Heights of Green Vintage Canada
A Quest for Truth recounts the devastation that sexual abuse causes a family. It shows how this family use their faith in God to recover, over time. The setting gives an inside look into the workings of rural Mormon culture in the 1980s and 1990s. The strength of the family reaches everyone. With faith, an individual can find hope even when the circumstances are bleak. Truth is not always easy to find, but the quest is

worth the effort.

The Sunshine of your Smile Archway Publishing

Knowing but not caring about the flaws in the script. Feeling gripped by the crowd. Laughing out loud at the corn, the actor winking, looking forlorn, mugging while seeming sad. And I, one of the crowd, watching myself being glad. Poetry can serve as a time-out from today's frenetic existence and be a balm for the soul. In a collection of poems, stories, and song lyrics penned over a lifetime, Paul Selbst shares expressive insight into his journey through a myriad of diverse experiences.

From youthful passion and exuberance to mature reflection and insight, Selbst offers poems, song lyrics, and stories in verse that reflect on wisdom, joy, love, friendship, loss, and life itself. Within his diverse selection chosen from a larger body of work, Selbst explores the deeper thoughts, musings, and implications surrounding his observations and experiences, addresses the high, low, and searching spirit, reflects on both young and old love, and much more. *Word Songs* is a collection of poems, stories, and songs that provides a doorway to fresh insights and understandings as well as comfort for anyone desiring to explore their own thoughts, feelings, and pleasures in life

Without a Trace Headline
Three charming holiday romances by

NEW YORK TIMES and USA TODAY best selling authors. *The Kidnapped Christmas Bride* - Jane Porter Trey Sheenan has risked and lost everything - his freedom, his fiance McKenna Douglas, and his infant son TJ. McKenna has loved Trey since they were kids, but she's had enough. She's put her mistakes - namely Trey - behind her and moved on. When Trey is released from prison, he's determined to beg McKenna's forgiveness. But he's too late. McKenna is marrying someone else. Or is she? Once again, Trey risks everything, but this time it's for love... and the memory of one perfect Christmas together as a family. *Come Home for Christmas, Cowboy* - Megan Crane This Christmas season, Christina Grey Cooper has finally accepted that her marriage to

her college sweetheart Dare is over. So she packs up her things, leaves a note, and heads back home for Marietta, Montana in the hope that a Christmas with her family will help piece her head—if not her heart—back together. Dare isn't about to let the love of his life go, and who cares if that's what he thought he wanted? He'll do what it takes to win Christina back—even if that means suffering through Christmas with his in-laws, pretending to still be happily married for the sake of family harmony, and trying not to get caught up in all that holiday nonsense he's never believed in... But Christmas is magical, especially in Montana. And if Dare has any hope of convincing Christina to give him one more chance, it's going to be here... A Sweet Montana Christmas -

Roxanne Snopek Melinda Sweet loved her husband before she learned of his wealth and she loves him still, despite the fact that it's gone. Unfortunately, while she knows the collapse of his Chicago financial services business had nothing to do with him, he believes otherwise. His upbeat adjustment to their new - and temporary - life on his grandfather's rundown honey farm is a foil to cover the burden of failure. She wasn't expecting to throw - in five weeks - the traditional Sweet Christmas Open House, but it's a good earning opportunity and how hard could it be? Austin Sweet is determined to make his wife proud of him again. But he also wants to erase the sting of shame he feels from his parents, to whom he owes a debt of gratitude for arranging for this

caretaking job. Getting paid to fix up this disaster is better than living in their basement, sure. But what does he know about bees? Or fixing broken plumbing? Or cleaning a chimney? But when Austin's grandfather gives him the farm as a Christmas gift, there's only one response. Accepting the gift will secure a future that will make his wife even more unhappy than he already is. Refusing the gift will finalize the rift between him and his family, but he'd rather lose them than Melinda. Then he discovers she's spared him the choice. Austin's not-so-Sweet side rears up as he determines that he's done trying to make everyone happy. He'll get his wife back, no matter what. And they'll decide their future together.

The lyrics in this book are about things I see, hear and feel. A phrase said can inspire a deed done will get me thinking. I write quickly and seldom will change a lyric. Words are a release for me, from the daily grind of hatred that goes on in this world. Please enjoy

Khloe Dutch! Austin Macauley Publishers
WOODEN FOOT is a story about the lives of people living from the late 1700's to the mid 1800's in the mountains of Wyoming from the Big Horn Mountains and into what is now Yellowstone Park. This adventure is brought on by the

greed of people that wanted to keep up with the fad of Beaver Hats. It killed all of the beavers in the old country and when it was found that there were great numbers of the animals in the new world they almost succeeded in eliminating them. It caused hard feeling between the Native Americans and the trappers who infringed on their hunting areas. Some of these trappers (married) Indian women and the marriage lasted as long as beaver stayed plentiful. As soon as the beaver played out the trapper moved on and took up with another Indian woman. Some of these couplings lasted a lifetime and were very productive. There were times when the trapper traded in his furs at a rendezvous and after drinking too much bad whiskey and gambling and losing all of his money

would gamble away his wife. This is how Jon Crew obtained his woman called Doe Eyes. The Hudson Bay Company from Canada had trappers working the interior of America many years before any American even thought of the idea. It was only the demand for beaver hides from France and England and a depression in the colonies that many people started working the central part of this new nation. It was not a mass exodus of mountain men going into this area. They came as ones and twos at the start and those first trappers came to stay. Money was not what they came for. It was the chance to be free. Totally free from society and from taxes and from people. They were content to be alone or with the red man on the red man's terms. Many did not survive and only a

very few made it work. Jon Crew was one of these men and after he lost part of his leg to a bear he became WOODEN FOOT. James Sprigler was born in Centennial Valley a few miles north of Deadwood South Dakota. He was the very last student to go to school in the one room sandstone school called Crook City School Number 1. He attended grade school and high school in Spearfish as well as college. His grand parents came to the Black Hills and settled in Deadwood Gulch near Central City. There is a photo in one of the museums that show an old woman holding a new born baby. That baby was his Uncle Ambrose and the woman, Calamity Jane. Sprigler's roots go deep in the Black Hills and he is quite proud of this fact. Sprigler met his bride while in college

and will celebrate his 49th anniversary this spring. She is a wonderful lady and this book is dedicated to her. Sprigler grew up on a ranch and dairy farm where milking cows and riding horses took up most of his time. He tried to make a living in the rodeo business but found he wasn't built for riding horses bareback and he was a terrible saddle bronc rider. He entered the Marine Corps to find his calling. The Core taught him a lot about life and many other things. Sprigler feels that everyone should serve their country in some way for at least two years.

At the Mountain's Edge Xlibris Corporation

Torrin Ivanov's homecoming wasn't the smooth, triumphant process she'd imagined. She almost killed her girlfriend

Jak Stowell in their escape and now that they're planetside, the intrigue of her business occupies all of her time. Jak believed all of the lies that Torrin told her—that things would be better when they got home. But then she walked in to find Torrin in a lip-lock with one of her exes, and that was more than she could stand. Shocked and betrayed, Jak dedicates herself to training militia-women, spending her days as far away from Torrin as possible. But Jak's new friends have their own agendas and now her internal compass has gone haywire, severely compromising her safety in the field. When a militia member dies and Jak disappears, Torrin begins a desperate race against time. This time around, Jak's life depends on her.

Unintelligence Dark Valentine Press
Khloe Dutch is a loveable, charming first grader who is awestruck by her 15 year old cousin Paige from Memphis, Tennessee. Paige comes to visit Khloe and her family in Chicago for the summer. Khloe, is mesmerized with Paige because she is a teenager, with all the answers Khloe is convinced that the teenagers are the smartest people on the planet, therefore, Mom and Dad know little about life and having a good time. Paige and Khloe embark on a few adventures from taking the Metra train into the big city of Chicago, exploring Michigan Ave. and Millennium Park to sneaking away from Mom and Dad on vacation in Florida. Khloe and Paige get into all kinds of trouble in the short time that Paige is there. The story is told in

first person from Khloes point of view. The story has lots of humor and gives you a modern look at teenagers today, from their obsessions with music, Facebook, Myspace and their clothes. *Kenyan, Christian, Queer* Bella Books

There is a whole world of information available that you probably never knew you needed. This book will correct this oversight. Such things as the proper way to pick your nose, and then what to do with it, (a bit bizarre, yes, but obviously needed), to the fifty easy steps to changing a light bulb. Short stories, fun poems, serious poems, and other... ummm... things. There is sure to be something for everyone, that may brighten the day, or wreck it with humor. Mostly irreverent, irrelevant, and aEUR~mom friendly' and how much

trouble can one get into by reading a book?

From the award-winning author of *Paradise Boys*, *Scotch and Oranges*, *Ghost Dancer*, *End of the Road*, and *The Oakland Quartet* comes *Reunion*, a striking new collection of 16 stories. Subtitled *Americans in Exile*, *Reunion* chronicles the lives of Americans torn from their places and their pasts. Set in a wide variety of locales - England to Hawaii, Venice to Vietnam, Park Slope to Prague, Block Island to Hoonah, Alaska - the stories go where Americans find themselves searching for connection, coping with aging and loss. Military men and missing persons, foreign service officers and fashion models, friends and

lovers, grief groups and high-school reunions, *Reunion* presents a stunning series of portraits of characters and concerns, living and dying, present and past. People wrestling with the concerns of age and of our age. People living on edges, seeking to return, yearning for reunion.

A Quest for Truth Bold Strokes Books Inc

A Time Best YA Book of All Time (2021)
In this “searing work of historical fiction” (Booklist), Coretta Scott King Award-winning author Sharon M. Draper tells the epic story of a young girl torn from her African village, sold into slavery, and stripped of everything she has ever known—except hope. Amari's life was once perfect. Engaged to the handsomest man in her tribe, adored by

her family, and fortunate enough to live in a beautiful village, it never occurred to her that it could all be taken away in an instant. But that was what happened when her village was invaded by slave traders. Her family was brutally murdered as she was dragged away to a slave ship and sent to be sold in the Carolinas. There she was bought by a plantation owner and given to his son as a “birthday present”. Now, survival is all Amari can dream about. As she struggles to hold on to her memories, she also begins to learn English and make friends with a white indentured servant named Molly. When an opportunity to escape presents itself, Amari and Molly seize it, fleeing South to the Spanish colony in Florida at Fort Mose. Along the way, their strength is tested like never before as

they struggle against hunger, cold, wild animals, hurricanes, and people eager to turn them in for reward money. The hope of a new life is all that keeps them going, but Florida feels so far away and sometimes Amari wonders how far hopes and dreams can really take her.

Stolen Life Penguin Random House

Corey Curtis and Thayer Reynolds are more than happy to put the days of their turbulent courtship behind them. With the holidays upon them, they're looking forward to celebrating with friends and family, intimate moments alone, and festive surprises. And in Corey's world, nothing says Christmas quite like a frozen body. One that Corey must defrost in order to close out her next case. The discovery of the deceased's

possible connection to Thayer inflames the still healing wounds of their recent trauma and sends them both reeling back into a world of uncertainty and turmoil. With her best friend in tow and the police not far behind, Corey ends up in the unlikeliest of places—a church. Along the way hate and violence erupt while corruption abounds. But from the ashes new relationships are kindled, and even the darkest moments are no match for Corey and Thayer's love. *Zero Chill* is the highly anticipated sequel to *Dirt Nap* and *Gallows Humor*.

Jane Goodall Houghton Mifflin Harcourt
 The heart knows no law in this sweeping
 historical western romance from the
 bestselling author of *Comanche Sunset*.
 After the brutal murder of their parents
 at the hands of American soldiers, Nina
 Juarez and her brother Emilio have
 learned to survive by any means
 necessary. Skilled with horses and not
 much else, the two make their name as
 outlaw wranglers. But Nina, weighed
 down with the guilt of their crimes and
 yearning to settle down, wants out of the
 business. After their next target, Nina's
 headed for California or bust. When
 plans go awry, Nina finds herself at the
 mercy of an army officer on his last
 mission. She owed these gringos
 nothing, but now she owes the
 handsome Lt. Clay Youngblood her life.

Clay, enchanted by his encounter with this Mexican beauty, does the unthinkable for a lawman—he lets her go free. Now Nina is caught between the law, her brother, and the only man capable of taming her heart. “A unique and wonderful story.” —Janelle Taylor, New York Times–bestselling author of the Gray Eagle series

 A FATAL CRASH
 A plane on route from London to New York City has disappeared out of the sky.

This breaking news dominates every TV channel, every social media platform, and every waking hour of the Metropolitan Police and US Homeland Security. A PRIVATE TRAGEDY The love of DCI Kate Daniels' life was on that aircraft, but she has no authority to investigate. This major disaster is outside of her jurisdiction and she's ordered to walk away. A SEARCH FOR THE TRUTH But Kate can't let it lie. She has to find out what happened to that plane - even if it means going off book. No one is safe. And there are some very dangerous people watching her...

The Lychway Orion

From NYT bestselling author Blue Balliett, the story of a girl who falls into Chicago's shelter system, and from there must solve the mystery of her father's

strange disappearance. Where is Early's father? He's not the kind of father who would disappear. But he's gone . . . and he's left a whole lot of trouble behind. As danger closes in, Early, her mom, and her brother have to flee their apartment. With nowhere else to go, they are forced to move into a city shelter. Once there, Early starts asking questions and looking for answers. Because her father hasn't disappeared without a trace. There are patterns and rhythms to what's happened, and Early might be the only one who can use them to track him down and make her way out of a very tough place. With her signature, singular love of language and sense of mystery, Blue Balliett weaves a story that takes readers from the cold, snowy Chicago streets to the darkest corner of the

public library, on an unforgettable hunt for deep truths and a reunited family. *No Rhyme or Reason* Simon & Schuster Popular narratives cite religion as the driving force behind homophobia in Africa, portraying Christianity and LGBT expression as incompatible. Without denying Christianity's contribution to the stigma, discrimination, and exclusion of same-sex-attracted and gender-variant people on the continent, Adriaan van Klinken presents an alternative narrative, foregrounding the ways in which religion also appears as a critical site of LGBT activism. Taking up the notion of "arts of resistance," Kenyan, Christian, Queer presents four case studies of grassroots LGBT activism through artistic and creative expressions—including the literary and

cultural work of Binyavanga Wainaina, the “Same Love” music video produced by gay gospel musician George Barasa, the Stories of Our Lives anthology project, and the LGBT-affirming Cosmopolitan Affirming Church. Through these case studies, Van Klinken demonstrates how Kenyan traditions, black African identities, and Christian beliefs and practices are being navigated, appropriated, and transformed in order to allow for queer Kenyan Christian imaginations. Transdisciplinary in scope and poignantly intimate in tone, Kenyan, Christian, Queer opens up critical avenues for rethinking the nature and future of the relationship between Christianity and queer activism in Kenya and elsewhere in Africa.

Mercenary iUniverse

This is a collection of poems that I wrote when I was an over the road long haul truck driver. They came from things I experienced and watching my fellow drivers. There are love poems, patriotic poems, Religious poems and funny poems also family poems. I drove for forty years and just about four million miles. Remember when the trucks stop America stops.

Glory Goes and Gets Some Tule Publishing

Examining the experiences of women workers in the cotton and small metals industries and the discourses surrounding their labour, this book demonstrates how ideas of womanhood often clashed with the harsh realities of working-class life.

THE WORLD THROUGH MY WINDSHIELD

Lulu.com

From bestselling author Genevieve Graham comes a sweeping new historical novel of love, tragedy, and redemption set during the height of the Klondike Gold Rush. In 1897, the discovery of gold in the desolate reaches of the Yukon has the world abuzz with excitement, and thousands of prospectors swarm to the north seeking riches the likes of which have never been seen before. For Liza Peterson and her family, the gold rush is a chance for them to make a fortune by moving their general store business from Vancouver to Dawson City, the only established town in the Yukon. For Constable Ben Turner, a recent recruit of the North-West Mounted Police, upholding the law

in a place overrun with guns, liquor, prostitutes, and thieves is an opportunity to escape a dark past and become the man of integrity he has always wanted to be. But the long, difficult journey over icy mountain passes and whitewater rapids is much more treacherous than Liza or Ben imagined, and neither is completely prepared for the forbidding north. As Liza's family nears the mountain's peak, a catastrophe strikes with fatal consequences, and not even the NWMP can help. Alone and desperate, Liza finally reaches Dawson City, only to find herself in a different kind of peril. Meanwhile, Ben, wracked with guilt over the accident on the trail, sees the chance to make things right. But just as love begins to grow, new dangers arise, threatening to separate

the couple forever. Inspired by history as rich as the Klondike's gold, At the Mountain's Edge is an epic tale of

romance and adventure about two people who must let go of the past not only to be together, but also to survive.
