The Fox in the Library Simon and Schuster

A New York Times bestseller The bestselling sequel—and conclusion—to Victoria Schwab's instant #1 New York Times bestseller This Savage Song. Kate Harker is a girl who isn't afraid of the dark. She's a girl who hunts monsters. And she's good at it. August Flynn is a monster who can never be human. No

matter how much he once yearned for it. He has a part to play. And he will play it, no matter the cost. Nearly six months after Kate and August were first thrown together, the war between the monsters and the humans is a terrifying reality. In Verity, August has become the leader he never wished to be, and in Prosperity, Kate has become the ruthless hunter she knew she could be. When a new monster emerges from the shadows—one who feeds on chaos and brings out its victim's inner demons—it lures Kate home, where she finds more than she

bargained for. She'll face a monster she thought she killed, a boy she thought she knew, and a demon all her own. A gorgeously written dark fantasy from New York Times–bestselling author Victoria Schwab, and one to hand to fans of Holly Black, Laini Taylor, and Maggie Stiefvater. “Explosive.”—Brightly

Easy German Cookbook Quarto
A tender and deeply moving picture book about loss and the big questions it leaves behind from New York Times bestselling author Sheila Heti and acclaimed illustrator Esmé Shapiro. Two bunnies and a cat live happily together in a beautiful garden. But when the big bunny passes away, the little bunny is unsure how to fill the void she left behind. A strange dream prompts her to

begin asking questions: Why do the creatures we love have to die, and where do we go when we die? How come life works this way? With the wisdom of the cat to guide her, the little bunny learns that missing someone is a way of keeping them close. And together they discover that the big bunny is a part of everything around them -- the grass, the air, the leaves -- for the world is a garden of creatures. With its meditative text, endearing illustrations and life-affirming message, *A Garden of Creatures* reveals how the interconnectedness of nature and the sweetness of friendship can be a warm embrace even in the darkest times.
