E. H. Gombrich's Little History of the World, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the Little History brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

In the last forty years, many elite performers in the arts have gleaned valuable lessons and techniques from research and advances in sport science, psychomotor research, learning theory, and psychology. Numerous "peak performance" books have made these tools and insights available to athletes. Now, professor and performer Frank Gabriel Campos has translated this concept for trumpet players and other brass and wind instrumentalists, creating an accessible and comprehensive guide to performance skill. Trumpet Technique combines the newest research on skill acquisition and peak performance with the time-honored and proven techniques of master teachers and performers. All aspects of brass technique are discussed in detail,

including the breath, embouchure, oral cavity, tongue, jaw, and proper body use, as well as information on performance psychology, practice techniques, musicians' occupational injuries, and much more. Comprehensive and detailed, Trumpet Technique is an invaluable resource for performers, teachers, and students at all levels seeking to move to the highest level of skill with their instrument.

Chop-Monster is a sequential jazz improvisation method by acclaimed jazz pianist and educator Shelly Berg that utilizes a call-and-response" approach: students listen to a jazz idea, imitate it until it is internalized, and then "try it on their own." In Chop-Monster 1, students will hear and improvise to the Ima7, iim7, and V7 chords in the key of B-flat, plus a basic blues progression. In Chop-Monster 2 students will hear and improvise to the ii-V-I progression in three keys (concert B-flat, E-flat, F)."

(Guitar Educational). This book with online audio explores all the main components necessary for crafting well-balanced rhythmic and melodic phrases. It also explains how these phrases are put together to form cohesive solos. Many styles are covered rock, blues, jazz, fusion, country, Latin, funk and more and all of the concepts are backed up with musical examples. The 50 ideas are divided into five main sections: The Basics covers fundamental but all too often forgotten techniques, such as slurs and vibrato, that can breathe new life into your phrases; Melodic Concepts

explores various aspects of melodic phrasing, such as motifs, chromaticism and sequences; Harmonic Embellishments discusses the melodic potential of harmonic intervals (dyads), chords and chord partials; Rhythmic Concepts explores various aspects of rhythmic phrasing, such as accents, free-time phrasing and metric modulation, and how it pertains to melodic soloing; Solo Structure all of the topics discussed in the book come together to help form the big picture. The companion audio contains 89 demos for listening, and most tracks feature full-band backing. The audio is accessed online using the unique code inside each book and can be streamed or downloaded. The audio files include PLAYBACK+, a multi-functional audio player that allows you to slow down audio without changing pitch, set loop points, change keys, and pan left or right. Also available for keyboard, tenor saxophone and trumpet.

The Audition Playbook is a two-part guide and workbook designed

to help musicians of all instruments and levels efficiently and effectively plan and prepare for orchestra, band, or other ensemble auditions. No matter the goal, the Audition Playbook provides the framework upon which musicians can carefully create, implement, and follow their own plans from start to finish. Many factors go into having a successful audition and every winner will tell you about wildly different tools and secrets that set them apart from the pack. Every person--and every audition--is different. However, there are certain elements that tend to be universal among audition winners, and often, the most important factor is simply having a plan--a thoughtful, deliberate plan--and sticking with it. The Audition Playbook is not a "one-size-fits-all" template and does not set out to plan your entire audition for you. "Part One: The Guide" offers an overview of the the many different facets of audition preparation to consider and provides tools, suggestions, and exercises to implement into your own plan. "Part Two: The Workbook" provides the canvas upon which you will build your personal audition plan. Among the many topics covered: The four phases of audition preparation Goal-setting and re-setting Taking honest assessments of your technique, knowledge of the repertoire, and other skills Planning your daily and weekly practicing The development of performance skills Planning for the unexpected Recording your practice Mock auditions Writing your "Audition Day Script" Reflecting on your auditions Whether you're already a regular on the audition trail, a first-timer new to the world of auditions, or an already-established professional looking to up your game, the Audition Playbook is for you. \*\* Rachele Jenkins is an accomplished horn player who has played with the Los Angeles Philharmonic, Montréal Symphony, Iceland Symphony, Hawaii Symphony, and many other orchestras and chamber ensembles around the world.
