gives practical
tools for
acting,
auditioning
and marketing
yourself, all
the while
keeping your
faith strong
and letting

'THE LIGHT'
shine in the
entertainment
industry.
Author Scott
Lairson
shares, In my
many years as
a Casting
Director in
Hollywood, I
saw Christian
actors
struggle,
compromise
and not
understand
what it took
spiritually,
physically,

emotionally
and financially
to make it in
this business.
'God, I Wanna
Be an Actor'
was written as
a tool to help
you discover
who you are in
HIM, and to
give you a
vision and
plan for your
life, as you go
on this life
long journey
of being an
actor. If you
feel called to

be an actor, this essential handbook is for you!

About the Author Scott Lairson worked in Hollywood in casting for over 15 years. His projects have included Emmy Award winning NYPD Blue and various other Steven Bochco Productions such as Brooklyn South, City of Angels, NYPD 2069, Over There, Philly and Blind Justice

Nikolai Demidov

Routledge
The collaboration of director and actor is the cornerstone of narrative filmmaking. This book provides the director with a concrete step-by-step guide to preparation that connects the fundamentals of film-script analysis with the actor's process of preparation. This book starts with how to identify the overall scope of a project from the creative perspective of the director as

it relates to guiding an actor, before providing a blueprint for preparation that includes script analysis, previsualization, and procedures for rehearsal and capture. This methodology allows the director to uncover the similarities and differences between actor and director in their preparation to facilitate the development of a collaborative dialogue. Featuring chapter-by-

chapter exercises and assignments throughout, this book provides a method that enables the director to be present during every stage of production and seamlessly move from prep to filming, while guiding the actor to their best performances. Written in a clear and concise manner, it is ideal for students of directing, early career, and self-taught directors, as

well as cinematographers, producers, or screenwriters looking to turn their hand to directing for the first time. *Actor Movement* Penguin William Esper, one of the leading acting teachers of our time, explains and extends Sanford Meisner's legendary technique, offering a clear, concrete, step-by-step approach to becoming a truly creative actor. Esper worked closely

with Meisner for seventeen years and has spent decades developing his famous program for actor's training. The result is a rigorous system of exercises that builds a solid foundation of acting skills from the ground up, and that is flexible enough to be applied to any challenge an actor faces, from soap operas to Shakespeare. Co-writer Damon DiMarco, a former student of

Esper's, spent over a year observing his mentor teaching first-year acting students. In this book he recreates that experience for us, allowing us to see how the progression of exercises works in practice. The Actor's Art and Craft vividly demonstrates that good training does not constrain actors' instincts—it frees them to create characters with truthful and compelling inner lives.

How to Be a Working Actor, 5th Edition
iUniverse
Succeeding in acting is no accident. The Twelve Step Plan to Becoming an Actor in L.A. is an innovative step-by-step plan for turning dreams into reality. This one of a kind guidebook, written by two working actors turned casting director and drama therapist, will jump start any actor's career.
Authors Dawn Lerman and Dori Keller navigate the actor month

by month through a year in Los Angeles. The Twelve Step Plan to Becoming an Actor in L.A. is supplemented with acting and self-help exercises, monthly progress pages, career/financial worksheets, journal pages, inspiring quotations, and personal stories that complement and sustain the spirit. With every step, this in-depth text imparts key lessons from professionals. Lerman and

Keller share the insider's black book of photographer referrals, classes, resume services, car rentals, insurance brokers, expert and affordable body/beauty services, and numerous other useful resources. The Twelve Step Plan to Becoming an Actor in L.A. is the new bible for aspiring actors in Los Angeles.

Be an Actor

Faber & Faber 'You are an actor. You have worked hard to be an

actor. You have made a considerable outlay, financially or emotionally, and often both, to do this. So do it. Do it with style. Do it wholeheartedly. Do it every day. Be a working actor.' Being a working actor isn't just about the days you spend rehearsing or performing. It's about approaching your chosen occupation with dedication, energy and focus, so that you always think of

yourself as an actor - especially on those days when you're not acting - and that every single day you do something, however small, to help further your career.

Written by the Chairman of the Actors Centre, with over forty years' experience as an actor himself, The Working Actor is the essential guide to putting yourself in the best possible position to get work, to keep getting it, and

to make a living from it. It covers a comprehensive range of topics including: Finding work: the types of jobs on offer, how to track them down, working with your agent Landing the job: nailing auditions and meetings (and how they can go wrong), writing a winning letter Promoting yourself: compiling a showreel, building your website, choosing (and resembling!) your headshots,

networking both on- and offline Supporting yourself: choosing a suitable day job, joining Equity, staying positive, avoiding feeling isolated Each chapter features a work task to inspire you to reflect on what you've learned and to put your knowledge into practice. By the end of the book, armed with your own personal Working Actor Plan, you'll be ready to find

your path in the industry, manage your career, and maximise your potential. The Working Actor is an inspiring, reassuring book for actors of all ages and backgrounds - from recent graduates, to more experienced professionals - who want to take their career to the next level. It won't teach you how to act - but it will teach you how to be an actor. 'Paul Clayton's great experience as a working actor shines

through these pages. His passion for our profession remains undimmed, but he doesn't disguise the pitfalls and doldrums that are an inevitable part of an actor's life. Paul's book is an essential companion to anyone starting out, and pretty damn useful to those already out there. I only wish he'd written it forty years ago.'

Alex Jennings
'The most comprehensive, informed and practical

advice on the job of acting you are likely to find.' Paul Clarkson, Head of Acting, Bristol Old Vic Theatre School 'If you need advice as an aspiring actor, Paul Clayton is the man to go to. A must-have - and a good read too!'

Anita Dobson
Voice Over Acting
Rowman & Littlefield
The celebrated survival guide for the working actor - now completely updated and expanded with

a foreword by Tony award-winning actor Joe Mantegna! Renowned for more than two decades as the most comprehensive resource for actors, *How to Be a Working Actor* is a must-read for achieving success in *The Business*. Now this "Bible of the Biz" has been completely revised and greatly expanded to address new markets, ever-changing opportunities, and the many new ways today's actors find work.

Talent manager, teacher, and career coach Mari Lyn Henry and actress, author, and spokeswoman Lynne Rogers combine their extensive skills and years of experience to cover all the essentials of how to market yourself, land roles, and manage a successful career. They also include expert advice from scores of other industry experts - well-known actors, agents, managers, casting

directors, and teachers. How to Be a Working Actor is loaded with advice on how to: - put together a professional wardrobe - get a head shot that brings out the real you - create a resume that really works - find the training to develop your talents - communicate effectively with agents and managers - use the internet to promote your business and explore new opportunities - get the most value out of

union membership - excel at auditions and screen tests - discover how to get work in regional markets - cope with success How to Be a Working Actor takes a no-nonsense approach to the whole business of being a working actor, with detailed information on how to live on a budget in New York and Los Angeles, what the acting jobs are and what they pay, even how to find a survival

strategy that will augment your career. And an extensive section on script analysis shows you how to investigate the depth of a character to create a memorable audition for roles in theatre, film, and television. *How to Be a Working Actor, 5th Edition* Springer Nature

Have you ever dreamed about becoming an actor or commercial model but had no idea how to get started?

Or, how to take your current career to the next level? Do you live in a small market and think there is no work available, can't find an agent or afraid of being scammed? Actors and commercial models of all ages and sizes, beautiful and real looking, are cast for magazine, newspaper and billboard ads and in TV commercials, films and TV shows. From getting discovered to landing your

dream audition and role, How to Become a Successful Actor and Model is the ultimate step-by-step, no luck required guide to becoming a successful actor and model. For over 34 years, Aaron Marcus has worked as a full-time actor and commercial model, booking over 1,250 jobs. Some of his many bookings includes: Gotham, House of Cards, Heart of Life,

Irresistible, Thespian, Philomena, Halt and Catch Fire, Project Almanac, The Wire and Do No Harm. He has taken all of the strategies, techniques and lessons he has learned over his career and boiled them down into a simple, sensible, engaging, and fun approach to how actors and models can book the job! This book explains how he did it, and how you can too. Aaron teaches you, in a practical, honest, and economical way, his secrets and strategies for getting started and succeeding no matter where you live. Aaron has written this book to not only help those wanting to break into the industry, but also to help those actors and models who want to take their career to the next level. The chapters in How to Become a Successful Actor and Model are: 1. What is Commercial Modeling? 2. Preparation for Commercial Modeling 3. Head Shots 4. Resumes 5. Composite Sheets 6. Makeup 7. Finding a Good Agent 8. How to Get Work 9. How to Work as a Professional Model 10. Auditioning (Including - How to Shoot Home Auditions) 11. The Realities of Being a Full-time Actor and Model 12. Now What Do You Do? 13. Resources **Bonus** Free list of over 500

Ten Speed Press

In A Young Actor Prepares, Jeff Alan-Lee masterfully delivers kids' and teens' acting classes presented as plays in script form. The classes are based on actual semesters at the Young Actor's Studio in Los Angeles and provide

step-by-step approaches to help children and teenagers portray complex characters and tackle emotionally challenging roles. For over thirty years, Alan-Lee has worked with thousands of young people, teaching the work presented in this book. His work has been the springboard for award-winning artists in acting, directing, playwriting, screenwriting, and music. Inspired by Stanislavski's

An Actor Prepares, Alan-Lee has developed engaging and exciting ways to create great acting, using a unique version of the Stanislavski system that he reworked for the young actor. It's a fun and easy method to help children and teens learn to apply Stanislavski-based exercises and use their own life experiences, imagination, and emotions to create authentic acting and performances.

The book is for kids and teens, as well as teachers and parents. Kids and teens can find relatable characters and gain a deeper ability to make their acting shine. Teachers will get a unique look at how to handle a multitude of personalities while teaching the real work to children as young as eight. Parents will discover an actor's process that can lead their kids to greater self-esteem and creativity in all the arts.

So You Want to be an Actor?
BenBella Books
Jenna Fischer's Hollywood journey began at the age of 22 when she moved to Los Angeles from her hometown of St. Louis. With a theater degree in hand, she was determined, she was confident, she was ready to work hard. So, what could go wrong? Uh, basically everything. The path to being a professional actor was so much more

vast and competitive than she'd imagined. It would be eight long years before she landed her iconic role on *The Office*, nearly a decade of frustration, struggle, rejection and doubt. If only she'd had a handbook for the aspiring actor. Or, better yet, someone to show her the way—an established actor who could educate her about the business, manage her expectations, and reassure

her in those moments of despair. Jenna wants to be that person for you. With amusing candor and wit, Fischer spells out the nuts and bolts of getting established in the profession, based on her own memorable and hilarious experiences. She tells you how to get the right headshot, what to look for in representation, and the importance of joining forces with other like-minded

artists and creating your own work—invaluable advice personally acquired from her many years of struggle. She provides helpful hints on how to be gutsy and take risks, the tricks to good auditioning and callbacks, and how not to fall for certain scams (auditions in a guy's apartment are probably not legit—or at least not for the kind of part you're looking for!). Her inspiring, helpful

guidance feels like a trusted friend who's made the journey, and has now returned to walk beside you, pointing out the pitfalls as you blaze your own path towards the life of a professional actor. *The Young Actor's Handbook* Bloomsbury Publishing USA Veteran character actor David Dean Bottrell draws on his 35+ tumultuous years of work in the entertainment

industry to offer a guide to breaking in, making a living, and making a life in the fabulous trenches of show business. Covers every facet of the business, including: - Capturing the perfect headshot - Starting (and maintaining) your network - Picking an agent - Audition do's and don'ts - Joining the union(s): SAG-AFTRA and Actors Equity Association (AEA) - On stage vs on

screen - Paying the bills - Self-promotion - Late bloomers - When to get out David Dean Bottrell has worn many different hats during his decades in showbiz: television actor with appearances on Boston Legal, Modern Family, The Blacklist, Mad Men, True Blood, NCIS, and Days of Our Lives; screenwriter for Paramount and Disney; respected acting teacher at UCLA and AADA; and regular expert

columnist for esteemed acting site Backstage. In Working Actor, Bottrell offers a how-to manual jammed with practical information and insider advice, essential reading for any artist (aspiring or established) in need of insight or inspiration. Mixing prescriptive advice ("Getting Started," "Learning Your Craft," "Finding an Agent") with wisdom drawn from Bottrell's

own professional highs and lows and those of his acting compatriots, this book's humorous, tell-it-like-it-is tone is a must-have guide for anyone hoping to successfully navigate show business. *The Intent to Live* Createspace Independent Publishing Platform
A brilliant new handbook, full of insider information on the realities of attending drama school and pursuing an acting career.

Manifesting 1,2,3 Echo Point Books & Media, LLC (Applause Books). A master actor who's appeared in an enormous number of films, starring with everyone from Nicholson to Kermit the Frog, Michael Caine is uniquely qualified to provide his view of making movies. This revised and expanded edition features great photos, with chapters on: Preparation, In Front of the

Camera Before You Shoot, The Take, Characters, Directors, On Being a Star, and much more. "Remarkable material ... A treasure ... I'm not going to be looking at performances quite the same way ... FASCINATING!" Gene Siskel The Working Actor Penguin
"I call this book *The Intent to Live* because great actors don't seem to be acting, they seem to be actually living." -Larry Moss, from

the Introduction When Oscar-winning actors Helen Hunt and Hilary Swank accepted their Academy Awards, each credited Larry Moss's guidance as key to their career-making performances. There is a two-year waiting list for his advanced acting classes. But now everyone—professionals and amateurs alike—can discover Moss's passionate, in-depth teaching. Inviting you to

join him in the classroom and onstage, Moss shares the techniques he has developed over thirty years to help actors set their emotions, imagination, and behavior on fire, showing how the hard work of preparation pays off in performances that are spontaneous, fresh, and authentic. From the foundations of script analysis to the nuances of physicalization and sensory work, here are the case

studies, exercises, and insights that enable you to connect personally with a script, develop your character from the inside out, overcome fear and inhibition, and master the technical skills required for success in the theater, television, and movies. Far more than a handbook, *The Intent to Live* is the personal credo of a master teacher. Moss's respect for actors and love of the actor's craft enliven every

page, together with examples from a wealth of plays and films, both current and classic, and vivid appreciations of great performances. Whether you act for a living or simply want a deeper understanding of acting greatness, *The Intent to Live* will move, instruct, and inspire you.

Audition

Back Stage Books
Actors are some of the most glamorous people on a movie set. They often

make what they do look so easy, but there's much more to acting than meets the eye. Young thespians will read all about the many aspects of acting in this motivating book, including how to cry on cue, memorize lines, and learn accents. Future action stars will even learn about doing their own stunts. Photographs of actors on the job and sidebars and tips make this volume a beneficial read

for film buffs and aspiring artists alike. [Becoming an Actor](#) XP Publishing
The way some introductory acting books are written, it seems that a literal leg break is your best option. In *The Young Actor's Handbook*, Jeremy Kruse, an actor, writer, producer, and director who teaches method acting, acting for camera, improvisation, and sketch comedy at *The Lee Strasberg Theatre and*

Film Institute in New York, mends this mangled genre, distilling invaluable lessons and years of experience down to a lean, mean, intuitive hundred page primer. Rather than bludgeoning the uninitiated with dense paragraphs, vague concepts, and opaque examples, The Young Actor's Handbook ignites the beginning actor's creative soul with inspirational acting exercises, acting theory, writing exercises, and insight into what it means to be an actor. This concise and pragmatic manual will guide and inform the young actor, beginning actor, novice acting teacher, or anyone who wants to understand acting through a broad and diverse survey of essential knowledge. The teachings of Richard Boleslavsky, Stella Adler, Sanford Meisner, Uta Hagen, Michael Shurtleff, Lee Strasberg, and Constantin Stanislavsky are eloquently and accessibly rendered, as are basics of script analysis, camera technique, the audition mindset, agent acquisition, and the actor's life. Whether you're a curious novice, veteran acting teacher, or even an interested observer, The Young Actor's Handbook will enhance your

understanding of this vast and rewarding craft.

The Actor's Life MIT Press

The casting director for Chicago, Pippin, Becket, Gypsy, The Graduate, the Sound of Music and Jesus Christ Superstar tells you how you can find your dream role!

Absolutely everything an actor needs to know to get the part is here: What to do that moment before, how to use humour; create mystery; how

to develop a distinct style; and how to evaluate the place, the relationships and the competition. In fact, Audition is a necessary guide to dealing with all the "auditions" we face in life.

This is the bible on the subject.

eBook
Partnership Actor Movement: Expression of the Physical Being is a textbook and video resource for the working actor,

the student and all those who lead and witness movement for the actor, including movement tutors, movement directors and directors.

Great actors are not simply great interpreters of text; they are also great interpreters of movement; able to 'embody' all aspects of a character's life, with body and imagination as their instruments. In their work they are expected to

become many bodies, all behaving differently from their own. Actors have to construct, inhabit and offer each character's body, with its multiplicity of known and unknown physical expression. Featuring: Over 155 exercises Four full actor movement processes for creating character Over 20 illustrations and images Complementa ry online footage supporting 26

of the practical elements Inspiring confidence in the actor to make fully owned physical choices and develop a love of movement, this essential new textbook is ideal for those actors seeking to give to their movement all the complexity and range possible for great acting. **Being an Actor** Shaan Sharma Learn how to become a successful working actor in TV

commercials in Los Angeles in this fun, step-by-step guide by top Casting Session Director and commercial actor Shaan Sharma. It covers everything you need to know about the business including how to get started, how to get the right training, and how to get an agent and a manager. The book walks you through the entire process of auditioning, booking and shooting projects; all

from an insider's point of view. Not just for beginners. Even veterans will learn useful tips to help convert more auditions into bookings.

Acting in LA
Hal Leonard Corporation

"I held onto this book for dear life throughout my twenties, and still thumb through it when I need a tune up. If I lose my car keys and I'm frantically turning my house upside down trying to find them I

look up at the heavens and hope she's having a good laugh." - Amanda Peet

"I was extraordinarily privileged to work with Uta Hagen in Circle in the Square's production of George Bernard Shaw's play, You Never Can Tell. She was committed to revealing the truth and we are the beneficiaries of her brilliant observations." - Victor Garber

"CHALLENGE FOR THE ACTOR, written by one of the most

important actors of the 20th Century, is a remarkable source of practical principles on how to be a human being in your work and to not just "act." Uta's purpose for this book is to clarify and update the articulation of her technique as stated in RESPECT FOR ACTING. In "Chapter 8" of this book particularly, she provides a self-empowering approach to acting that is an invaluable resource for

achieving the art of acting for stage, film, and television at its highest level." - Ted Brunetti "Uta Hagen changed my life. She changed the lives of thousands and thousands of other people as well. To have Uta's books and to be able to look through them at the drop of a hat keeps me going and keeps me inspired to keep going." - Austin Pendleton "Uta Hagen's A CHALLENGE FOR THE ACTOR is

simply the bible for any acting student serious about their craft. Even as a professional I refer to it time and again for the basics. It is a touchstone." - Laila Robins "'Cynicism leads to mental illness and insanity.' Words of warning Uta Hagen spoke often to her students. Here in lies the difference between Ms. Hagen's classic RESPECT FOR ACTING and its companion A CHALLENGE FOR THE

ACTOR. She meets head on the soul killing demon that threatens the art and craft of all actors, cynicism. The challenge is to remain curious, caring, innocent, disciplined, educated, and life-loving amid dark times. To have the courage to fight the forces of apathy and disbelief in order to serve with all one's heart the profession that one loves." - Victor Slezak Uta Hagen, one of

the world's most renowned stage actresses, also taught acting for more than 40 years at the HB Studio in New York. Her first book, *Respect for Acting*, published in 1973, remains a best seller in print. In this edition of her second classic book, *A Challenge for the Actor*, she greatly expands her thinking about acting in a work that brings the full flowering of her artistry, both as an actor and as a

teacher. She raises the issue of the actor's goals and examines the specifics of the actor's techniques. She goes on to consider the actor's relationship to the physical and psychological senses. There is a brilliantly conceived section on the animation of the body and mind, of listening and talking, and the concept of expectation. But perhaps the most useful are the exercises that Uta Hagen has created and

elaborated to help the actor learn his craft. The exercises deal with developing the actor's physical destination in a role; making changes in the self serviceable in the creation of a character; recreating physical sensations; bringing the outdoors on stage; finding occupation while waiting; talking to oneself and the audience; and employing historical imagination. The scope and range of Uta

Hagen here is extraordinary. Her years of acting and teaching have made her as finely seasoned an artist as the theatre has produced.

When I Grow Up I Want to Be an Actor

A Challenge for the Actor
Accurate, experience-tested information on every step needed to give your child the best possible opportunity to make it in Hollywood.
Inspiration.
Resources to help you on your own

journey, and even help you decide if this dream is right for you and your family to pursue at all. My daughter Dove and I moved to Los Angeles from an island in Washington State when she was fourteen, armed only with her headshot, resume of community theater roles, and her dream. What I didn't know about what we were doing would fill a large book. Today, Dove is a grounded,

successful young woman with her own show on the Disney Channel, and four films to her credit, as well as numerous other TV and music credits. We have been incredibly fortunate, and this book is my way of sharing what we've learned- and what some other parents of young stars have learned- in the hope that more families might save themselves some pain and precious time.

Hollywood is filled with tragic stories of people who crashed on the edge of this dream. It doesn't have to be that way. I can help you navigate this world with your child. Features interviews with industry experts and the parents of other young Hollywood stars, including Olivia Holt, Luke Benward, Cameron Boyce, Ryan McCartan, Jordan Fisher, and more. Visit my website for updated

resources and helpful information: <http://www.HollywoodParentsGuide.com>"If you have a child who is interested in getting into 'the business' THE HOLLYWOOD PARENTS GUIDE is an absolute MUST READ. Bonnie writes from the heart and the result is not only warm and funny, but full of useful information. Real stories from real parents of real kids working in the industry - tips and

advice from casting directors, agents and other industry professionals. It's like arming yourself with a mini toolbox full of all the tools that you'll need to help guide you as you venture along this journey with your child. I should make it required reading for the parents of all of my clients!" Pamela Fisher Vice President Abrams Artists Agency - Head of Youth and Young Adult"From A

to Z The Hollywood Parents Guide answers every question I have received as a Casting Director and more. If your child wants to be a professional actor, the first thing you need to realize is that acting is a business and as in any business, there are rules to help guide you. Bonnie Wallace has given parents a How to Guide that is a must read."Suzanne Goddard-SmytheCasting

DirectorNominated for two Artios Awards for Outstanding Achievement in Casting"First let me say that The Hollywood Parents Guide is a fantastic book! Finally there is a guide to help parents steer their kids performing career. Thousands of parents have asked me for just such a book. There are a couple on the market already but they are written by agents or acting

coaches. What parents have needed is a book written by one of them! And Bonnie has done a superb job writing it. The information is not only current but from the heart. If you have a little tyke that is driving you crazy to be on TV pick this one up!"Chambers Stevens, Author of the Hollywood 101 Series5-time winner of the Backstage Readers Choice Award"An absolute play
