 "This book in its diversity of topics reflects the re-emergence of concern with women's issues in the last decade and the vigor and pioneering quality of scholarship in the area. Such extensive, albeit uneven, development says something about the state of our society as well, for organized scholarship is a form of problem solving, part of the process of working through issues that come to the attention of observers of and commentators on the social world. Be we can go further. By recognizing that the contemporary women's movement is not new, but is in keeping with a stream of feminism at least 150 years old, we can encourage the current rekindling of interest and consciousness to reflect contemporary events as well." -- xiii (foreword).
Endgame: The Training Diaries Volume 2: Descendant Fodor's
 "A wrenching, luminous memoir" of how betrayal and divorce transformed two families and the lives of two young women (People). When Jane Alison was a child, her family met another that seemed like its mirror. Each had a father in the Foreign Service, a beautiful mother, and two little girls. The younger two—one of them Jane—even shared a birthday. With so much in common, the two families quickly became inseparable. Within months, affairs had ignited between the adults, and before long the pairs had exchanged partners—divorced, remarried, and moved on. As if in a cataclysm of nature, two families were ripped asunder, and two new ones were formed. Two pairs of girls were left in shock, a "silent, numb shock, like a crack inside stone, not enough to split it but inside, quietly fissuring." And Jane and her stepsister were thrown into a state of wordless combat for the love of their fathers. This true story of their rivalry, and the tragic loss that ultimately followed, is a fascinating record of how adult behavior can shape, or shatter, a childhood. Spanning from Australia to the United States, it is "enormously compelling . . . [A] harrowing journey of identity" (Publishers Weekly, starred review).

Angel Food for Boys and Girls: Volume 4 Capstone
 The purpose of this volume is to "unseal" or reveal the mysteries in the prophecy of Daniel. The book of Daniel is the ONLY example in the entire bible of a prophecy that was "shut up" and/or "sealed" in antiquity. This is a mysterious phrase and is the reason the book is NOT well understood to the present time. The "shutting up" or "sealing" of the book must mean that the full and complete MEANING of the prophecy would NOT be revealed to the understanding of men. That is, until the arrival of a time period called "the time of the end." (See Dan. 12:9) This appears to be the exact case because there are things in the prophecy that clearly have NOT been correctly understood to this very day. Examples of these misunderstood things in the prophecy include: (1) The meaning of the phrase, "the time of the end." (2) The historical identity of the "willful king" of Dan. 11:36. (3) The true meaning of the word "indignation" in 8:19 & 11:36. (4) The historical connection between the "sale of the land" in 11:39 AND the "willful king" of 11:36. (5) The separation of the prophecy between ancient and modern. This approximate 1900 years time span is seen between 11:39 and 40. . The first mention of "sealing" is seen in 8:26, where the Archangel Gabriel instructs Daniel to "shut thou up the vision, for it shall be for many days." Gabriel is referring to Daniel's vision of chapter 8. It seems the "shutting up" of that vision contributes to the later "sealing" of the entire book. In 12: 4, the Archangel Gabriel instructed Daniel to "shut up the words and seal the, BOOK (even) to the time of the end." (KJV) Note: The word "even" is a supplied word as it does not appear in the original. The Septuagint (LXX) uses the word "to" instead of "even." Gabriel instructed Daniel to seal the book in 12:4, but he tells Daniel in 12:9 to-- : "Go thy way, Daniel: for the words are closed up and sealed till the time of the end."

Gabriel must have assumed that Daniel had effectively "sealed" the book according to his previous instructions. The mysterious phrase "the time of the end" is mentioned 5 times in the prophecy. Some writers have said this is a short period of several decades time that will occur just before the end of human history on earth. However, one must assume from these verses that the TRUE MEANING of the prophecy would then be fully understood at or during the "time of the end." Most writers have assumed the existence of only ONE "time of the end" in the book. However, it is easily proved there are two such periods and they are parallels of each other. The first period occurred at the end of the Jewish "era." The second period will occur at the end of the Gentile "era." The present volume is a calculated attempt to "unseal" the prophecy. One reason for this idea is that the world now "lives" in the last "time of the end." After all, the prophecy states that it would be "sealed to the time of the end." The clear inference is that it would be "unsealed" at (or during) that time period. Because of a decades long, prayerful and diligent historical search, every mystery in the prophecy has now been revealed in the present volume. The prophecy can now be fully understood for the first time since the archangel Gabriel (and Daniel) "sealed" it over 2000 years ago.
