Publication Mohr Siebeck

This contemporary Russian Bible, featuring the clear and accurate New Russian Translation (NRT), is ideal for outreach or for personal use.

Russian New Testament Nabu Press

A Russian version of All Verses From The Bible about God's Commandments

Chechen Old Testament Vol II Anchor

You may be wondering why Russia invaded Ukraine and whether it has anything to do with the prophecies in the Bible concerning Israel. Abraham DeAlmeida, Ph.D., a pastor with three doctorates in theology, tackles that question and many others in this book. He details references the Bible makes about "Gog," which is the nation now known as Russia, and argues that current events are definitely tied to prophecies in the Bible. He also observes how the Russians and Palestinians have taken advantage of America's flight from Afghanistan. The book also zeroes in on

Israel in detail, noting that having withstood so much persecution, the Israelis are once again home, with more Jews returning there due to the current war causing widespread opposition and hatred toward them. Lastly, the author examines and explains the End Times, including the Rapture of the Church, the world government (first beast), the Antichrist (second beast) identified by 666, Great Tribulation, Millennium, New Jerusalem, and the glorious eternity with God. Join the author as he explores the significance of Israel, how current events connect to prophecies in the Bible, how it will all end, and what we can surmise about Russia's Final Destination.

NRT, Russian New Testament, Paperback Cambridge University Press

"Alexander Negrov surveys the history of biblical interpretation within the history of the Russian Orthodox church from the Kiev period (tenth to thirteenth centuries) until the Synodal period (1721-1917). He presents a coherent analysis of the essential elements of Orthodox biblical hermeneutics as it developed over a period of several centuries critical to the defining of the Orthodox church."--BOOK JACKET.

Chechen Old Testament Volume II. Chechen is a Northeast Caucasian language native to Russia, Chechenya, and Dagestan. This is the second of 3 volumes for the complete Bible. Approximately 1.35 million people speak Chechen.

Russian Bible Wars WestBow Press

A Russian New Testament ideal for outreach or personal use. This contemporary Russian New Testament uses the clear and accurate New Russian Translation (NRT), which translates the original biblical manuscripts into language that connects with the target audience, helping the ancient words of Scripture speak to the hearts of readers today. This New Testament also includes additional study features that are useful when introducing others to Christ and helping them to understand what it means to follow Jesus. Features include: New Testament text of the clear and accurate New Russian Translation (NRT) Book introductions that explain the who, what, and where of each book of the Bible A plan of salvation article explains how to become a Christian and what it means to follow Jesus Type size: 8.5 The New Testament of the Russian Synodal Bible was completed in 1820. The General Epistles appeared after Acts and before Romans. Because of the

long tradition of this book order and its familiarity in the Russian Church, the New Russian Translation presents the New Testament in this order as well.

Ministers Bible, Volume 9 (hardcover) - Russian Edition

Russian language edition of Unlocking the Bible (New Testament) This book brings together a lifetime's worth of insights into the meaning of Bible events and teaching. Now for the first time in a one volume edition, this is a fantastic opportunity to get to grips with the Bible as a whole. Taking an overview of the epic story of God's relationship with His people, Unlocking the Bible avoids close verse by verse analysis in order to give a real sense of the sweep of Biblical history and its implications for our lives. The culture, historical background and spiritual significance of these important times are introduced and explained, alongside careful examination of their wider impact right up to the present day. From creation to the second coming, via the rise of Israel as a nation, its subsequent fall, Jesus' birth, death and resurrection, and the writings of the early church. Unlocking the Bible is full of invaluable insights from one of the leading teachers in the evangelical church.

This book compares verses from the English and Russian Bibles. You can learn Russian by reading the Russian Bible with English interlinear. 2 Samuel is the tenth book of the Bible. Learning the language is made easier by the fact that many Christians are familiar with Bible stories. This book tells of the forty-year reign of David before Solomon's anointing. First David reigns in Hebron over one tribe of Israel and then David reigns over all Israel. The capital was transferred from Hebron to Jerusalem, the Ark of the Covenant was transferred to the tabernacle of David. David intends to build a temple to God. David is at war with various hostile nations. David falls into sin and repents. See all other books in the series, and also in other languages. Your purchase may become a contribution for new bible series in different languages.

Ministers Bible, Volume 13 (hardcover) - Russian Edition

I wanted to know if I need to obey 2,9 or 10 of God's Commandments. So, I took a Concordance and wrote out all the verses from the Bible with the word "Commandments". I received my answer. I hope, through this book, God will speak to many about the importance of His Commandments.
