Environment Media Crime

And Criminal Justice The

media has always had a

profound effect on how

the public perceives and

understands the criminal justice system. To a large extent, the media shapes the workings of the

system. Aside from the massive interest that the general public has with

crime and criminals, people want to know how those crimes are

discovered and dealt with by the system (Marsh and Melville, 2009). Role of the

Media in the Criminal

Justice System Ray Surette has a doctorate in
