This richly illustrated reference guide from embroidery expert Christen Brown covers everything you need to make beautiful magic with needle and thread. Learn to sew traditional and silk ribbon embroidery, make raised stitches, and embellish with beads, charms, buttons, and mirrors. Christen shows you how to combine and place stitches to enhance a finished piece and how to work with

embroidery threads, ribbons, fabrics, laces, beads, buttons, and other embellishments. Also included are 9 complete embroidery projects to stitch and embellish, and step-by-step instructions that show exactly how to sew 85 different stitches.

Doodle-stitching The Crowood Press Making your own decorations in the run-up to Christmas has never been more popular! In this delightful book, well-known crafter Sachiyo Ishii shows you how to make fabulously cute and quirky felt ornaments to adorn your home during the festive season. Ready-made felt is easy to come by and a joy to work

with, and with 30 easy-to-make projects to choose from, the most difficult part will be deciding which to make! Choose from a host of tree decorations, from traditional baubles to fun penguins and a snowman; as well as larger projects that include Santa Claus complete with sleigh and reindeer; a yule log with little mini bakers; a stunning gingerbread house that looks good enough to eat; a felt holly wreath; and the complete Christmas Story. All the techniques and stitches you need are explained carefully through clear, step-by-step photographs at the beginning of the book, and all the templates are provided at the back. This wonderful book is a feast of ideas and inspiration for a creative Christmas.

Easy and Attractive Gifts You Can Sew C&T Publishing Inc

The needle arts are traditionally associated with the decorative, domestic, and feminine. Stitching the

Self sets out to expand this narrow view, demonstrating how needlework has emerged as an art form through which both objects and identities – social, political, and often non-conformist – are crafted. Bringing together the work of ten art and craft historians, this illustrated collection focuses on the interplay between craft and artistry, amateurism and professionalism, and re-evaluates ideas of gendered production between 1850 and the present. From quilting in settler Canada to the embroidery of suffragist banners and the needlework of the Bloomsbury Group, it reveals how needlework is a transformative process – one which is used to express political ideas, forge professional relationships, and document shifting identities. With a range of

methodological approaches, including object-based, feminist, and historical analyses, *Stitching the Self* examines individual and communal involvement in a range of textile practices. Exploring how stitching shapes both self and world, the book recognizes the needle as a powerful tool in the fight for self-expression.
