### **Understanding The Bible** Moody Publishers

Reading the Bible doesn't need to be a difficult journey through strange and bewildering territory. *How to Read the Bible Book by Book* walks you through the Scriptures like an experienced tour guide, helping you understand each of its sixty-six books. For each book of the Bible, the authors start with a quick snapshot, then expand the view to help you better understand its message and how it fits into the grand narrative of the Bible. Written by two top evangelical scholars, this survey is designed to get you actually reading the Bible knowledgeably and understanding it accurately. In an engaging, conversational style, Gordon Fee and Douglas Stuart take you through every book of the Bible using their unique approach: **Orienting Data**—Concise info bytes that form a thumbnail of the book. **Overview**—A brief panorama that introduces key concepts and themes and important landmarks in the book. **Specific Advice for Reading**—Pointers for accurately understanding the details and message of the book in context with the circumstances surrounding its writing. **A Walk Through**—The actual section-by-section tour that helps you see both the larger landscape of the book and how its various parts work together to form the whole. *How to Read the Bible Book by Book* can be used as a companion to *How to Read the Bible for All Its Worth*. It also stands on its own as a reliable guide to reading and understanding the Bible for yourself.

### [30 Days to Understanding the Bible](#) Baker Books

This book examines the small library of 24 books common to all Jewish and Christian Bibles—books that preserve the efforts of diverse writers over a span of many centuries to make sense of their personal experiences and those of their people, the ancient Israelites. Professor Christine Hayes guides her readers through the complexities of this polyphonous literature that has served as a foundational pillar of Western civilization, underscoring the variety and even disparities among the voices that speak in the biblical texts.

### [An Introduction to the Old Testament](#) Moody Publishers

Fully grasp how every part of Scripture fits together to point to and reveal the glory of Christ Jesus. From beginning to end, the Bible reveals the glory of Jesus. But for many Bible readers, it doesn't seem that simple. We're often unsure how the Bible's many stories, characters, events relate together and connect to Jesus. Some are tempted to force the pieces of the Bible together, making superficial jumps to him. Others give up trying to understand the Bible altogether. *Christ from Beginning to End* is written to help Christians understand just how the different stories and parts of Scripture fits together to reveal the glory of Christ Jesus. In Part 1, Wellum and Hunter reintroduce us to the Bible—what it is, how it comes to us, and what it's centrally about. Then, in Part 2, they walk from one side of the Bible's story to the other, carefully tracing its storyline from Genesis to Revelation. As readers see how our triune God's plan unfolds through his covenants, they will be equipped for a lifetime of seeing Christ's glory in Scripture. From this book, you'll learn how to: Read the Bible according to the three biblical contexts: the immediate context, the context of the unfolding story, and the context of the whole story centered in Christ. Recognize how different parts of the Bible connect together as part of a unified story. Embrace the story of the Bible as our own, to live this story out, and to share this story with our neighbors and the nations. You will also see the Bible's multi-layered story and how it is held together by the one plan of God to glorify himself in salvation. You'll come away with a greater awareness of our need as sinners, of the triune God in all of his grace, and of Jesus as the incarnate Son in all of his glory.

### **30 Days to Understanding the Bible, 30th Anniversary**

InterVarsity Press

The Bible: enduring truths, lasting influence, complex relationships, and relevant approaches for living.

### **You Can Understand the Bible** Paulist Press

Understanding the Bible will provide you with a foundational knowledge of the entirety of Scripture with a focus on broadening your vision of Jesus Christ. This book answers foundational questions: Who wrote the Bible? What is its message? Why is it thought to be a "holy" book? How does one read and interpret it? By delving into the geographical, religious, and historical concerns that shaped the world of biblical times, you'll see Jesus

as never before: both as a man of his times and culture, and as the culmination of a divine providence that prepared the way for the ministry of the Messiah. Written by renowned preacher, writer, and apologist John Stott, this new, expanded edition includes: Questions at the beginning of each chapter to help you focus. New, up-to-date maps for the chapters on history and geography. An index to help you speedily access areas of interest. *The IVP Introduction to the Bible* Paulist Press

Includes compact disc (cd) with lesson plans, study guides, readings, and other ready-to-print handouts.

### [An Introduction to the Old Testament Pentateuch](#) Zondervan

A survey of the Bible as a whole, with a summary of each book's context, outline, and content.

### **The Abingdon Introduction to the Bible** Moody Publishers

Editor Philip S. Johnston presents the best evangelical thought on the proper interpretation and study of the Bible. Written by a team of international and interdenominational scholars, this resource is designed to set you on your way to responsible biblical interpretation.

### **A Compact Guide to the Whole Bible** Yale University Press

World-renowned scholar and preacher John R.W. Stott embarks on a compelling course of study that first defends the fundamental claims of Christianity and then defines the proper overworkings of these basic beliefs in the daily lives of believers. Here is a sound, sensible guide for those who are seeking an intellectually satisfying presentation of the Christian faith.

### *Introduction to the Bible* TAN Books

*Introduction to Biblical Interpretation*, now in its third edition, is a classic hermeneutics textbook that sets forth concise, logical, and practical guidelines for discovering the truth in God's Word. With updates and revisions throughout that keep pace with current scholarship, this book offers students the best and most up-to-date information needed to interpret Scripture. *Introduction to Biblical Interpretation*: Defines and describes hermeneutics, the science of biblical interpretation Suggests effective methods to understand the meaning of the biblical text Surveys the literary, cultural, social, and historical issues that impact any text Evaluates both traditional and modern approaches to Bible interpretation Examines the reader's role as an interpreter of the

text and helps identify what the reader brings to the text that could distort its message Tackles the problem of how to apply the Bible in valid and significant ways today Provides an extensive and revised annotated list of books that readers will find helpful in the practice of biblical interpretation Used in college and seminary classrooms around the world, this volume is a trusted and valuable tool for students and other readers who desire to understand and apply the Bible.

Understanding the New Testament and Its Message Wm. B. Eerdmans Publishing

An updated version of the popular original, it satisfies the exacting demands placed on any good Bible introduction: Excellent scholarship and clear writing.

The Bible Ignatius Press

This comprehensive introduction guides students through how to read and understand the Bible in the context of the ancient world that produced it. The text explains how ancient societies worked, how documents were created, who preserved them and why, the patriarchal nature of all ancient cultures, and, most importantly, how these cultural characteristics ought to affect our reading of the Bible.

Reading and Understanding the Bible Abingdon Press

How do I get more out of my Bible reading? What was going on during the gap between the Old and New Testaments? How do all the books of the Bible fit together as a whole? This book answers these questions and puts clear, readable Bible study aids at your fingertips. It contains thirteen essays from some of today's best evangelical scholars including C. John Collins, Thomas Schreiner, Gordon Wenham, and Darrell Bock, and will help you to: See the big-picture storyline of the Bible Understand the theology of the Old and New Testaments Read the different sections of Scripture effectively Know what happened between the testaments In addition to essays on each genre of the Bible, the book addresses the general Greco-Roman world and specific Jewish groups at the time of the New Testament. To aid in putting Bible passages in context, it also includes timelines of the Old and New Testaments and intertestamental events. Useful as both a general overview of the Bible and as a tool for more specific reference and training, this book will help you grow in your understanding of Scripture and your ability to apply the Bible to life.

*Understanding the Bible an Introduction and Guide* Fortress Press

A solid, well-done introduction to the New Testament for undergraduates that explores teaching on faith issues, as well as the theology and spirituality of the New Testament. Reflections, study questions, charts, and indexes are included. + How to Read the Bible Book by Book Thomas Nelson Examines "christology's"--Or evaluations of Jesus' identity and divinity--based upon his words, his public ministry, and the Resurrection.

Literarily Zondervan

This book provides an in-depth look at the most well structured gospel record originally designed to address Jewish questions about Jesus but later used by the early church as a primer for new Christians.

**A General Introduction to the Bible** Baker Academic

An upper-level introduction to the Old Testament that offers students a thorough understanding of three key issues: historical background, literary analysis, and theological message. This second edition of An Introduction to the Old Testament integrates recent developments in Old Testament scholarship. It has many distinctive features that set it apart from other introductions to the Old Testament: It's committed to a theologically evangelical perspective. Emphasizes "special introduction"—the study of individual books. Interacts in an irenic spirit with the historical-critical method. Features points of research history and representative scholars rather than an exhaustive treatment of past scholarship. Deals with the meaning of each book, not in isolation but in a canonical context. Probes the meaning of each book in the setting of its culture. Including callouts, charts, and graphs, An Introduction to the Old Testament is written with an eye to understanding the nature of Old Testament historiography. Perfect for seminary students, professors, and Bible teachers and ministry leaders, as well as anyone looking for an in-depth and balanced approach to Old Testament study.

*Introduction to the Hebrew Bible* InterVarsity Press

This text provides a comprehensive and definitive introduction to the literature, cultures, and theologies of the early Jewish and Christian traditions. Designed to be read with selected passages from the Bible and the Apocrypha, An Introduction to the Bible offers essential information to students with little or no experience in the academic study of religion. It will help students gain a solid background for future work in biblical studies. The revised edition includes information regarding new directions in biblical studies, a revised bibliography, and a subject index - as well as maps, charts and photographs. "This volume is pedagogically self-aware. Here speak teachers who live close to the teaching environment. The narrative account of a great deal of material is patient, attentive to detail, willing to pause to provide small instructional clues, all the time keeping the big picture in focus. This second edition of the book attests both to

the vitality of its authors and to the positive reception the book has already enjoyed. Given the large cultural crisis upon us, such instruction in a context that reaches beyond 'the choir' is welcome and enormously important. Clear, well organized, up to date, and reflective of reliable scholarly consensus. Most important, I suspect, is the likelihood that its student-users will sign up for more scripture study....[The book] will help students generate not only a beginning with the Bible, but a long-term interest." --Walter Brueggemann, Columbia Theological Seminary, Decatur, Georgia. "As most instructors of introductory survey courses in biblical studies will attest, finding a suitable textbook can be quite a challenge. The revised edition of *An Introduction to the Bible* marks a strong contribution to the field. It is a well-structured, clearly written textbook. The authors incorporate

many of the newest discussions regarding the formation and subsequent understandings of both the Hebrew Bible and the New Testament. Students using this book will be exposed to the rich content of ancient Near Eastern studies. They will also find themselves challenged to read these classical texts using some of the most recent hermeneutic arguments in circulation....An Introduction to the Bible provides an excellent entry point for a critical approach to the sacred texts of Judaism and Christianity." --C. Shaun Longstreet, Texas A&M University, excerpted from the *Review of Biblical Literature*, August 2003.

*Understanding the Bible* Harvest House Publishers  
The Pentateuch--Genesis, Exodus, Leviticus, Numbers, Deuteronomy--are the vital first books in the Bible. understanding the scope, meaning, and events of these five books is integral to

understanding the whole of Scripture that follows. Old Testament expert Herbert Wolf provides layreaders and scholars alike with a strong undergirding of understanding and knowledge in this introduction that reveals both the seriousness and excitement of the Pentateuch. Readers will find Adam, Abraham, Joseph, Moses and Joshua in these pages, as well as terrible sin and glorious forgiveness, bloody sacrifices and battles, deadly betrayal and life-giving hope. Wolf first addresses the overarching themes that flow through the Pentateuch, with special attention given to Moses as author of the five books. He then addresses each book specifically, covering topics such as purpose and scope, and literary structure. He tailors additional study to each specific book. This book contributes significantly to a clear, deep understanding of the Bible's first five books.
