that this company has an allowance for doubtful accounts of \$64, based on their assumptions for bad debts. More Free TemplatesAging Report Template - Download Free Excel TemplateAccounts Receivable Aging Template. Every business should leverage an accounts receivable aging to manage balances outstanding. However, not every business has the need for an expensive accounts receivable ledger or system. This accounts receivable aging is an excel template that makes it easy to age invoices. It's also been designed to support good controls over the accounts receivable process.Accounts Receivable Aging Excel TemplateStep 1: In cell F5 put the following formula: =IF (E5=0,D5,0) This formula checks that if value in cell E5 is not equal to zero then fetch the value in cell D5 as this column is "not due" and this way the value of invoice will be inserted here as "zero" in cell E5 means it hasn't even fallen due.
