Once inside, he opened his safe and proceeded to shred each page of his notes on the mutated form of the AIDS virus, which he had been working on for all those years. Then he destroyed all but a syringe full of the microorganism, which he then proceeded to inject into himself through his thigh. A contented feeling passed through his body, as the beginning of his plan advanced without a hassle. Imagine a world where the AIDS virus mutates into a more deadly form that becomes communicable by touch and leaves those it doesn't kill sterile. The top scientists in the world are baffled-and they can't stop it. This nightmarish scenario becomes reality in the year 2241. The remnants of the biological catastrophe caused by FS Syndrome have created a world where any type of intimacy is strictly prohibited. It is here that Susan 170 and Bob 162, two very different people, fall in love with each other. Follow their saga as they attempt the unthinkable possibility of a physical relationship and as they are pursued by two ruthless, unrelenting police officers out to protect society by destroying them. Can the compass of life determine the future of these individuals and this world?

Enjoy the bestselling lesbian erotica series — now 50% off. Book 6: The Girl Next Door When the parents of the shy college girl next door decide to take a vacation, lonely divorcée Jade sees a window of opportunity to meet her. One night before heading to bed, she notices a light in the girl's bedroom and a crack in her blinds. Jade grabs a spyglass and sees the girl viewing an erotic video while touching herself. The girl notices movement in the window across the lane and catches Jade watching her. Things escalate rapidly as they exchange increasingly provocative displays, until Jade decides to ask the girl over for dinner. When they finally meet, Jade is shocked to find the shy girl next door isn't nearly as innocent as she's let on... Book 7: Girls' Camp When Jade's best friend Hannah invites her to go on a wilderness camping trip with four other friends, Jade isn't sure it's a good idea. She hasn't yet come out with Hannah or anyone else about her recent lesbian dalliances. But when Jade meets the new member of the entourage, she's instantly smitten. Emma is cute, sexy, and ten years younger than the rest of the group. Over the course of the next few days, Jade is increasingly frustrated trying to find some alone time with the new girl. When they're finally caught making out in a corner of their secluded

island, the rest of the girls quickly lose their inhibitions and decide to share some free love. Book 8: Wet Dream Ever since her recent transgender experience, Jade has been obsessed with cocks. But not just any cocks – ladyboy cocks. One night, as she falls asleep, she's transported to an ancient Arabian kingdom filled with sorcerers and villains. She finds herself wandering the desert and stumbles upon a mysterious cave. Inside, she finds a treasure trove of gleaming jewels and pottery. She picks up one of the vessels and dusts it off, and a genie emerges. When he tells her that he will grant her any three wishes, she immediately asks to be bestowed with a man's penis. Now endowed with both a man's and a woman's fully functioning equipment, Jade sets out on a journey of exploration, discovering all the fun ways she can use her ladyboy parts with an exciting menagerie of characters. Book 9: The Habit While Jade is working quietly at the library one day, she notices a strange figure in a black and white cloak pass by her desk. She looks up and sees a pretty nun heading into the stacks to find a book. Jade follows her movement and when the nun sits in an upholstered chair in the corner of the library, she finds another chair not far away to watch her more closely. She becomes more and more aroused watching the stunning nun and starts to touch herself quietly. The nun notices what Jade is doing and begins to rub her legs together under her long gown. Within minutes, the two women enjoy an intense private climax together from across the aisle. Jade invites the nun for a coffee and before long she takes her home where they make passionate love all day. When the nun indicates that she must return to her convent, Jade doesn't want to see her

go, and they agree on a plan to sneak her into the abbey for one more night. Book 10: Sex Machine When lonely divorcée Jade hears about a sex robot brothel in town, her interest is piqued. She books a session with a pretty redheaded model, and when she gets to the facility she's floored by how lifelike the robot is. With realistic skin, anatomically correct body parts, and natural human expressions, she's quickly smitten with the fully animated robot. As they strike up a conversation, Jade begins to realize that the artificial intelligence of the robot allows it to learn and respond to her unique wants and desires... The Passionate Statesman explores the intersection of passion and politics in Plutarch's Parallel Lives, with special emphasis on how he represents the influence of erōs, or erotic desire, on the careers of some of the most prominent statesmen from Greco-Roman antiquity. Using Aristotle's notion of friendship and Plato's conception of the soul to describe the ideal marriage as based on a mutual love of character (philia), supported by

an enduring erotic attraction, Beneker examines how Plutarch applied his system of ethics both to his reading of history and to his writing of biography. With close readings focusing on the three pairs of biographies from *Parallel Lives*, namely the Greek kings (Alexander the Great, Demetrius 'the besieger', and Agesilaus) and Roman statesmen (Julius Caesar, Pompey, and Marc Antony), the book draws a general conclusion about how Plutarch uses the narration of his subjects' private erotic affairs to interpret their historical deeds.

This book presents a groundbreaking exploration of masculinities and homosexualities amongst Chinese gay men. It provides a sociological account of masculinity, desire, sexuality, identity and citizenship in contemporary Chinese societies, and within the constellation of global culture. Kong reports the results of an extensive ethnographic study of contemporary Chinese gay men in a wide range of different locations including mainland China, Hong Kong and the Chinese overseas community in London, showing how Chinese gay men live their everyday lives. Relating Chinese male homosexuality to the extensive social and cultural theories on gender, sexuality and the body, postcolonialism and globalisation, the book examines the idea of queer space and numerous 'queer flows' – of capital, bodies, ideas, images, and commodities – around the world. The book concludes that different gay male identities – such as the conspicuously consuming memba in Hong Kong, the urban tongzhi, the 'money boy' in China and the feminised 'golden boy' in London – emerge in different locations, and are all caught up in the transnational flow of queer cultures which are at once local and global.

Do you know what it's like to be a successful female lawyer in one of the biggest cities in the world having all your fantasies and erotic desires? My name is Lulu, I achieved all the goals I set for myself: success, money, and power. It's definitely not easy for an immigrant who started from the bottom line. But there was one thing I was ashamed of, or better, I was embarrassed to let people know... it was my sex addiction. We as women all know how it is... You can be

the most successful businesswoman basing on your skills. But if there is something shameful or negative in your private life that goes public, you're done. It was not easy to hide my unspeakable parallel life, and I always had a sense of guilt about this. Every time I followed my instincts, a part of me had to dissociate from what I was doing to be the perfect woman that everyone admired. Until someone special helped me to understand that sharing is caring and therefore, I had to share what made me anxious, my secret life. It's not a novel, it's not a fantasy of a frustrated woman who dreams about erotic adventures behind her desk... It's my life. The story of a young girl who came to the USA and became a woman, in all senses, freeing all her sexual paradigms and making it a weapon in her favor. In this second book, Lulu returned to her home on the other side of the world, Paris, after a phone call from her mom along with the tragic news. As much as she didn't want to visit Paris so soon, the tragedy has brought her back to France, to discover the dirty secrets about her family. Back to Washington, Lulu has changed her point of view about her life, now it's time to focus on achieving the goals of her own and doing the things that she wants/needs... To continue the erotic adventure of Lulu F., it's a coming of age story filled with beautiful prose and, more than that, it's a reflection on the all-consuming power of sex and attraction. The classic tale of a good girl gone bad storyline. *The Erotic Adventures of a Victorian Doctor: His Private Dolly Mop* Routledge  
Lesson's learned and cherries popped! Johnny nails the girl of his dreams and her cousin, Rebecca, learns the truth about black cock and so much more! Charlie and Debbie let their exhibitionist freak flag fly. Six fabulous sex scenes! Boy-on-girl, girl-on-girl, threesomes, BBC on white, vaginal, anal, oral, pain, BDSM and more! -----Johnny just stared down at her, unmoving. "Don't you want to fuck me, Johnny?" Johnny knew the answer to that. He laid back down and his twitching cock easily slipped back into her virgin fuck hole. They remained in that position while they kissed, Johnny momentarily losing himself in her soft lips, her probing tongue. Connie wrapped her legs about Johnny's back and whispered, "One hard thrust is all it will take." Johnny stared into her eyes, pulled back, and slammed forward, turning a small hole in her hymen into a large hole and plowing his cock into her for the first time. She squeezed him tightly and moaned, but she didn't cry out. His dick felt so huge inside her tight little pussy. She could feel her nether lips being stretched obscenely to the sides by the thick log of flesh impaling her. The condom was lubricated and helped somewhat with the pain; tears ran down the sides of her face, and her eyes closed involuntarily. When they reopened Johnny was still

staring at her and she felt a connection with him that was new and unique to Connie. She was so full, so full of gorgeous, hot, painful cock. "How much is left?" Johnny looked down. "Maybe three, four inches." "Oh, praise the Lord. Now fuck me with all of it."

The masochistic Lady Bridgette Donahue is Doctor Damian Thatch's favorite patient, but since she is a married woman he must contain his passions when with her. Desiring a partner without limitations, Damian frequents Madame Q's nunnery, a high-end London brothel which provides the services of dolly mops for gentlemen with sadistic tastes. A dolly mop is a girl in domestic service, such as a maid or a nanny, who in order to earn a little extra money beyond her regular employment chooses to become a prostitute. Unlike a full time brothel worker who cannot afford to be left in a condition which might render her unable to entertain gentlemen for a few days, a dolly mop can easily keep marks hidden in her regular job and take time to recover before returning to brothel work. Yet in spite of the liberties he is able to take with prostitutes, Damian's arousal and subsequent release with them is never as grand as when he is with the submissive Lady Bridgette. Purchasing pleasures deprives Damian of the authenticity his sadism requires. But when Damian notices that a new dolly mop is actually Rosie, his own parlor maid, he realizes that he may have found a potential solution to his frustration. When he confronts Rosie she chooses to take the option of being trained to satisfy his desires rather than face immediate termination of employment. Now Damian will turn Rosie into his ideal submissive, subjecting her

to bondage, birching, and a variety of sex acts including performing with Lady Bridgette. This is the third book in the Victorian BDSM erotica series, *The Erotic Adventures of a Victorian Doctor*, featuring Doctor Damian Thatch.

Emily Witt is single and in her thirties. She has slept with most of her male friends. Most of her male friends have slept with most of her female friends. Sexual promiscuity is the norm. But up until a few years ago, she still envisioned her sexual experience achieving a sense of finality, 'like a monorail gliding to a stop at Epcot Center'. Like many people, she imagined herself disembarking, finding herself face-to-face with another human being, 'and there we would remain in our permanent station in life: the future'. But, as we all know, things are more complicated than that. Love is rare and frequently unreciprocated. Sexual acquisitiveness is risky and can be hurtful. And generalizing about what women want or don't want or should want or should do seems to lead nowhere. Don't our temperaments, our hang-ups, and our histories define our lives as much as our gender? In *Future Sex*, Witt captures the experiences of going to bars alone, online dating, and hooking up with strangers. After moving to San Francisco, she decides to say yes to everything and to find her own path. From public health clinics to cafe conversations about 'coregasms', she observes the subcultures she encounters with a wry sense of humour, capturing them in all their strangeness, ridiculousness, and beauty. The result is an open-minded, honest account of the contemporary pursuit of connection and pleasure, and an inspiring new model of female sexuality - open, forgiving, and

unafraid.

Sex is familiar to everyone and involves biomechanical and instinctive intercourse. Sex is more realistic and complex than what television and movies show. Sex is beautiful; every form of it. What good sex does to the body, soul, and mind is indescribable. It's not the same as a meal prepared with the same recipe, so you know what to expect. It is not like a

hobby that constant repetition can easily lead to boredom. As much as we love sex and love having it, many people mystify it or make it seem like a bad thing. They talk about it in a hushed voice and when nobody is looking. Even when they talk about it, they do not like to admit that it is them that are involved in sex. It is always a friend or an acquaintance. With every partner, every position, and every location it is done, it varies. Even when you have sex repeatedly with the same partner, it is different each time, and you may not even know when to expect the next time. There is nothing wrong or to be ashamed of. When you embrace it, understand that it is beautiful, and meant to be embraced and enjoy, you will be expressive enough to explore and seek out ways to make your sex life better. Warning: Sex Stories is for adults only. Some dreams you would like to pursue include celebrity surgeons, paramedics, nurses, or someone in a glamorous dress. Most desires will revolve around subtle - or overt - dominance and submission ideas, such as when someone considers a harsh attitude arousing or has romantic daydreams of surrendering to authority figures. This book features forbidden males and females in all their off-limits glory. Erotic, sinful, taboo sex stories that will rock your world. We have been extremely fortunate, my husband and I, to have been able to

document our sexual explorations together. The pictures you are going to see have not been taken for commercial purposes. They are private photos. Our relationship had normal beginnings, but I've always been highly sexed and constantly seeking pleasure. I felt like something was missing, tells Lynn, I enjoyed sex so much that I asked my husband if he wanted to take beautiful photographs of ourselves having sex, instead of nude portraits. After that I realized that I had a very photogenic pretty pussy. Her husband always shared her bliss in these embraces and wild sex, and remained a faithful partner in the search for new sensations. Together they attended sex parties and went to places where random strangers come to have fun. They took pictures of themselves naked in the sunset. Love and sex between lovers is a beautiful thing.
