**The Order of Baptism of Children** LiturgyTrainingPublications  
 In this rich exposition on the theological, historical, and sacramental significance of the baptismal font, Regina Kuehn describes the space designated for Baptism as "a home for the church, a regular meeting place for believers, [and] a recognizable location to which one can point in memory of a liturgical event." Drawing on an impressive array of artistic paintings, drawings, and photographs, Kuehn offers an indispensable guide to building and refurbishing this sacramental space, while also providing rich insight into the experience and mystery of Baptism. Designed for parish staffs, architects, artists, craftsmen, priests, and all those involved in the building and renovating of churches, this resource will prove useful to any Catholic interested in a deeper understanding of our rich baptismal symbolism.

Fr. Paul Turner, known for his friendly style and authoritative content, helps parents understand what they need to know about their child's Baptism. He invites them into the mystery of this first sacrament in the life of a Christian, explaining its theology, symbolism, and the ritual itself. He provides pastoral answers to many technical questions parents might have about such matters as when and where Baptism should take place, arrangements when a parent is not Catholic, and the requirements for godparents. He especially encourages parents to take the long view and understand their unique role in raising a disciple of Christ.

The fourth edition of the bestselling booklet *Together at Baptism* includes texts from the new English translation of *The Order of Baptism of Children*, which must be used by parishes in the United States beginning on April 12, 2020, but may be used as early as February 2, 2020. Author Robert M. Hama helps

parents understand the sacrament with brief commentaries that provide insight not only on the celebration of Baptism but also on handing on the Catholic faith to their children in the midst of everyday life. *Together at Baptism* offers parish staff a practical, concise tool to help prepare parents and godparents for the Baptism of a child. It offers both spiritual support and important information about the sacrament. The booklet contains twenty-six brief commentaries by Robert M. Hama on the essential elements and liturgical texts of *The Order of Baptism of Children*. Parents will learn about their role as first witnesses to the faith, the essential support of godparents, the distinctively Catholic understanding of the sacrament, and the joys and challenges of lifelong commitment to the faith. The familiar and popular features of earlier editions of *Together at Baptism* remain in place, but have been updated to meet the realities of today's Catholic families, including shifting family structures, the influences of digital distractions on family life, and the need for basic education about the faith. The words of the baptismal celebration and the three-fold immersion in or pouring on of holy water are the same, but many of the greetings, prayers, and instructions of the liturgy have subtle, important changes shifting the tone to the more formal language of the newest edition of the Roman Missal. These changes affect such elements as: the greeting for the Rite of Receiving the Child; text of the Renunciation of Sin and Profession of Faith by parents and godparents; the post-baptismal Explanatory Rites—the Anointing after Baptism, Clothing with the White Garment, Handing on of a Lighted Candle, and the Ephphatha (be opened prayer); and the formulas for the Prayer of the Faithful. The booklet also contains all the Lectionary readings assigned for the celebration of Baptism, the alternate prayer texts provided by *The Order of Baptism of Children*, and a selection sheet for parents invited to choose readings, prayers, and other texts for the liturgy.
