Breakthrough Anchor

The definitive guide to working with -- and surviving -- bullies, creeps, jerks, tyrants, tormentors, despots, backstabbers, egomaniacs, and all the other assholes who do their best to destroy you at work. "What an asshole!" How many times have you said that about someone at work? You're not alone! In this groundbreaking book, Stanford University professor Robert I. Sutton builds on his acclaimed Harvard Business Review article to show you the best ways to deal with assholes...and why they can be so destructive to your company. Practical, compassionate, and in places downright funny, this guide offers: Strategies on how to pinpoint and eliminate negative influences for good Illuminating case histories from major organizations A self-diagnostic test and a program to identify and keep your own "inner jerk" from coming out The No Asshole Rule is a New York Times, Wall Street Journal, USA Today and Business Week bestseller.

Don't Cry Iran Business Plus

Short Stories you gotta Loveem You Just Cant Put It Down is considered to be highly entertaining and cleverly suspenseful turn of events that has it all. The Hamilton girls will have you on the edge of your seat as will the Old Lady Cora. However, Bella will remind you how good it feels to fall head over hills in love again. And you are going to enjoy meeting Little Emily Annette Brown and will admire her courage but wont believe her actions. Im Not Ready to Be A Golden Girl, well lets just say, the name says a lot. The Madison House, last but not lease. Its refreshing and heartwarming and will leave you wanting more.

Assholes Forever Enthea Press

Until recently, it was almost impossible to find anyone who would take the disease of assholism seriously. Compulsively rode treatment of others was viewed only as a character flaw, not as an addiction over which the asshole had no real control. Dr. Crement, who began his career in proctology but has since switched to psychiatry, corrects this glaring omission with this encyclopedic treatment of assholism. The book is written primarily as a self-help guide for recovering assholes -- people who have come to grips with their addiction and are trying to learn what it means to be a decent human being. But it also includes a thorough description of the causes of assholism and the terrible waste this menace creates.

Asshole No More St. Martin's Press

The immense popularity of Dr. Crement's first book, A**hole No More, has led him to write a sequel on the subject, A**holes Forever. In this new book, Dr. Crement examines those sad cases

in which the disease of assholism has become so severe that there is seemingly no cure for it. These are people who have chosen to be assholes forever. Dr. Crement laments that even though the cure for assholism is now well known -- thanks to A**hole No More -- there are people who refuse to recognize their chronic assholism as a disease and seek help. Dr. Crement lists the types of people and groups most prone to being assholes forever, documenting the tricks they use to take advantage of everyone else -- and explains what to do to spot 'em and to stop 'em.

The Suicide Shop Asshole No More Until recently, it was almost impossible to find anyone who would take the disease of assholism seriously. Compulsively rode treatment of others was viewed only as a character flaw, not as an addiction over which the asshole had no real control. Dr. Crement, who began his career in proctology but has since switched to psychiatry, corrects this glaring omission with this encyclopedic treatment of assholism. The book is written primarily as a self-help guide for recovering assholes -- people who have come to grips with their addiction and are trying to learn what it means to be a decent human being. But it also includes a thorough description of the causes of assholism and the terrible waste this menace creates.

Assholes Forever In the spirit of the mega-selling On Bullshit, philosopher Aaron James presents a theory of the asshole that is both intellectually provocative and existentially necessary. What does it mean for someone to be an asshole? The answer is not obvious, despite the fact that we are often personally stuck dealing with people for whom there is no better name. Try as we might to avoid them, assholes are found everywhere—at work, at home, on the road, and in the public sphere. Encountering one causes great difficulty and personal strain, especially because we often cannot understand why exactly someone should be acting like that.

Asshole management begins with asshole understanding. Much as Machiavelli illuminated political strategy for princes, this book finally gives us the concepts to think or say why assholes disturb us so, and explains why such people seem part of the human social condition, especially in an age of raging narcissism and unbridled capitalism. These concepts are also practically useful, as understanding the asshole we are stuck with helps us think constructively about how to handle problems he (and they are mostly all men) presents. We get a better sense of when the asshole is best resisted, and when he is best ignored—a better sense of what is, and what is not, worth fighting for.

Motion and Time Study John Wiley & Sons

In a desperate attempt to escape destruction decades earlier, humankind was forced underground, into the depths of the earth, creating a new society called the Tri-Realms. 17-year-old Adele, a member of the middle-class moon dwellers, is unjustly sentenced

to life in prison deep underground. When a war breaks out within the Tri-Realms, Adele must escape from prison and seek to uncover her parents' true past, armed with only a wicked roundhouse kick and two fists that have been well-trained for combat by her father.

Assholes Bibliotheca Islamic

Has your life been a failure? Let's make your death a success. With the twenty-first century just a distant memory and the world in environmental chaos, many people have lost the will to live. And business is brisk at The Suicide Shop. Run by the Tuvache family for generations, the shop offers an amazing variety of ways to end it all, with something to fit every budget. The Tuvaches go mournfully about their business, taking pride in the morbid service they provide. Until the youngest member of the family threatens to destroy their contented misery by confronting them with something they've never encountered before: a love of

life.

You Just Can't Put It Down Gallic Books

It is 1919 and Elizabeth Hughes, the eleven-year-old daughter of America's most-distinguished jurist and politician, Charles Evans Hughes, has been diagnosed with juvenile diabetes. It is essentially a death sentence. The only accepted form of treatment – starvation – whittles her down to forty-five pounds skin and bones. Miles away, Canadian researchers Frederick Banting and Charles Best manage to identify and purify insulin from animal pancreases – a miracle soon marred by scientific jealousy, intense business competition and fistfights. In a race against time and a ravaging disease, Elizabeth becomes one of the first diabetics to receive insulin injections – all while its discoverers and a little known pharmaceutical company struggle to make it available to the rest of the world. Relive the heartwarming true story of the discovery of insulin as it's never been told before. Written with authentic detail and suspense, and featuring walk-ons by William Howard Taft, Woodrow Wilson, and Eli Lilly himself, among many others.
