### **SELLERS CORDOVA**

*Oratio pro L. Murena* Gallic Books  
 Papius' 1893 book on Magic was the first to bring together all the Grimoires into one book, and provide a clear path of study to perform the Solomonic Rites. He brings his scientific mind to argue that experimentation in the astral is just as important as scientific inquiry, as he takes us on a fascinating journey through late 19th Century France.  
**The Sources of Revelation** Douglas & McIntyre Limited  
 Beautiful and naïve, Columbia Columbus wanders through the world in search of friendship upon the death of her famous father. Despite fantastic adventures, she finds mostly cruelty and indifference, until she makes friends with an ever growing number of animals, some of whom serve as bodyguards during her return to Montreal in the year 2492 to celebrate the millennium of Christopher Columbus's discovery of America.  
 Grand dictionnaire universel du XIXe siècle Ignatius Press  
 This book forms a grand synthesis of Benamozegh's religious thought. It is at once a wide-ranging summa of scriptural, Talmudic, Midrashic, and kabbalistic ideas, and an intensely personal account of Jewish identity.

Grand dictionnaire universel du XIXe siècle: A-Z. 1805-76 Simon and Schuster

A historical account of the life of Pierre Le Moyne d'Iberville, the legendary French-Canadian explorer and soldier who played a crucial role in the early colonization of Louisiana. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Rites and Passages Rowman & Littlefield

The tragic story of Clisson and Eugenie reveals one of history's great leaders to also be an accomplished writer of fiction.Written in an eloquently Romantic style true to its period, the story offers the reader a fascinating insight into how the young Napoleon viewed love, women and military life.

מאמר בעצם הגלגל לאבן רשד Ignatius Press

Here, Henri de Lubac gathers from throughout the breadth and length of Catholic tradition elements which he synthesizes to show the essentially social and historical character of the Catholic Church and how this worldwide and agelong dimension of the Church is the only adequate matrix for the fulfillment of the person within society and the transcendence of the person towards God.

*Israel and Humanity* University of Notre Dame Press

Winner of the Prix Québec-Paris, the Québec Bookstores' Prize and the Prix Littéraire Desjardins, *Invisible Man at the Window* is the bizarre and compelling tale of a group of artists and hangers-on whose lives cross in the attic apartment of a painter called Max. Through a series of chapters in the form of "portraits," Max, a paraplegic, lays bare the psyches of those who would surround him, pamper him, love him either because or in spite of his handicap.

*Qoheleth* Guernica Editions

The question of the extent to which the Septuagint reflects an evolution in messianic belief in comparison with the Masoretic Text has come into prominence in recent years, and in view of the role played by messianism in Jewish belief of the late Second Temple period and in early Christianity it seemed very appropriate that "The Septuagint and Messianism" should be chosen as the theme of the 2004 Colloquium Biblicum Lovaniense. This volume contains the papers given at the Colloquium, which are concerned both with methodological issues and with the interpretation of specific texts (in practice the majority of the texts in the Septuagint for which a messianic interpretation has been claimed). The papers are very far from all reflecting the same approach, and it has frequently happened that the same texts have been treated by different contributors from very different viewpoints. But the fact such different viewpoints are expressed is a proper reflection of the complexity of the issues involved in the question of the extent of messianic belief in the Septuagint, and of the fact that the question requires a nuanced answer. It is in any case hoped that the varied approaches reflected in the papers will serve to make clear the underlying reasons for the differences between those who take a "minimalist" and those who take a "maximalist" view on the subject of the Septuagint and Messianism.

*Corpus Mysticum* St Vladimir's Seminary Press

This new addition to the successful Continental Commentary series is a significant and fresh treatment of Qoheleth (or Ecclesiastes). A famed professor presents a startlingly new translation of this often perplexing book of the Old Testament. Lohfink also argues for a rather different interpretation of the book than one finds elsewhere. Rather than reading the book's perspective as depressing, lost, or cynical, he highlights the elements of joy and balance. The volume includes introduction, new translation, commentary, parallel passages, bibliography, and indexes.

*The Holocaust and the Literary Imagination* Ignatius Press

One of the major figures of twentieth-century Catholic theology, Henri Cardinal de Lubac was known for his attention to the doctrine of the church and its life within the contemporary world. In *Corpus Mysticum* de Lubac investigates a particular understanding of the relation of the church to the eucharist. He sets out the nature of the church as communion, a doctrine that influenced the thinking of the Second Vatican Council. With the publication of *Corpus Mysticum*, this important text of contemporary Catholic ecclesiology and sacramental theology is available for the first time in an English translation. Its publication fills a significant gap in the range of de Lubac's works available to English-speaking scholars. It will be an important resource in the widespread and ongoing ecumenical discussions among Catholic, Protestant, and Orthodox theologians.

*The Literature of the French Renaissance* Legare Street Press

Bibliography: p. 200-210.

**Grand dictionnaire universel: A-Z. 1865-76** U of Minnesota Press

Berbers, also known as Imazighen, are the ancient inhabitants of North Africa, but rarely have they formed an actual kingdom or separate nation state. Ranging anywhere between 15-50 million, depending on how they are classified, the Berbers have influenced the culture and religion of Roman North Africa and played key roles in the spread of Islam and its culture in North Africa, Spain, and Sub-Saharan Africa. Taken together, these dynamics have over time converted to redefine the field of Berber identity and its socio-political representations and symbols, making it an even more important issue in the 21st century. This second edition of *Historical Dictionary of the Berbers* contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has over 200 cross-referenced entries on important personalities, places, events, institutions, and aspects of culture, society, economy, and politics. This book is an excellent resource for students, researchers, and anyone wanting to know more about the Berbers.

**St. Gregory Palamas and Orthodox Spirituality** Fortress Press

Originally published in French in 1991 by Les Editions du Seuil, Paris. Raises and explores such questions as: What are the necessary conditions for the existence of passion? Can passion be submitted to a logic of language? Does passion allow systemic semiotic transformations? Annotation copyright by Book News, Inc., Portland, OR

**A Historical Grammar of the French Tongue** Peeters Publishers

Hans Urs von Balthasar prepared this overview of the theology and spirituality of Henri de Lubac, whom he calls friend and master, on the occasion of the latter's eightieth birthday. Beginning with personal reflections drawn from the then unpublished pages of "memoirs" which de Lubac placed in his hands, von Balthasar offers a review of all the major works of de Lubac. Von Balthasar illustrates here the wonderful synthetic power for which he is justly known: bringing the range as well as the organic unity of de Lubac's work clearly into view. The main themes of that work remain as important now as when de Lubac first took them up--perhaps even more important. And there is no one better able to discuss these themes than von Balthasar,

a master of theology in his own right and de Lubac's great friend for over fifty years. Co-published with Communio Books.

**Grand dictionnaire universel du XIX siècle** University of Pennsylvania Press

Alzire first appeared on the stage in 1736 to great acclaim and success. Alzire is set Lima, Peru, at the time of the Spanish conquest. Don Gusman, a Spanish grandee, has just succeeded his father, Don Alvarez, in the Governorship of Peru. The rule of Don Alvarez had been beneficent and just; he had spent his life in endeavoring to soften the cruelty of his countrymen; and his only remaining wish was to see his son carry on the work which he had begun. Unfortunately, however, Don Gusman's temperament was the very opposite of his father's; he was tyrannical, harsh, headstrong, and bigoted. It is in vain that Don Alvarez reminds his son that the true Christian returns good for evil and as a result tragedy issues. Wilder Publications is a green publisher. All of our books are printed to order. This reduces waste and helps us keep prices low while greatly reducing our impact on the environment.

*Catholicisme* Paulist Press

The only work in English to survey Gutenberg scholarship from the fifteenth century to the mid-1980s. It includes a detailed discussion of the 42-line Bible of 1455. Designed by Abe Lerner, and set and printed in Monotype Van Dijk by Michael & Winifred Bixler.

**Grand dictionnaire universel du XIXe siècle, français, historique, géographique, mythologique, bibliographique, littéraire, artistique, scientifique....**

A critical and interpretive study of the literature of atrocity, major imaginative writing inspired and informed by the Holocaust, examining works in English translation by such writers as Aichinger, Boll, Kosinski, Lind, Sachs, Schwarz-Bart, and Wiesel.

*Historical Dictionary of the Berbers (Imazighen)*

Written in 1951 (with a second edition in 1961), this book takes its place within an impressive array of attempts to wrestle with Karl Barth's theology from a Catholic point of view. The book adopts the twofold strategy of presenting an exposition of "the whole of Barth's thought," while doing so for the purpose of a confessional dialogue among theologians. Not to be construed as an "Introduction to the Theology of Karl Barth," Balthasar's effort is to provide a Catholic response which, though not "official", nonetheless seeks to express a common direction and movement within Catholicism. The Theology of Karl Barth shows how a rethinking of basic issues in fundamental theology-concerning the relation of nature and grace, philosophy and theology, the "analogy of being" and the "analogy of faith"-might lead to a rapprochement between the two great rivers of Christianity, without compromising the center of gravity of either. In the process the book makes a major contribution to renewed understanding of Christianity in a secularized modern world. Co-published with Communio Books. "This reflection by one of the century's great Catholic theologians on the theology of one of the century's great Protestant theologians is an example of ecumenical dialogue at its best. One finds here a sympathetic and at the same time faithfully Catholic discussion of the major issues surrounding Barth's christocentricity. The appearance of an unabridged English translation of this book could hardly be more timely for the current religious situation in North America." - David L. Schindler, Gagnon Professor of Fundamental Theology, John Paul II Institute "No one should think he can quickly dispose of questions posed here offhandedly. It was precisely because writers were in the habit during the time of the Reformation of theologizing with a hammer that the split in the Church became irreparable. And to work at overcoming this split means much effort. Only the patient need apply." - Hans Urs von Balthasar

*Pierre Sur Pierre*

In September 1791, two years after the Revolution, French Jews were granted full rights of citizenship. Scholarship has traditionally focused on this turning point of emancipation while often overlooking much of what came before. In *Rites and Passages*, Jay R. Berkovitz argues that no serious treatment of Jewish emancipation can ignore the cultural history of the Jews during the ancien régime. It was during the late seventeenth and eighteenth centuries that several lasting paradigms emerged within the Jewish community—including the distinction between rural and urban communities, the formation of a strong lay leadership, heightened divisions between popular and elite religion, and the strain between local and regional identities. Each of these developments reflected the growing tension between tradition and modernity before the tumultuous events of the French Revolution. *Rites and Passages* emphasizes the resilience of religious tradition during periods of social and political turbulence. Viewing French Jewish history through the lens of ritual, Berkovitz describes the struggles of the French Jewish minority to maintain its cultural distinctiveness while also participating in the larger social and economic matrix. In the ancien régime, ritual systems were a formative element in the traditional worldview and served as a crucial repository of memories and values. After the Revolution, ritual signaled changes in the way Jews related to the state, French society, and French culture. In the cities especially, ritual assumed a performative function that dramatized the epoch-making changes of the day. The terms and concepts of the Jewish religious tradition thus remained central to the discourse of modernization and played a powerful role in helping French Jews interpret the diverse meanings and implications of emancipation. Introducing new and previously unused primary sources, *Rites and Passages* offers a fresh perspective on the dynamic relationship between tradition and modernity.

*Fragments of a Zadokite Work*

"This richly documented and lavishly illustrated study of Orthodox spirituality traces the development of "Orthodox mysticism" from the desert fathers through the patristic tradition to Byzantine hesychasm and its heritage in Russian monasticism. It shows how the work of Palamas transcends the limits of one school of spirituality and renews in its deepest essence the life of the Christian Mystery."--Jacket.
