A companion guide to THE TRIALS OF APOLLO series, set in the world of PERCY JACKSON. Camp Half-Blood FYI is the funny insider's guide to the demigod training camp in Long Island, narrated by none other than Percy Jackson himself, and other favourite characters will be heard from, too. In response to an awful camp orientation video created by the god Apollo, Percy Jackson and other residents of Camp Half-Blood answer such

questions as "What is this place?" and "Do I get to keep the T-shirt?" Newbies can check out the section on the Divine Cabins, read up on Magical Landmarks, and consult the chapter of Training Arenas. But Camp Half-Blood Confidential explores much more than just the buildings and grounds. It includes info that can only be learned from those who live there. For instance, campers do not always co-exist in peace and harmony. The camp is not run with superior

efficiency. Prophecies do not flow forth with great regularity. Sprinkled throughout are stories from heroes who have called Camp Half-Blood home or just passed through on their way to places unknown. Chiron himself introduces the book with a brief history of training based on his millennia of experience. And, of course, divine words of wisdom from the god Apollo himself are included, because the demigod authors would prefer not to be struck down by him, thank you

very much.

A book of firsts! One epic collection containing the first book from three different New York Times #1 best-selling series by Rick Riordan. **THE LIGHTNING THIEF**: Zeus's master lightning bolt has been stolen and Percy Jackson is the prime suspect. He and his friends have ten days to find and return it and bring peace to a warring Mount Olympus. To succeed, Percy has come

to terms with the father who abandoned him, solve the riddle of the Oracle that warns of betrayal by a friend, and unravel a treachery more powerful than the gods themselves. **THE LOST HERO**: Jason, Piper, and Leo find themselves at Camp Half-Blood where people won't stop talking about a curse and a camper named Percy who's gone AWOL. These three friends must rely on one another and their newfound demigod gifts as they embark on an epic quest to save Mount

Olympus. **THE HIDDEN ORACLE**: Apollo, once the glorious god of the sun, music, and poetry, has been cast down to Earth in punishment by Zeus. Now, as awkward mortal teenager Lester Papadopoulos, he's been tasked with restoring five Oracles that have gone dark in order to regain his place on Mount Olympus. How is he supposed to accomplish that without any godly powers? He needs help, and a demigod named Percy Jackson shows him where to find it: at a training

camp on Long Island called Camp Half-Blood. This primer of heroes and demigods will start readers on three unforgettable adventures. Bonus first chapters from two other amazing series promise more exciting journeys.

search for the perfect date goes perfectly wrong? Declan has commitment issues. He's been an office temp for literally years now, and his friends delight in telling people that he left his last boyfriend at the altar. And that's all true. But he's starting to think it's time to start working on his issues. Maybe. When Declan meets Sidney—a popular nonbinary YouTuber with an advice show—an opportunity presents itself: as part of The Love Study, Declan will go on a

series of dates arranged by Sidney and report back on how the date went in the next episode. The dates are...sort of blah. It's not Sidney's fault; the folks participating are (mostly) great people, but there's no chemistry there. Maybe Declan's just broken. Or maybe the problem is that the only person he's feeling chemistry with is Sidney. Carina Adores is home to romantic love stories where LGBTQ+ characters find their happily-ever-afters.
