The #1 New York Times bestselling series continues with a thrilling revelation -- three brand-new tribes of dragons! Growing up in the hives, Cricket has always had a million questions. Why are trees forbidden, even in art? Why do her parents seem to hate her? And the biggest, most dangerous and secret question of all: Why is Cricket immune to Queen Wasp's powers? Whenever the queen takes control of all the HiveWings, speaking through their mouths and seeing through their eyes, Cricket has to hide, terrified of being discovered. Now she's hiding again, wanted for stealing the Book of Clearsight along with her new SilkWing friends, Blue and Swordtail, and the fierce LeafWing, Sundew. The fugitives need answers, and fast, in order to prevent a LeafWing attack. But Cricket has more questions than ever. How can she stay hidden and discover the queen's deadliest secret? Wings of Fire: The Dark Secret: A Graphic Novel (Wings of Fire Graphic Novel #4) Branches

The Lost Continent, initially published as a serial in 1899, remains one of the enduring classics of the "lost race" genre. In it we follow Deucalion, a warrior-priest on the lost continent of Atlantis, as he tries to battle the influence of an egotistical upstart empress. Featuring magic, intrigue, mythical monsters, and fearsome combat on both land and sea, the story is nothing if not

a swashbuckling adventure. The Lost Continent was very influential on pulp fiction of the subsequent decades, and echoes of its style can be found in the work of Edgar Rice Burroughs, Robert E. Howard, and others. This book is part of the Standard Ebooks project, which produces free public domain ebooks. Scholastic Inc.
