**Masters of Music** Hal Leonard Corporation

The volume 2 hardcopy edition of the popular method book series from [thisisclassicalguitar.com](http://thisisclassicalguitar.com) and [wernerguitareditions.com](http://wernerguitareditions.com). This book teaches classical and fingerstyle guitar skills with a focus on reading tonal music. It includes solos, duos, chords, and exercises, giving students a well-rounded and enjoyable musical experience. Designed as a manageable amount of material, it supplements weekly lessons and prepares students for early intermediate repertoire. The four sections of study allow students to focus on specific strengths and weaknesses in the learning process. YouTube video lessons provide students extra help with musicality and guitar technique.

**Tommy Tedesco: For Guitar Players Only** muse eek publishing

Bruce Arnold presents hard-core exercises for learning how to read music and pitch locations for every note on the guitar. Exercises for each string are presented in all keys. Free audio files are available in the "Member's Area" of the [muse-eek.com](http://muse-eek.com) website.

(Berklee Guide). Improve your command of the guitar by mastering the essential scales and their fingerings. This reference will help you play scales up, down and across the fingerboard, in all keys. You will learn multiple scale fingering options to suit different musical contexts. Practice exercises will help you build your muscle memory as you play different fingering patterns across the strings, and then expand them to three octaves. Graphical illustrations, exercises, and etudes will help reinforce all the most useful scale types. Traditional notation and tablature are included.

*Sight Reading for the Contemporary Guitarist* Berklee Press Publications

(Guitar Educational). The Guitarist's Guide to Music Reading features detailed step-by-step instruction, loads of sight-reading examples, invaluable tips and secrets from an industry pro, and over 600 audio files. "If you are reading this book I am excited for you. What you have in front of you is a powerful tool to help you understand the language of music. Chris Buono's explanations are sharply focused and designed for guitarists who have had minimal exposure to the concepts behind music notation. This is consistent with his approach to teaching guitar fundamentals. He has a gift for breaking down sophisticated musical concepts and replacing them with the salient points that kickstart your learning process." Dweezil Zappa

*Modern Reading Text in 4/4* Fundamental Changes Limited

Jazz guitarist Goodrick teams with Miller to explain his system of Generic Modality Compression, a way of studying harmony which allows guitarists to discover fresh and unusual chord voicings.

With an introduction and appendix.

*Playing with Ease* Mel Bay Publications

This book has become a classic in all musicians' libraries for rhythmic analysis and study. Designed to teach syncopation within 4/4 time, the exercises also develop speed and accuracy in sight-reading with uncommon rhythmic figures. A must for all musicians, especially percussionists

interested in syncopation.

*The First 20 Hours* Independently Published

A great supplement to any note-reading guitar method. Helps students methodically learn the fretboard from the second position upward. the book contains fun-to-play studies and songs in upper fretboard positions, as well as giving the student scales, rhythmic studies, and periodic reviews of positions previously studied. In the author's words, Learning the positions is a must if you are ever to become expert on the guitar. Written in standard notation only.

**Advanced Reading Studies for Guitar (Music Instruction)** Hal Leonard Corporation

Up until a few years ago, finding guitar players who could sight read melodic lines was about as rare as sighting a whooping crane. Today, because of widespread study and the use and popularity of the guitar, melodic sight reading has become an essential part of guitar playing. It is now

important for a working guitarist to be as proficient at sight reading as any brass or woodwind player. Rhythms in this book are extremely complex, compelling the player to focus on learning the guitar fretboard.

**A Modern Method Guitar** Berklee Press Publications
