When God Created Mothers Thomas Nelson Inc

Praying Through Your Pregnancy shows a mother how to provide an early head start for her child through the power of prayer. With fresh spiritual insight, each chapter reveals what is happening with the baby's development that week, starting with the very first moment of conception, when God begins the creation of either a boy or a girl. Readers will learn how the confidence they place in God affects the healthy development of their precious growing baby, and how to reduce their own stress and anxiety by looking to the Creator. In this interactive guidebook, the author shares excerpts from her pregnancy journal as an encouragement for women to write their own thoughts and feelings, and each chapter ends with a Mother's Prayer and Scriptures for Meditation. Praying Through Your Pregnancy was a 2011 Christian Book Award Finalist.

When a mother looks into the eyes of her son for the first time, her heart is filled with love--and questions. How do I raise a boy? What struggles will he go through? What kind of a man will he grow up to be? She wants to pray for her son, but may not know just what to pray for. Now the couple who brought you A Dad's Prayers for His Daughter turns to a mother's unique relationship with her son. They assure Mom that even if she isn't always sure what kind of support her son needs, God always knows. Providing specific prayers moms can use, along with stories from other moms about how God has answered their prayers for their sons, Rob and Joanna Teigen give women a strong foundation

to build a lifelong habit of prayer for their sons. They also explain a little more about boys and what they need to learn growing up, including character, courage, self-control, forgiveness, and more, so a mom can pray for every area of her son's life.

You're never too young to be one of God's "special agents"--the people He uses to accomplish His will in the world. In this prayer book written especially for middle-grade children, the author of the popular teen prayer book Hear Me uses the examples of special agents of the past--the saints--to encourage children to serve God here and now. In addition to morning and evening prayers, prayers for special needs, and psalms to pray, Special Agents of Christ includes "training drills" on preparing for confession, understanding the Liturgy and the clergy's vestments, and more.

The story of Ashura, though a sad story, has always been the inspiration for the world's great freedom seekers and great thinkers throughout the history. Imam Hussein's (a.s) mission was as the Prophet (p.b.u.h) said, to be, "The light of guidance and the vessel of salvation" by accepting the of wounds by the spears, swords and sharp daggers, and the death of friends and children, orphanage of children. Thus the women in his family became captives. And it is such that Ashura is no longer a day, but a history. It is not an event but a source of inspiration for all truth-seekers and worshipers of righteousness in all times and places. The book is an illustrated narrative of the story of Karbal, although expressed in a simplified language; it is based on authentic historical sources. This book tries to draw the immortal Karbala epic in the minds of children and adolescents. This work is addressing children and adolescents who are

interested in the fight against injustice at all times and places. The book is presented in an amusing way (Comic Strip) and has more than 150 beautiful historic illustrations, along with short, simplified texts. One of the proud times of the struggle against oppression and injustice in the history is narrated in this work in the form of a true story. This interesting book is one of the best works ever published in Iran in the form of a Comic Strip.

**365 Days of Prayer for Mothers** Cfi  
What principles enabled the concerned mom of two junior high school students to move from deciding she needed to pray for her kids at school to becoming the founder of a worldwide prayer movement called Moms In Prayer International? Fern Nichols is a passionate believer in the power of prayer. She knows that a regular habit of prayer can change things--can bring home wayward children, heal broken marriages, and provide answers to desperate situations. Prayer can also bring a new kind of peace and contentment no matter what hardships or disappointments we face. But most important, Fern knows that through prayer we can experience, firsthand, an ever-increasing intimacy with God. In Moms In Prayer, Fern Nichols reveals how she teaches women to pray in a way that changes their lives and the lives of those they love. She teaches the principles and practices that will not only revolutionize the way people think about prayer, but the way they do pray, leading them into a deeper intimacy with Jesus, who is always interceding on our behalf. Sparkling with real-life stories of God at work in the lives of praying

moms, Fern introduces us to the four prayers that are the foundation of the Moms In Prayer approach to prayer: Praise: Praying according to the attributes of God Confession: Breaking strongholds Thanksgiving: Expressing a grateful heart Intercession: Standing in the gap with Jesus. What transforms these well-known elements of prayer into such a powerful force in Moms In Prayer International? Fern Nichols introduces a way of praying that energizes, creates an appetite for intimacy with God, overcomes spiritual paralysis, eliminates fear, unveils the heart and character of God, and transforms the pray-er's life and perspective. She teaches how to pray effectively with others, how to prepare for the spiritual battles that swirl when prayer is on the move, how to persist in prayer in the face of hopelessness and despair, and how to use Scripture for effective prayer. God hears. God acts. God moves. God works.
