para a preparação de si mesmo e todos os segredos para organizar e fazer apresentações extraordinárias. Entenda o carisma de comunicadores de sucesso e quais técnicas usam para fazer a plateia prestar mais atenção.

**AWHONN's High-Risk & Critical Care Obstetrics** Editora Koinonia

You're crazy ... She'll take over and shove us out. I can just see this place in winter: no carpets, acres of wet

newspaper underfoot, family huddled under blankets while the pig hogs the fire.' Richard and Bookey Peek hadn't planned on a warthog, any more than one would plan a tidal wave, a tornado or triplets, but on Stone Hills game sanctuary, natural disasters have a way of happening when you least expect them. Through Zimbabwe's darkest hours, Stone Hills has become a world in itself, a place where you might share your shower with an owl or your bed with a baby squirrel. Take a fresh look at the hospitality game with a couple whose crocodiles are named after unpopular guests. And follow the barefoot young David and his playmate, the warthog Poombi, as she relinquishes her place on the sofa to return to the wild - much to her indignation. Engaging and delightfully readable, this is a testament to one family's passion for Africa's wildlife and their conviction that nothing can change the essential nature of the land and its people. *All the Way Home* is the exhilarating and intensely moving story of a fiercely protected piece of Africa in the heart of the majestic Matobo Hills.

*Coaching Para Solteiros* Clube de Autores

Describes the methods used to make artistic, literary, documentary, and political forgeries and the recent scientific advances in their detection. Includes over 600 objects from the British Museum and many other major collections, from ancient Babylonia to the present day.

*Once Upon a Time in Rio* Univ of California Press

This book provides postgraduate trainees with 50 real clinical cardiology cases. Divided into fourteen sections, several cases are presented under each category covering various disorders of

the cardiac system, including congenital heart diseases, aortic valve diseases, pulmonary diseases, ECG abnormalities, cardiac arrhythmias, coronary artery disease and much more. Beginning with a brief history and findings based on physical examination, each case then includes analytical discussion on bedside investigations and proposals for treatment. Authored by a recognised expert in the field, this practical book is highly illustrated with echocardiographic, radiographic and electrocardiographic data. Key points Presents 50 real clinical cardiology cases Covers numerous disorders of the cardiac system Authored by recognised cardiologist Includes more than 217 images, illustrations and tables *Four Day Fling* Univ of California Press TIMELESS WISDOM from the ORIGINAL PHILOSOPHER of PERSONAL SUCCESS "No matter who you are or what you do, you are a salesperson. Every time you speak to someone, share an opinion or explain an idea, you are selling your most powerful asset . . . you! In *How to Sell Your Way Through Life*, Napoleon Hill shares valuable lessons and proven techniques to help you become a true master of sales." SHARON LECHTER, Coauthor of *Think and Grow Rich: Three Feet from Gold*; Member of the President's Advisory Council on Financial Literacy "These proven, time-tested principles may forever change your life." GREG S. REID, Coauthor of *Think and Grow Rich: Three Feet from Gold*; Author of *The Millionaire Mentor* "Napoleon Hill's *Think and Grow Rich* and *Laws of Success* are timeless classics that have improved the lives of millions of people, including my own. Now, we all get the chance to savor more of his profound wisdom in *How to Sell Your Way Through Life*. It is a collection of simple truths that will forever change the way you see

yourself." BILL BARTMANN, Billionaire Business Coach and Bestselling Author of *Bailout Riches* ([www.billbartman.com](http://www.billbartman.com)) Napoleon Hill, author of the mega-bestseller *Think and Grow Rich*, pioneered the idea that successful individuals share certain qualities, and that examining and emulating these qualities can guide you to extraordinary achievements. Written in the depths of the Great Depression, *How to Sell Your Way Through Life* explores a crucial component of Achievement: your ability to make the sale. Ringing eerily true in today's uncertain times, Hill's work takes a practical look at how, regardless of our occupation, we must all be salespeople at key points in our lives. Hill breaks down concrete instances of how the Master Salesman seizes advantages and opportunities, giving you tools you can use to effectively sell yourself and your ideas. Featuring a new Foreword from leadership legend Ken Blanchard, this book is a classic that gives you one beautifully simple principle and the proven tools to make it work for you. **Somos Todos Magos** Vertical Inc Persuade a client to buy what you're selling. Energize the boss to act on your ideas. Rally the staff to see themselves as members of your team. Based on the breakthrough idea of "rapport by design," "How to Connect in Business" Shows how to mine the potential in every situation, from an accidental meeting at the water cooler to a brainstorming session to a formal presentation. **Joe Bonamassa - Blues of Desperation Songbook** HARLEQUIN A CLASSIC MEMOIR OF TWO PIONEERING ADVENTURERS Before Joy Adamson went to Africa, before Margaret Mead sailed to Samoa, before Dian Fossey was even born, a Kansas teenager named Osa Leighty married Martin Johnson, a

pioneering photographer just back from a 'round-the-world cruise with Jack London. Together the Johnsons flew and sailed to Borneo, to Kenya, and to the Congo, filming Simba and other popular nature movies with Martin behind the camera and Osa holding her rifle at the ready in case the scene's big game star should turn hostile. This bestselling memoir retraces their careers in rich detail, with precisely observed descriptions and often heart-stopping anecdotes. Illustrated with scores of the dramatic photos that made the Johnsons famous, it's a book sure to delight every lover of true adventure.

Istoé dinheiro Chiado Editora

In the 1960s liberation theology addressed itself to the problems of a continent racked by poverty and oppression. Comprising a network of localized communities and pastoral organizations, it soon became something much more than a doctrinal current. Liberationist Christianity defined itself in a multitude of social struggles, particularly in Brazil and Central America.

A Lei Universal Da Atração Simon and Schuster

Exploring literature, the visual and performing arts, photography, music, and film, the author uses the lens of European machine culture to elucidate the work of a broad set of artists and practitioners, including Censi, Depero, Marinetti, Munari, and Prampolini. The machine emerges here as an archaeology of technology in modernity: the time machine of futurism.

Songs of the Hebrides Clube de Autores

From well-known Brazilian playwright Francisco Azevedo, a heartwarming debut novel about three generations of a family whose kitchen contains the secret ingredient for happiness—sure to appeal

to fans of *Like Water for Chocolate*. Once upon a time there was some rice. Rice planted in the earth, fallen from the sky, and gathered up from the stone. Rice that doesn't spoil, it came from far away, by ship with three exuberant young people filled with dreams... *Once Upon a Time in Rio* is a spellbinding family saga beginning with José Custódio and Maria Romana and their search for a prosperous future. As newlyweds, José and Maria immigrated to Brazil at the beginning of the twentieth century, accompanied by a special gift. During the dinner preparations to celebrate their centenary wedding anniversary, their eldest son Antonio, already a grandfather, looks back at the lives of his parents, his aunt, his brothers, their children and grandchildren, as well as his own. Antonio knows that family is a difficult dish to get right and that happiness must be cooked up day by day; however, what separates his family from any other is its possession of a secret ingredient for happiness: the sack of magical rice given to his parents on their wedding day. With the help of the rice, whose magic is as old as fire and time, Antonio's family has been guided through the most trying of life's tribulations. Lyrically written, *Once Upon a Time in Rio* bares the fragile yet strong nature of the human spirit and with great insight captures the solace provided by loved ones in times of need. Already an international bestseller, this is a beautifully told tale about the wisdom of past generations and the inextricable ties of family.

How to Raise Your Own Salary John Wiley & Sons

In Israel, gates, fences, and walls encircle public spaces while guards scrutinize, inspect, and interrogate. With a population constantly aware of the

possibility of suicide bombings, Israel is defined by its culture of security. *Security and Suspicion* is a closely drawn ethnographic study of the way Israeli Jews experience security in their everyday lives. Observing security concerns through an anthropological lens, Juliana Ochs investigates the relationship between perceptions of danger and the political strategies of the state. Ochs argues that everyday security practices create exceptional states of civilian alertness that perpetuate—rather than mitigate—national fear and ongoing violence. In Israeli cities, customers entering gated urban cafés open their handbags for armed security guards and parents circumnavigate feared neighborhoods to deliver their children safely to school. Suspicious objects appear to be everywhere, as Israelis internalize the state's vigilance for signs of potential suicide bombers. Fear and suspicion not only permeate political rhetoric, writes Ochs, but also condition how people see, the way they move, and the way they relate to Palestinians. Ochs reveals that in Israel everyday practices of security—in the home, on commutes to work, or in cafés and restaurants—are as much a part of conflict as soldiers and military checkpoints. Based on intensive fieldwork in Israel during the second

intifada, *Security and Suspicion* charts a new approach to issues of security while contributing to our appreciation of the subtle dynamics of the Israeli-Palestinian conflict. This book offers a way to understand why security propagates the very fears and suspicions it is supposed to reduce.

Dave Asprey sofreu com os sintomas do envelhecimento ainda novo, o que fez com que ele empreendesse uma pesquisa de mais de vinte anos para encontrar métodos científicos inovadores que melhorassem a biologia humana e combatessem esses sintomas. Em *Super-humano*, ele mostra os resultados dessa pesquisa e arma seus leitores com conselhos práticos para maximizar suas vidas em qualquer idade com uma mistura de ciência, sinceridade e entusiasmo. E nos ensina como as ferramentas para viver por mais tempo são nada mais que intervenções simples e que estão ao nosso alcance, como dietas, regulação do sono, além de exercícios e truques pouco conhecidos, mas poderosos. A partir dessa abordagem revolucionária, envelhecer não precisa mais ser sinônimo de entrar em decadência. Agora, você também pode se tornar um super-humano e estar no seu ápice físico em qualquer idade.
