In this new edition of a modern classic, Thomas Howard contrasts  
 the Christian and secular worldviews, refreshing our minds with  
 the illuminated vision of reality that inspired the world in times  
 past and showing us that we cannot live meaningful lives without  
 it. Howard explains in clear and beautiful prose the way  
 materialism robs us of beauty, depth, and truth. With laser  
 precision and lyrical ponderings he takes us through the dismal  
 reductionist view of the world to the shimmering significance of  
 the world as sign and sacrament. More timely now than when it  
 was first written, this book is a prophetic examination of modern  
 society's conscience.

The stories in *Plugging the Causal Breach* explore the lives of a  
 disparate collection of characters from French life. Many live in  
 the shadow of the wonders of historic Paris, others in the villages  
 of Normandy, others still in the French Midi. Here, tellingly  
 brought together, they form the scattered mosaic of a historical  
 puzzle that is far beyond the individual's grasp. Some choose to  
 be loners: furniture vendor M. Pierre, the drunken truck driver at  
 the door of a cheap hotel, the sculptor watching his building go  
 up in flames, a depressed estate agent. Others fight something  
 bigger than themselves: Zorica's trouble with the French  
 administration, the harassment Chantal endures while working  
 within it. There are traces of an older France in stories from

Normandy, in the tale of a German ex-POW's war and his courageous local companion, in the account by a former chateau cook of what may be a rural myth. These stories depict a lesser-known France, brimming with communicative boldness, resilience, and humor.

"The Universal self-instructor is nothing less than it pretends to be: an Epitome of Forms, especially adapted for purposes of self-instruction and general reference in the various departments of Education, Commerce, Law, Home, Society, and Amusements. Every young man and young woman ; every business man, farmer, and mechanic ; every housewife and lady of society ;--in fact every intelligent member of the community should have it within reach for consultation on those numerous minor matters that a well-educated person is supposed to know. The Reading Public has been amply supplied for years with reference books of every description, but the present volume may be said to occupy a field peculiarly its own, as the people have never before been furnished with a publication embracing in a single volume such a quantity of practical information, and treating the wants of every-day life in a lucid, instructive and agreeable manner. Such articles as Elocution, Penmanship, Book-keeping, Letter-writing, Mercantile Law, Music, Stenography, Phrenology, Agriculture, Social Etiquette, Out-door Sports, In-door Amusements, Physical Culture, The Domestic Circle, Household Receipts, Parliamentary Law, etc., have been prepared by writers of reputation and large experience in the special subjects given them for treatment"-- Preface.

When young Mary Howard receives the news that she will be leaving her home for the grand court of King Henry VIII, to attend his mistress Anne Boleyn, she is ecstatic. Everything Anne touches seems to turn to gold, and Mary is certain Anne will one day become Queen. But Mary has also seen the King's fickle nature and how easily he discards those who were once close to him. . . Discovering that she is a pawn in a carefully orchestrated plot devised by her father, the duke of Norfolk, Mary dare not disobey him. Yet despite all of her efforts to please him, she too falls prey to his cold wrath. Not until she becomes betrothed to Harry Fitzroy, the Duke of Richmond and son to King Henry VIII, does Mary finds the love and approval she's been seeking. But just when Mary believes she is finally free of her father, the tides turn. Now Mary must learn to play her part well in a dangerous chess game that could change her life--and the course of history. "A beautifully written story with wonderful attention to detail. I loved the book." --Diane Haeger, author of *The Queen's Mistake* "Throbs with intensity as it lays bare the secret delights of Tudor court life and the sudden, lethal terrors. A tale of innocence and ruthless ambition locked in a love-hate embrace." --Barbara Kyle, author of *The King's Daughter* D.L Bogan is a history major, aiming for a master's so that she might lecture one day. We often make small ethical compromises for "good" reasons:

We lie to a customer because our boss asked us to. We exaggerate our accomplishments on our résumé to get an interview. Temptation blindsides us. And we make snap decisions we regret. Minor ethical lapses can seem harmless, but they instill in us a hard-to-break habit of distorted thinking.

Rationalizations drown out our inner voice, and we make up the rules as we go. We lose control of our decisions, fall victim to the temptations and pressures of our situations, taint our characters, and sour business and personal relationships. In *Ethics for the Real World*, Ronald Howard and Clinton Korver explain how to master the art of ethical decision making by: Identifying potential compromises in your own life Applying distinctions to clarify your ethical thinking Committing in advance to ethical principles Generating creative alternatives to resolve dilemmas Packed with real-life examples, this book gives you practical advice to respond skillfully to life's inevitable ethical challenges. Not only can you make right decisions, you can acquire new habits that will realize the best in yourself and transform your relationships.

From the Pulitzer Prize-winning author of *A Thousand Acres* comes the first volume of an epic trilogy that takes us on a

literary adventure through cycles of birth and death, passion and betrayal that will span a century in America. "Intimate.... Miraculous.... Staggering.... A masterpiece in the making." —USA Today 1920, Denby, Iowa: Rosanna and Walter Langdon have just welcomed their firstborn son, Frank, into their family farm. He will be the oldest of five. Each chapter in this extraordinary novel covers a single year, encompassing the sweep of history as the Langdons abide by time-honored values and pass them on to their children. With the country on the cusp of enormous social and economic change through the early 1950s, we watch as the personal and the historical merge seamlessly: one moment electricity is just beginning to power the farm, and the next a son is volunteering to fight the Nazis. Later still, a girl we'd seen growing up now has a little girl of her own.

*Memoirs of Pliny Earle*, M.D. Abrams

By the #1 New York Times bestselling author, a novel of passion and power at the court of a medieval killer, a riveting new Tudor tale featuring King Henry VIII's sixth wife Kateryn Parr. Kateryn Parr, a thirty-year-old widow in a secret affair with a new lover, has no choice when a man old enough to be her father who has buried four wives—King Henry VIII—commands her to marry him. Kateryn has no doubt about the danger she faces: the previous queen lasted sixteen months, the one before barely half a year. But Henry adores his new bride and Kateryn's trust in him grows as she unites the royal family, creates a radical study circle at the heart of the court, and rules the kingdom as Regent. But is this enough to keep her safe? A leader of religious reform and the first woman to publish in English, Kateryn stands out as an independent woman with a mind of her own. But she cannot save

the Protestants, under threat for their faith, and Henry's dangerous gaze turns on her. The traditional churchmen and rivals for power accuse her of heresy—the punishment is death by fire and the king's name is on the warrant... From the bestselling author who has illuminated all of Henry's queens comes a deeply intimate portrayal of the last: a woman who longed for passion, power, and education at the court of a medieval killer.

From cult comedy icon and beloved radio host Tom Scharpling, an inspiring, funny, and thoughtful memoir *It Never Ends* is Tom Scharpling's harrowing memoir of his coming of age, a story he has never told before. It's the heartbreaking account of his attempt at suicide, two stays in a mental hospital, and the memory-wiping electroshock therapy that saved his life. After his rehabilitation, Scharpling committed himself to reinvention through the world of comedy. In this book he will lift the curtain on the turmoil that still follows him, despite all of his accolades and achievements. In the vein of candid memoirs from comedians like Mike Birbiglia's *Sleepwalk with Me* and Norm Macdonald's *Based on a True Story*, *It Never Ends* is a revealing book by a beloved comedy icon.

Through his prolific and highly regarded writings, Thomas Howard's name is familiar to Protestants and Catholics alike. With grace, charm, and wit, Dr. Howard describes his journey from Evangelicalism to Anglicanism, and finally, to the Church of Rome. In a world saturated with fashionable unbelief, Howard's testimony inspires and informs. This is the personal story of a man's search for spiritual fulfillment that includes a detailed explanation of the factors that led him to his ultimate destination. It is a testimony to the difficulty faced by a life-long, well-known Protestant in taking that final step across the threshold to Catholicism. Howard clearly explains the challenges of learning and accepting some doctrines that were completely new to him, and the reactions one might face from friends and family.

A #1 New York Times bestseller, this innovative and wildly funny read-aloud by award-winning humorist/actor B.J. Novak will turn any reader into a comedian—a perfect gift for any special occasion! You might think a book with no pictures seems boring and serious. Except . . . here's how books work. Everything written on the page has to be said by the person reading it aloud. Even if the words say . . . BLORK. Or BLUURF. Even if the words are a preposterous song about eating ants for breakfast, or just a list of astonishingly goofy sounds like BLAGGITY BLAGGITY and GLIBBITY GLOBBITY. Cleverly irreverent and irresistibly silly, The Book with No Pictures is one that kids will beg to hear again and again. (And parents will be happy to oblige.)
