A Necklace of Water #4 Penguin

Every ending is a new beginning. In the first two Immortal Beloved novels, 450-year-old ex-party girl Nastasya Crowe spends five months at River's Edge, a rehab for immortals with troubled pasts. In between uncovering her family's epic magickal history and flirting with Reyn, a heartbreakingly hot Viking wonder boy, Nastasya finally learns that being good is a choice within her power. Just as she's starting to truly change, she discovers that someone is killing immortals around the world and that River's Edge and her new friends may be the next targets. Armed with her own brand of kick-butt magick, Nastasya joins forces with her immortal friends and teachers as they battle an evil that has plagued the world for much too long. By claiming her heritage, Nastasya fights back against darkness...but can she also fight against true love? Probably not if Reyn has anything to say about it. With vivid historical flashbacks, stark emotional reckoning, and laugh-out-loud dialogue, the Immortal Beloved trilogy is a fascinating and unique take on what it would mean to live forever.
