Duets Are Fun, Book 1 Simon and Schuster

An illustrated book of 100 first words in English, French, German and Spanish. The optimal time for a child to learn another language is from birth to 3 years—at the same time he or she is learning a first language—so My Very First 100 Words includes 100 everyday words in three languages. Every word is illustrated with a colorful, eye-catching photograph and on a separate double-sided flash card the word is translated into French and Spanish. Categories include At the Farm, At the Zoo, Under the Sea, Eat, and Things to Wear. With its bright colors and clear design, this essential first words book and card pack will be loved by babies and toddlers and used by parents time and again, as they encourage those all-important early language skills.

Collins Italian with Paul Noble CICO Books

It's true that some people spend years studying French before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of French, #LanguageHacking shows you how to learn and speak French through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks - shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the

language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in French from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.

The Everything French Verb Book Olivia & Hill Press

French gastronomy is renowned for its classic recipes passed from generation to generation. From Burgundy to the Auvergne, Provence, the Loire and the Pyrenees, traditional family cooking has always been at the heart of the French kitchen and lifestyle. With its delicious dishes and exquisite ingredients as diverse as they regions from which they came from, heritage cooking and family values from provincial France have stood the test of time. In this book Michel Roux Jr., star of MasterChef and owner of the

two-Michelin star Le Gavroche in London, explores the heritage of his native French cuisine. With classic recipes using delicious ingredients, Michel Roux Jr. will help you bring provincial French cooking into your kitchen and helps you to recreate the 'je ne sais quoi' that only French cuisine can embody.

The French Kitchen Quercus

From a chic and sophisticated Parisian pied-à-terre to an authentically restored Alpine ski lodge, from a grand château filled with antiques to a beach cottage in St Tropez, *Romantic French Homes* presents a stunning selection of homes. These 14 amazing properties sum up all that is French and romantic, from the streets of Paris to Mégève in the French Alps, from the coast of Normandy to the heart of Provence and the sun-baked shores of the Riviera. There are classic country houses, tiny boltholes, city apartments, quirky seaside homes, and more. Each home has its own character, reflecting the people who live there and their passions. The book is divided into four chapters: *Châteaux*, which covers castles, châteaux, grand country houses, and town houses; *Bastides*, which features old manors and farmhouses; *Maisons Bohemes*, which includes bohemian artists', writers' and seaside homes; and *Paysannes and Pavilions*, which focuses on small and simple town and country houses. With stunning photography capturing the grandeur, charm and mystery of these properties, their romance and sense of history shine through.

New French With Ease Simon and Schuster

Ever tried to learn French and found it too hard? Bestselling language coach Paul Noble has a quick and easy way to get you back on track with his unique tried-and-tested method.

The Everything French Grammar Book
Max Lane

Step-by-step instruction, fun reinforcement exercises, and clever mnemonic clues help readers master conjugation, tense use, and sentence structure quickly! Complete with verb charts, The Everything French Grammar Book is the perfect reference for the Gallic enthusiast.

French Literature Assimil GmbH

By itself, Pimsleur lacks the personal touch and proper techniques to keep a learner actively engaged and learning efficiently. Don't waste any more time and money with classes, textbooks, audio courses, computer programs and other materials until you have read this. Coming from 10 years of experience and having already shown thousands of language learners the right way to learn languages Robertson Kunz has simplified language learning into a fascinating, efficient method that will astound readers. In this book Robertson explains that mainstream hundred dollar programs are not completely useless but that if you want to truly gain useful language capabilities, you need to incorporate them into a more personalized plan. Robertson wrote this book to stop others from making the same mistakes he did when he started to learn languages and was dumbfounded by the lack of attention to detail and generic techniques used by big name companies. You won't find any ridiculous ideas here like subliminal learning while you sleep. Everything

here has been tested by thousands of everyday people learning a language and is from real world experience. Kunz personally invested 10 years of his life during his travels and thousands of dollars on learning the best, most efficient way to learn languages. Many people spend thousands of dollars or more on audio programs, textbooks, classes and other language learning materials. What if this book saved you from wasting money on even one of those? A lot of people start out learning a language and then give up somewhere in the middle, never reaching fluency and wasting all the energy, time and money they spent. Make sure you are not one of those people and invest today to discover what really works and how you can get to fluency quickly and efficiently.

The Routledge Handbook of Second Language Acquisition and Individual Differences How to Learn a Foreign Language

The Routledge Handbook of Second Language Acquisition and Individual Differences provides a thorough, in-depth discussion of the theory, research, and pedagogy pertaining to the role individual difference (ID) factors play in second language acquisition (SLA). It goes beyond the traditional repertoire and includes 32 chapters covering a full spectrum of topics on learners' cognitive, conative, affective, and demographic/sociocultural variation. The volume examines IDs from two perspectives: one is how each ID variable is associated with learning behaviors, processes, and outcomes; the other is how each domain of SLA, such as vocabulary or reading, is affected by clusters of ID variables. The volume also includes a section on the common methods used in ID research, including

data elicitation instruments such as surveys, interviews, and psychometric testing, as well as methods of data analysis such as structural equation modeling. The book is a must-read for any second language researcher or applied linguist interested in investigating the effects of IDs on language learning, and for any educator interested in taking account of learners' individual differences to maximize the effects of second language instruction. Français Interactif Simon and Schuster Based on the popular blog (French-word-a-day.com) and newsletter comes a heart-winning collection from an American woman raising two "very" French children with her French husband in Provence, and carrying on a lifelong love affair with the language.

Pimsleur French Unofficial Guide Simon and Schuster

Contains twenty-seven lessons in the Cherokee language, based on the Oklahoma dialect; and includes accompanying exercises, appendices, and alphabetical vocabulary lists.

An American in Provence Harry N. Abrams

Boasting one of Western culture's oldest and richest literary traditions, French literature has long been a pioneer of style and innovation. From the farcical comedies of Moliere to the torment of Baudelaire's verse, it has inspired writers and artists everywhere throughout the ages. This comprehensive Beginner's Guide tells French literature's compelling story from the beginning right up to today. Highlighting its distinct qualities, Carol Clark explores how the literary styles of different periods took shape and shows what we can gain from reading classic and modern French works. With translations and explanations of noteworthy extracts

from celebrated writers, this is the perfect introduction for anyone who wants to discover the delights French literature offers.

Michel Thomas German Foundation Course Simon and Schuster

Impress your friends, travel to French-speaking countries, or wander through a Parisian marketplace - all you need is *The Everything French Verb Book!*

The Favour Simon and Schuster

In this entertaining and groundbreaking book, Dr. Paul Pimsleur, creator of the renowned Pimsleur Method, the world leader in audio-based language learning, shows how anyone can learn to speak a foreign language. If learning a language in high school left you bruised, with a sense that there was no way you can learn another language, *How to Learn a Foreign Language* will restore your sense of hope. In simple, straightforward terms, Dr. Pimsleur will help you learn

grammar (seamlessly), vocabulary, and how to practice pronunciation (and come out sounding like a native). The key is the simplicity and directness of Pimsleur's approach to a daunting subject, breaking it down piece by piece, demystifying the process along the way. Dr. Pimsleur draws on his own language learning trials and tribulations offering practical advice for overcoming the obstacles so many of us face. Originally published in 1980, *How to Learn a Foreign Language* is now available on the 50th anniversary of Dr. Pimsleur's publication of the first of his first audio courses that embodied the concepts and methods found here. It's a fascinating glimpse into the inner workings of the mind of this amazing pioneer of language learning.

The Fastlane to Making Money Online

How to Write a Book and Make Passive Income with Self Publishing, Audiobooks and More Weidenfeld & Nicolson

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, *Fluent In 3 Months*. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

Harmony

"Méthode d'apprentissage du français pour anglophones.

Easy French Step-by-Step Taylor & Francis

LANGUAGE SELF-STUDY TEXTS. Collins Italian with Paul Noble combines an exciting, new non-traditional approach to language learning with the easy, relaxed appeal of an audio-only product. No books. No rote memorisation. No chance of failure. With Paul Noble, everyone really can speak a language. Listen to over 13 hours of audio on 12 CDs, then use the accompanying booklet as a reference and revision tool. A native-speaking Italian expert helps Paul to deliver the course and to perfect your pronunciation. There is also a free introductory DVD to give you an insight into how the Paul Noble method works. No complicated grammatical explanations, no rote memorisation, no writing -- no stress. Learn over 6,000 words in no time at all and -- most importantly -- learn how to make your new vocabulary work for you.

The ICT Handbook for Primary Teachers
rafaelanazco.com

Discusses how teachers can study and use applied linguistics in teaching foreign-languages.

ASSIMIL - German with ease (Lehrbuch + 4 Audio-CDs) University of Hawaii Press
Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. Your first-class ticket to building key French language skills From the bestselling Read & Think series, this fully-illustrated guide brings the French language to life! In addition to introducing, developing, and growing key vocabulary, this book gives you an insider's look at Francophone life and culture—from a trip around Marseilles to a walk through Senegal's bustling

markets, and from biographies of famous French personalities to articles on the customs and gastronomy of French-speaking countries. Including more than 100 engaging articles written by native French-speakers, each one provides a bilingual glossary on the same page, allowing you to learn without stopping to look up new or unfamiliar words. Each chapter contains several exercises to reinforce comprehension and the new premium edition features streaming audio recordings of more than 40 readings (70 minutes) and over 7,000 vocabulary items by flashcard, easily accessible online or on any mobile device, through the unique McGraw-Hill Language Lab app.

Alfred Music

Following the first volume of *Remembering the Kanji*, the present work provides students with helpful tools for learning the pronunciation of the kanji. Behind the notorious inconsistencies in the way the Japanese language has come to pronounce the characters it received from China lie several coherent patterns. Identifying these patterns and arranging them in logical order can reduce dramatically the amount of time spent in the brute memorization of sounds unrelated to written forms. Many of the "primitive elements," or building blocks, used in the drawing of the characters also serve to indicate the "Chinese reading" that particular kanji use, chiefly in compound terms. By learning one of the kanji that uses such a "signal primitive," one can learn the entire group at the same time. In this way, *Remembering the Kanji 2* lays out the varieties of phonetic pattern and offers helpful hints for learning readings, that might otherwise appear completely random, in an efficient and rational way. Individual frames cross-

reference the kanji to alternate readings and to the frame in volume 1 in which the meaning and writing of the kanji was first introduced. A parallel system of pronouncing the kanji, their "Japanese readings," uses native Japanese words assigned to particular Chinese characters. Although these are more easily learned because of the association of the meaning to a single word, the author creates a kind of phonetic alphabet of single syllable words, each connected to a simple Japanese word, and shows how they can be combined to help memorize particularly troublesome vocabulary. The 4th edition has been updated to include the 196 new kanji approved by the government in 2010 as "general-use" kanji.

Romantic French Homes OIBooks-Libros

**BRINGING DANGER CLOSE TO HOME . . . THE GRIPPING NEW THRILLER FROM BESTSELLING AUTHOR NICCI FRENCH. ** Shortlisted for the 2023 Ned Kelly Awards for Best International Crime Fiction 'Fantastic - a breathless drumbeat of dread and suspense . . . no one does it better than Nicci French' Lee Child 'Heart-thumping, head-scratching, nail-biting stuff: The Favour is classic

Nicci French. I read it in one breathless sitting' Erin Kelly A good deed Can turn deadly... When Liam unexpectedly turns up in Jude's life after ten years of no contact, asking her for a favour, she just can't say no. He was her first love, and even though she is now a successful doctor and about to get married, he will always be someone special to her. But after she does the favour, she is contacted by the police, informing her that Liam has been found dead, and suddenly she is caught up in a murder investigation. And she realises this one decision could cost her everything - even her life...
