The Northern Fur Seal

Candlewick Press (MA)

This beautifully designed picture book will be a delight for adults and children to share and discover together what goes on at night when they're asleep. Each spread explores a different night-time world; as well as the city and woods, we visit a coral reef, the North Pole, a jungle, a busy port, the Australian outback, a

factory where robots are making cars and even outer space... This is a delightful and surprising book that will engage young and old alike.

Book of the Dead

Treehouse Books

From @wilderpoetry

comes a heavily expanded revised edition of Nocturnal, a collection of poetry and beautifully illustrated black-and-white imagery inspired by darkened days and sleepless nights. Poetry meets presentation in each of the four sections ("Dusk," "Northern

Lights," "Howl," "Lucid Dreams,"), which trace the author's continuing journey of self-discovery while illuminating a path for others along the way. Ink stains, landscapes, dreamlike animals, blackened pages, and textured spreads create a multifaceted reading experience. And true to the moniker, these poems are linked by a motif of "the wild." Celebrating the art of self-love poetry with both word and image, Nocturnal will leave readers comforted, curious, and inspired to

explore the world around them.
