It Is Well with My Soul

Simon and Schuster

Michael must save his mother—and protect his powers—in the electric sequel to the #1 New

York Times bestselling Michael Vey, from Richard Paul Evans. I rolled over to my back, struggling for breath. The pain continued to pulse through my body—a heavy throb followed by a sharp, crisp sting. The man said, “Trust me, there are worse things in this world than Cell 25.” Michael, Taylor, Ostin, and the rest of the Electroclan have escaped from the Elgen Academy in Pasadena and are headed back to Idaho to plan their next move. But what’s waiting for them there will change everything. After using their wits and powers to narrowly escape an Elgen trap, a mysterious voice leads the Electroclan to the jungles of Peru in search of Michael’s mother. Once there, they discover that Dr. Hatch and the Elgen are far more powerful than anyone realizes; entire countries have begun to fall under their control. Only the Electroclan and an anonymous voice now stand in the way of the Elgen’s plan for global domination. But is the voice that Michael is following really an ally, or is it just another Elgen trap?

Sands of Nezza, 4 Simon and Schuster

Meet Nigel: digger of latrines, shoveler of poop, and the single greatest threat to all the humans, elves, dwarves, and halflings of Esteria.

Desperate to escape from military school and return to his carefree life as the village no-goodnik, Nigel sees the king's declaration of war on the gorks as the perfect opportunity to flee, since he's pretty sure his latrine-digging skills aren't going to do much good on the front line. But his escape efforts have a habit of backfiring, and by the time he and his arch-frenemy are banished from the kingdom and sent on an impossible quest for a (probably bogus) magical artifact, the humans of Amerigorn find themselves longing for the good old days when they were merely being annihilated by Lord Smoron. The Dragon

The dragons that have been kept in sanctuaries want their freedom—and their revenge—and the world's only hope is the reformation of the ancient order of Dragonwatch in this New York Times bestselling first novel of a new sequel series to Fablehaven from author Brandon Mull. In the hidden dragon sanctuary of Wyrmoost, Celebrant the Just, King of the Dragons, plots his revenge. He has long seen the sanctuaries as prisons, and he wants

nothing more than to overthrow his captors and return the world to the Age of Dragons, when he and his kind ruled and reigned without borders. The time has come to break free and reclaim his power. No one person is capable of stopping Celebrant and his dragon horde. It will take the ancient order of Dragonwatch to gather again if there is any chance of saving the world from destruction. But nearly all of the original Dragonwatch members are gone, and so the wizard Agad reaches out to Grandpa Sorenson for help. As Kendra and Seth confront this new danger, they must draw upon all their skills, talents, and knowledge as only they have the ability to function together as a powerful dragon tamer.
