My Life Hal Leonard

NEW YORK TIMES BEST SELLER • An inspiring and intimate self-portrait of the champion of equality that encompasses her brilliant tennis career, unwavering activism, and an ongoing commitment to fairness and social justice. "A story about the personal strength, immense growth, and undeniable greatness of one woman who fearlessly stood up to a culture trying to break her down."—Serena Williams In this spirited account, Billie Jean King details her life's journey to find her true self. She recounts her groundbreaking tennis career—six years as the top-ranked woman in the world, twenty Wimbledon championships, thirty-nine grand-slam titles, and her watershed defeat of Bobby Riggs in the famous "Battle of the Sexes." She poignantly recalls the cultural backdrop of those years and the profound impact on her worldview from the women's movement, the assassinations and anti-war protests of the 1960s, the civil rights movement, and, eventually, the LGBTQ+ rights movement. She describes the myriad challenges she's hurdled—entrenched sexism, an eating disorder, near financial peril after being outed—on her path to publicly and unequivocally acknowledging her sexual identity at the age of fifty-one. She talks about how her life today remains one of indefatigable service. She offers insights and advice on leadership, business, activism, sports, politics, marriage equality, parenting, sexuality, and love. And she shows how living honestly and openly has had a transformative effect on her relationships and happiness. Hers is the story of a pathbreaking feminist, a world-class athlete, and an indomitable spirit whose impact has transcended even her spectacular achievements in sports.

Rodion Shchedrin is internationally recognized as the pre-eminent contemporary composer of the Russian modern school. His autobiography looks back over an eventful life and provides a variety of stimulating insights behind the facade of the international music scene. Along the way Shchedrin elaborates highly personal views on the political situation and many other aspects of life in the former Soviet Union, turning an unsparing eye on the machinery of ideological repression exerted on artists as they struggled to interpret and conform to the constantly mutating diktats of the regime. A wealth of anecdotes and humorous observations offer the reader glimpses of the author's essentially sanguine and life-enhancing disposition.

Beach Books - Ultimate Collection Alfred Music

This heartwarming picture book reassures children that a parent's love never lets go—based on the poignant lyrics of JJ Heller's beloved lullaby "Hand to Hold." "May the living light inside you be the compass as you go / May you always know you have my hand to hold." With delightful illustrations and an engaging rhyme scheme, this book offers the promise of security and love every child's heart longs to know. From skipping stones and counting stars to climbing trees and telling stories, every moment is wrapped snugly in the certain warmth of a parent's presence and God's blessing. With poignancy and joy, this bedtime read captures the unconditional love parents want their children to know but so often fail to express amid the chaos of daily life.

Love, Lust & Heartbreak: 50 Romance Classics in One Collection Heritage Music Press

Theater music directors must draw on a remarkably broad range of musical skills. Not only do they conduct during rehearsals and performances, but they must also be adept arrangers, choral directors, vocal coaches, and accompanists. Like a record producer, the successful music director must have the flexibility to adjust as needed to a multifaceted job description, one which changes with each production and often with each performer. In *Music Direction for the Stage*, veteran music director and instructor Joseph Church demystifies the job in a book that offers aspiring and practicing music directors the practical tips and instruction they need in order to mount a successful musical production. Church, one of Broadway's foremost music directors, emerges from the orchestra pit to tell how the music is put into a musical show. He gives particular attention to the music itself, explaining how a music director can best plan the task of learning, analyzing, and teaching each new piece. Based on his years of professional experience, he offers a practical discussion of a music director's methods of analyzing, learning, and practicing a score, thoroughly illustrated by examples from the repertoire. The book also describes how a music director can effectively approach dramatic and choreographic rehearsals, including key tips on cueing music to dialogue and staging, determining incidental music and underscoring, making musical adjustments and revisions in rehearsal, and adjusting style and tempo to performers' needs. A key theme of the book is effective collaboration with other professionals, from the production team to the creative team to the performers themselves, all grounded in Church's real-world experience with professional, amateur, and even student performances. He concludes with a look at music direction as a career, offering invaluable advice on how the enterprising music director can find work and gain standing in the field.

Save yourself time, money, and frustration by reading *The Perfect Score Project*, one of the most compulsively readable guides to SAT test-prep ever written, and a down-to-earth reminder of the things that really matter in life. The project began as an attempt by Debbie Stier to help her teenage

son, Ethan, who would shortly be studying for the SAT. Aware that Ethan was a typical teenager (i.e., uninterested in any test, especially a 4-hour standardized exam) and would be facing a much more competitive admissions process and economy than when she was in high school, she decided to climb into the trenches with him. She took the SAT seven times in one year, ultimately compiling an accessible and relatable guide that is both a consumer report of fresh tips and an amusing snapshot of parental love and wisdom colliding with teenage apathy. Stier quickly became hooked, and her quest turned into an exercise in both hilarity and heartbreak as she persisted in deciphering the mind-boggling menu of test prep options. In *The Perfect Score Project* Debbie tries it all, from Kaplan, to Kumon and The Khan Academy; she meets with a premier grammar coach, takes a battery of intelligence tests, and studies with the world's most prestigious (and expensive) test prep company. She answers all the questions that overwhelm students and parents facing the SAT: "When do I start?" "Does brand-name test-prep work?" "Do I need a tutor, a class, or can I self-study?" "What's the one thing I need to know?" and, "What's the secret to teenage motivation?" *The Perfect Score Project* has inspired thousands of parents, students and teachers to connect and transform the most reviled right of passage in a high school student's life into a positive experience. This book provides concrete research on the best ways to succeed on a test that serves as the last big milestone before kids leave for college.

"This book presents music titles in which the organ is part of a chamber ensemble. Alphabetized by composer, entries contain the bibliographical information for each title and a brief commentary or description, as well as information on the level of difficulty, timing, mood, fingerings/pedalings, and other performance aids. The selections are suitable for concerts and religious services and are written in a variety of styles, from Baroque to contemporary." "This catalogue will be of interest to church organists searching for a piece for organ and brass appropriate for Easter, visiting instrumentalists choosing music for a Sunday service, teachers introducing their organ students to the experience of accompanying a violin, and instrumentalists seeking a composition to play with the organ, among many others."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
