CARLA DUKE

Histoire générale de la Bretagne et des Bretons: Culture et mentalités bretonnes
Bloomsbury Publishing
"May be the best book ever written about jazz."—David Thomson, Los Angeles Times
In eight poetically charged vignettes, Geoff Dyer skillfully evokes the music and the men who shaped modern jazz. Drawing on photos, anecdotes, and, most important, the way he hears the

music, Dyer imaginatively reconstructs scenes from the embattled lives of some of the greats: Lester Young fading away in a hotel room; Charles Mingus storming down the streets of New York on a too-small bicycle; Thelonious Monk creating his own private language on the piano. However, music is the driving force of *But Beautiful*, and wildly metaphoric prose that mirrors the quirks, eccentricity, and brilliance of each musician's style.

Si la musique de bagad est aujourd'hui emblématique de la Bretagne, présente dans tous ses festivals par d'impressionnants défilés et triomphes, elle n'y est toutefois apparue que relativement récemment. Des prémices au début du XXe siècle, c'est surtout après-guerre que les bagadoù connaîtront un incroyable engouement, tant chez les musiciens sonneurs de bombarde, cornemuse, percussions, qu'auprès d'un très large public.

Au point que l'on peut parler de l'émergence d'une véritable nouvelle tradition populaire. Armel Morgant raconte ici l'histoire tumultueuse du bagad à travers ses grands noms, ses spectacles et concours, la formation des plus jeunes, les métissages musicaux, sa fortune internationale... Clichés d'archives et reportage contemporain du photographe Jean-Michel Roignant traversent en images près d'un siècle de musique bretonne. Histoire du Berry North Point Press

Twenty witty and provocative essays touching on topics ranging from Selena to Frida Kahlo to Carlos Fuentes.

Le nouvel observateur Chasse-Marée

Authenticity is a notion much debated, among discussants as diverse as cultural theorists and art dealers, music critics and tour operators. The desire to find and somehow capture or protect the “authentic” narrative, art object, or ceremonial dance is hardly new. In this masterful examination of German and American folklore studies from the eighteenth century to the present, Regina Bendix demonstrates that the longing for authenticity remains deeply implicated in scholarly approaches to cultural analysis. Searches for authenticity, Bendix contends, have been a constant companion to the feelings of loss inherent in modernization, forever

upholding a belief in a pristine yet endangered cultural essence and fueling cultural nationalism worldwide. Beginning with precursors of Herder and Emerson and the “discovery” of the authentic in expressive culture and literature, she traces the different, albeit intertwined, histories of German Volkskunde and American folklore studies. A Swiss native educated in American folklore programs, Bendix moves effortlessly between the two traditions, demonstrating how the notion of authenticity was used not only to foster national causes, but also to lay the foundations for categories of documentation and analysis within the nascent field of folklore

studies. Bendix shows that, in an increasingly transcultural world, where Zulu singers back up Paul Simon and where indigenous artists seek copyright for their traditional crafts, the politics of authenticity mingles with the forces of the market. Arguing against the dichotomies implied in the very idea of authenticity, she underscores the emptiness of efforts to distinguish between folklore and fakelore, between echt and ersatz.

The Riddle of Cantinflas Rowman & Littlefield

Why was Cantinflas, actor Mario Moreno's film persona, the most popular movie star in Mexican history? Was it because every Mexican - rich or poor, Creole or

Indian, man or woman, young or old - could identify with him?

Le grand dictionnaire historique Editions

Apogée

From the renowned Beat writer, Kerouac's colorful and meandering search for his family history, now reissued following his centenary celebration *Satori in Paris* is the semi-autobiographical tale of Jack Kerouac's trip to France in search of his heritage.

Beginning in Paris and moving west to Brittany, Kerouac traces the paths of his ancestors and explores his own understanding of the Buddhism that came to define his beliefs. From his familiar milieu of strangers and all-night conversations in seedy bars, to a pivotal cab ride in which he

experiences
Buddhism's satori—a
feeling of sudden
understanding—Kerouac's affecting and
revolutionary writing
transports the reader.
Published at the height
of his fame and
showcasing his mature
talent, *Satori in Paris* is
a lyrical, rollicking tale
of philosophy, identity,
and the power and
strangeness of travel.

Wentworth Press
Providing a valuable
overview of
regionalism throughout
the entire continent,
*Regionalism in Modern
Europe* combines both
geographical and
thematic approaches
to examine the origins
and development of
regional movements
and identities in

Europe from 1890 to the present. A wide range of internationally renowned scholars from the USA, the UK and mainland Europe are brought together here in one volume to examine the historical roots of the current regional movements, and to explain why some of them - Scotland, Catalonia and Flanders, among others - evolve into nationalist movements and even strive for independence, while others - Brittany, Bavaria - do not. They look at how regional identities - through regional folklore, language, crafts, dishes, beverages and tourist attractions - were constructed during the 20th century and explore the relationship between national and

subnational identities, as well as regional and local identities. The book also includes 7 images, 7 maps and useful end-of-chapter further reading lists. This is a crucial text for anyone keen to know more about the history of the topical - and at times controversial - subject of regionalism in modern Europe.
