Why is nonviolent civil disobedience (divine disobedience) an imperative for bringing about disarmament? What is the connection between faith, nonviolence, and resistance? How does one prepare for nonviolent acts of resistance? How does one respond to the charges brought in court? How does one view and cope with the consequences of imprisonment? How have some people nonviolently responded to U.S. intervention in Iraq and Central America and in war-torn countries like Bosnia? What are the main tenets of U.S. nuclear and foreign policy in the post-Cold War era? What is the human cost of weapons production? What does it mean to live in a national security state? What are some of the challenges faced by people in the U.S. who are concerned about justice and peace? The primary goal of this revised edition of *Swords into Plowshares* is to provide some initial answers to these and related questions. Contributors to this edition include: Bob

Aldridge, Daniel and Philip Berrigan, Samuel H. Day Jr., Jim and Shelly Douglass, Elizabeth McAlister, Molly Rush, and a host of other activists.

WINNER OF THE COSTA FIRST NOVEL AWARD A NATIONAL BOOK FOUNDATION 5 UNDER 35  
 WINNER OF THE BRITISH BOOK AWARD FOR DEBUT FICTION “Open Water is tender poetry, a love song to Black art and thought, an exploration of intimacy and vulnerability between two young artists learning to be soft with each other in a world that hardens against Black people.”—Yaa Gyasi, author of *Homegoing* In a crowded London pub, two young people meet. Both are Black British, both won scholarships to private schools where they struggled to belong, both are now artists—he a photographer, she a dancer—and both are trying to make their mark in a world that by turns celebrates and rejects them. Tentatively, tenderly, they fall in love. But two people who seem destined to be together can still be torn apart by fear and violence, and over the course of a year they find their relationship tested by forces beyond their control. Narrated with deep intimacy, *Open Water* is at once an achingly beautiful love story and a potent insight into race and

masculinity that asks what it means to be a person in a world that sees you only as a Black body; to be vulnerable when you are only respected for strength; to find safety in love, only to lose it. With gorgeous, soulful intensity, and blistering emotional intelligence, Caleb Azumah Nelson gives a profoundly sensitive portrait of romantic love in all its feverish waves and comforting beauty. This is one of the most essential debut novels of recent years, heralding the arrival of a stellar and prodigious young talent.

“We have performed side-by-side on the global stage through half a century.... In *Lightning Striking*, Lenny Kaye has illuminated ten facets of the jewel called rock and roll from a uniquely personal and knowledgeable perspective.” –Patti Smith An insider’s take on the evolution and enduring legacy of the music that rocked the twentieth century Memphis 1954. New Orleans 1957. Philadelphia 1959. Liverpool 1962. San Francisco 1967. Detroit 1969. New York, 1975. London 1977. Los Angeles 1984 / Norway 1993. Seattle 1991. Rock and roll was birthed in basements and garages, radio stations and dance halls, in cities where unexpected gatherings of artists and

audience changed and charged the way music is heard and celebrated, capturing lightning in a bottle. Musician and writer Lenny Kaye explores ten crossroads of time and place that define rock and roll, its unforgettable flashpoints, characters, and visionaries; how each generation came to be; how it was discovered by the world. Whether describing Elvis Presley's Memphis, the Beatles' Liverpool, Patti Smith's New York, or Kurt Cobain's Seattle, *Lightning Striking* reveals the communal energy that creates a scene, a guided tour inside style and performance, to see who's on stage, along with the movers and shakers, the hustlers and hangers-on--and why everybody is listening. Grandly sweeping and minutely detailed, informed by Kaye's acclaimed knowledge and experience as a working musician, *Lightning Striking* is an ear-opening insight into our shared musical and cultural history, a magic carpet ride of rock and roll's most influential movements and moments.

The man who led the salvage efforts to raise a sunken US Navy submarine recounts the mission in a tale "that will surely rank among the epics of the sea" (The Philadelphia Inquirer). The sinking of the submarine S-51 was one of the greatest tragedies in American naval history. Due to a miscommunication and subsequent collision between the sub and a passing steamship on a September night, the S-51, including thirty-three of its crew of thirty-six, sank to the ocean depths. The tragedy of the S-51 captivated the nation, and was a fixture in the pages of American newspapers. The story took on a whole new dimension when the navy decided to take over the salvage of the thousand-ton behemoth from a civilian company. Heading the crew tasked with this impossible feat was Edward Ellsberg, at the time a lieutenant commander. On the Bottom is Ellsberg's account of the successes and failures he and his men experienced as they attempted an astonishing feat of engineering and bravery: the first salvage of a submarine from the open ocean. *Time Awareness for All Musicians* Ficalora Music Publishing

Wrecking his heart wasn't part of the plan. One year to accomplish a dream. One year to leave my mark in the world. One year to live my life pretending that I'm not irrecoverably and completely in love with a man I can never have. I wish he would go away. I wish he would stop looking at me like I'm his everything. I wish...I had more than a year. \*\*Part two of Saylor and Oliver's story\*\*

Finally, his parents could look upon him with pride. Nothing good lasts forever as fate can be cruel. Tragedy struck when they attacked, a lycan hoard composed of capital slaves, lead by the infamous warlord known as Alpha. Trapped in servitude to the man who killed his family, war has settled over the land. "In shock and grief the last remnants of the human race watched from space as the holocaust of war raged across the face of the Earth. Now the future rested in the hands of three fragile space colonies: 'Aguinaldo'--The Philippine L-5 colony whose brilliant biochemist had engineered a limitless supply of food. 'Kibalchich'--The Soviet space exploration platform that harbored a deadly secret. 'Orbitech I'--The American space factory whose superstrong weavewire could be a lifeline to

link the colonies--or a cutting edge weapon of destruction. As allies, they could unite to rebuild a better world. As enemies, they could destroy mankind's last hope for survival."--Pg. [4] of cover. *Manual...* Lulu.com

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

I am Tommy Lee, born Thomas Lee Bass in Athens, Greece, on October 3, 1962, and raised in a suburb of California by an American father and a Greek mother. At seventeen, I joined Mötley Crüe and we became one of the baddest-ass rock bands in history. We sold over 40 million albums, we wreaked havoc, we scared parents, and we titillated too many fathers' daughters. I've been married three times: once for just a few days to a Penthouse Pet, for seven years to Heather Locklear, and then for five years to Pamela Anderson, with whom I have two beautiful sons. I've gotten into a lot of fights and I've been to jail a few times. But this book isn't your typical journey in a straight line from day one to day now. I'm more interested in revealing what's most important about my life, like how I cook my steaks; what I think of the tabloids, the truth, my ex-wives, my ex-band, my music; and what an innocent observer might find hanging around my house any given Sunday. You'll get plenty of facts and I'll tell you a story, but my real mission here is to paint you a

picture of my life. I want to show you how my memories smell. I'd like to get into it now, so please take your seats. I advise you to keep your arms and legs inside the car at all times. If you have a pacemaker, a heart condition, or if you are pregnant or too damn short to reach the safety bar, I

ask that you turn back immediately. Those with weak stomachs, strict morals, or chronic indigestion should put the book down now. For the rest of you, there's one truth that's real across the board: What you send out is what you get back. Send out the good, people, and it will come

back to you. There's another thing I've learned over the years, in court, in fights, and in arguments with people I love: There isn't one truth, there are many. This book is my truth. NOTE: THE EBOOK DOES NOT INCLUDE PHOTOGRAPHS THAT APPEAR IN THE PRINT EDITIONS.
