Un jour, peut-être ? Simon and Schuster

With its fittingly dramatic design, *Courbet and the Modern Landscape* accompanies the first major museum exhibition specifically to address Gustave Courbet's extraordinary achievement in landscape painting. Many of these carefully selected works produced from 1855 to 1876--gathered from Asia, Europe, and North America--will be new to readers. The catalogue--which accompanies an exhibition at the Getty Museum to be held from February 21 to May 14, 2006--highlights the artist's expressive responses to the natural environment. Essays by the curators examine Courbet's distinctly modern practice of landscape painting. Mary Morton's essay situates his landscapes in relation to his work in other genres, his critical reputation, and his role in establishing a new pictorial language for landscape painting. Charlotte Eyerman's essay investigates how later generations of nineteenth- and twentieth-century artists responded to Courbet's example. The catalogue also includes an essay by Dominique de Font-Reaulx, curator of photographs at the Musee d'Orsay, on the relationship between Courbet's work and landscape photography of the 1850s and 1860s. Shortlisted for the 2016 Giller Prize Selected for Indies Introduce Summer/Fall 2016 Catherine Leroux's first novel, translated into English brilliantly by Lazer Lederhendler, ties together stories about siblings joined in surprising ways. A woman learns that she absorbed her twin sister's body in the womb and that she has two sets of DNA; a girl in the deep South pushes her sister out of the way of a speeding train, losing her legs; and a political couple learn that they are non-identical twins separated at birth. The Party Wall establishes Leroux as one of North America's most intelligent and innovative young authors. Catherine Leroux was born in 1979 in Montreal, Quebec, where she continues to live and write.

In Her Wake Walter de Gruyter

Il suffit de quelques secondes pour que tout bascule... Être le propriétaire d'un club de striptease n'est pas reposant tous les jours. Pourtant Cain prend son job très au sérieux. Il s'occupe de ses employés et en particulier des femmes en restant fidèle à sa mission, les sauver sans jamais les toucher. Mais quand Charlie Rourke franchit la porte du club, Cain comprend très vite que garder son self-control en cotoyant la blonde explosive va devenir très compliqué. Mais qui est Charlie Rourke ? A qui cherche-t-elle à échapper ? Pourquoi veut-elle disparaître ? Un nouveau roman exaltant, sexy et rempli de suspens.

An award-winning graphic novel from Quebec — for fans of *Jane, the Fox and Me* and *A Year Without Mom* This moving graphic novel tells the story of the affection between a girl and her grandfather. When the grandfather withdraws in grief after his wife dies, the girl is determined to live life fully herself and enters

an extraordinary contest — the result is a sensitive portrayal of pursuing a dream. Grandfather, a man of few words, is devastated when his beloved wife succumbs to cancer, and he sinks into depression. His granddaughter (“Mémère,” as he calls her) has a different response. She decides to enter the Who Will Go to the Moon Contest, and when she actually wins, she hopes that Grandfather will be proud of her. She embarks on the thrilling journey and at first it is wonderful, but just as she is about to reach the moon, her journey takes an unexpected turn. Written by Stéphanie Lapointe and beautifully illustrated by Rogé, this imaginative graphic novel explores intergenerational relationships, love, death, dreams and illusions. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.5.1 Quote accurately from a text when explaining what the text says explicitly and when drawing inferences from the text. CCSS.ELA-LITERACY.RL.5.6 Describe how a narrator's or speaker's point of view influences how events are described.

All the Tides of Fate Simon and Schuster

Before you knew him as Trent in *Ten Tiny Breaths*, he was Cole Reynolds—and he had it all. Until one night when he makes a fatal, wrong decision...and loses everything. Discover his side of the story in this novella from the beloved nationally bestselling author, K.A. Tucker. When a drunken night out at a Michigan State college party results in the death of six people, Cole must come to terms with his part in the tragedy. Normally, he'd be able to lean on his best friends—the ones who have been in his life since he could barely walk. Only, they're gone. Worse, there's the shattered body of a sixteen-year-old girl lying somewhere in a hospital bed, her entire life ripped from her because of a case of beer and a set of keys. Everyone assures him that they know it wasn't intentional, and yet he can't ignore the weight of their gazes, the whispers behind his back. Nor can he shake the all-consuming guilt he feels every time he thinks of that girl who won't so much as allow him near her hospital room to apologize. As the months go by and the shame and loneliness festers, Cole begins to lose his grip on what once was important—college, his girlfriend, his future. His life. It's not until Cole hits rock-bottom

that he can begin to see another way out of his personal hell: forgiveness. And there's only one person who can give that to him...

Five Ways to Fall Hugo Roman

'High energy, highly unique, swashbuckling-cop-epic-noir story. Buy it. BUY IT NOW' Sam Sykes The Three Musketeers meets Joe Abercrombie via Mark Lawrence. The Greatcoats are back - and this time it's personal. How do you kill a Saint? Falcio, Brasti and Kest are about to find out, as someone is doing just that, and they've started with a friend. The Dukes were already looking for ways to weasel out of their promise to put Aline on her father's throne - but with Saints turning up dead, and Church Inquistitors pushing for control - rumours are spreading that the Gods themselves oppose her ascension. The only way Falcio can stop the country turning into a vicious theocracy is to find and stop the Saint-killer - but his only clue is the iron mask encasing the head of the Saint of Mercy, which prevents her from speaking. And even if he can find the murderer, he will still have to face them in battle - and this may be a duel that no swordsman, no matter how skilled, can win.

Maybe someday Routledge

Ten year old Ferius Parfax has a simple plan: kill every last inhabitant of the spell-gifted nation that destroyed her people, starting with the man who murdered her parents. Killing mages is a difficult business, of course, so Ferius undertakes to study the ways of the Argosi: the loosely-knit tribe of tricksters known for getting the better of even the most powerful of spellcasters. But the Argosi have a price for their teachings, and by the time Ferius learns what it is, it may be too late. Perfect for fans of The Dark Tower, Firefly, Guardians of the Galaxy, Terry Pratchett, Ben Aaronovitch and Jim Butcher.

Simple Perfection Hugo Roman

In *The World Upside Down* in 16th Century French Literature and Visual Culture Vincent Robert-Nicoud offers an interdisciplinary account of the topos of the world upside down in early modern France. To call something 'topsy-turvy' in the sixteenth century is to label it as abnormal. The topos of the world upside down evokes a world in which everything is inside-out and out of bounds: fish live in trees, children rule over their parents, and rivers flow back to their source. The world upside down proves to be key in understanding how the social, political, and religious

turmoil of sixteenth-century France was represented and conceptualised, and allows us to explore the dark side of the Renaissance by unpacking one of its most prevalent metaphors.

Falling Into You Columbia University Press

In the shadows of the city waits an invisible frontier—a wilderness thriving in the deep places, woven through dead storm drains and live subway tunnels, coursing over third rails. This frontier waits in the walls of abandoned tenements, hides on the rooftops, infiltrates the bridges' steel. It's a no-man's-land, fenced off with razor wire, marked by warning signs, persisting in shadow, hidden everywhere as a parallel dimension. Crowds hurry through the bright streets, insulated by pavement, never reflecting that beneath their feet or above their heads lurks a universe. Led by its two founding agents, L. B. Deyo and David "Lefty" Leibowitz, *Jinx* is a stylish urban adventure out?t known for its daring—if sometimes ridiculous—forays into the hidden wonders that lurk above and beneath America's greatest city, New York. In *Invisible Frontier* L. B. and Lefty chronicle *Jinx's* dramatic—if sometimes absurd—exploration of a Dante-esque New York, from the depths of the city's underground Hell (abandoned aqueducts and subway tunnels) to the pinnacles of its Paradise (rooftops and bridges) and everything in between, capturing the genius of the city's engineering, the vibrancy of its found art, and the elegiac beauty of its ruins. Here is a true series of wittily narrated adventures into the hidden world beneath a great civilization.

Driven - Tome 01 Hugo Roman

I wasn't always in love with Colton Calloway; I was in love with his younger brother, Kyle, first. Kyle was my first one true love, my first in every way. Then, one stormy August night, he died, and the person I was died with him. Colton didn't teach me how to live. He didn't heal the pain. He didn't make it okay. He taught me how to hurt, how to not be okay, and, eventually, how to let go. Nell Hawthorne is in love with her life-long best friend, Kyle Calloway. Things are great, and they're in love, young, full of promise. Then Kyle dies in a tragic accident and Nell is forever changed. She meets Kyle's older brother Colton at the funeral, and there's a spark, but it's wrong and they both know it. The moment passes, and they both move on with life. A couple years later, they meet again in New York City, and Colton realizes that Nell has never really gotten over Kyle's death, and seems to be harboring a deeply rooted pain, something like guilt, perhaps. He

knows he shouldn't get involved, but he can't help himself. Trust doesn't come easily for either of them, and they both have demons, Colton especially. Together, they learn the purpose of pain and the meaning of healing, and the importance of forgiveness.

Marked men - Tome 03 Rowman & Littlefield

After a terrible car accident destroys her life as she knew it, twenty-year-old Kacey escapes to Florida, where she encounters an irresistible man determined to capture her wounded heart. Just breathe, Kacey. Ten tiny breaths. Seize them. Feel them. Love them. Four years ago, Kacey Cleary's life imploded when her car was hit by a drunk driver, killing her parents, boyfriend, and best friend. Still haunted by memories of being trapped inside, listening to her mother take her last breath, Kacey wants to leave her past behind. Armed with two bus tickets, Kacey and her fifteen-year-old sister, Livie, escape Grand Rapids, Michigan, to start over in Miami. They're struggling to make ends meet at first, but Kacey's not worried. She can handle anything—anything but her mysterious neighbor in apartment 1D. Trent Emerson has smoldering blue eyes and deep dimples, and perfectly skates that irresistible line between nice guy and bad boy. Hardened by her tragic past, Kacey is determined to keep everyone at a distance, but their mutual attraction is undeniable, and Trent is desperate to find a way into Kacey's guarded heart—even if it means revealing an explosive secret that could shatter both their worlds. *The Cinema of Agnès Varda* Groundwood Books Ltd Sometimes you can't change—and sometimes you just don't want to. Read Ben's side of the Ten Tiny Breaths story in this romantic coming of age novel by the beloved, top-selling indie author praised for her "likeable characters, steamy liaisons, and surprising plot twists" (Kirkus Reviews). Purple-haired, sharp-tongued Reese MacKay knows all about making the wrong choice; she's made plenty of them in her twenty-odd-years. So when her impulsive, short-lived marriage ends in heartbreak, she decides it's time for a change. She moves to Miami with the intention of hitting reset on her irresponsible life, and she does quite well...aside from an epically humiliating one-night stand in Cancun with a hot blond bouncer named Ben. Thank God she can get on a plane and leave that mistake behind her. Football scholarship and frat parties with hot chicks? Part of charmer Ben Morris's plan. Blown knee that kills any hope of a professional

football career? So not part of the plan. Luckily Ben has brains to go with his knockout looks and magnetism. After three long years of balancing law school with his job as a bouncer at Penny's Palace, he's ready to lead a more mature life—until his first day of work, when he finds himself in the office of that crazy, hot chick he met in Cancun. The one he hasn't stopped thinking about. If Ben truly were a smart guy, he'd stay clear of Reese. She's the boss's stepdaughter and it's been made very clear that office romances are grounds for dismissal. Plus, rumor has it she's trouble. The only problem is, he likes trouble, especially when it's so good-looking...

"Barthes's most popular and unusual performance as a writer is "A Lover's Discourse," a writing out of the discourse of love. This language primarily the complaints and reflections of the lover when alone, not exchanges of a lover with his or her partner is unfashionable. Thought it is spoken by millions of people, diffused in our popular romances and television programs as well as in serious literature, there is no institution that explores, maintains, modifies, judges, repeats, and otherwise assumes responsibility for this discourse . . . Writing out the figures of a neglected discourse, Barthes surprises us in "A Lover's Discourse" by making love, in its most absurd and sentimental forms, an object of interest." Jonathan Culler

The Politics of Resentment Simon and Schuster

When a gorgeous young dancer walks through his door, a strip club owner must decide whether to follow his rules or his heart in the third novel by the author of *One Tiny Lie* and *Ten Tiny Breaths*. I believe you don't have years, or months, or weeks to impact a person's life. You have seconds. Seconds to win them over, and seconds to lose them. Owning a strip club isn't the fantasy most guys expect it to be. With long hours, a staff with enough issues to keep a psych ward in business, and the police regularly on his case, twenty-nine-year-old Cain is starting to second-guess his unspoken mission to save the women he employs. And then blond, brown-eyed Charlie Rourke walks through his door, and things get really complicated. Cain abides by a strict "no sleeping with his staff" rule. But being around Charlie challenges Cain's self-control . . . and it's been a long time since any woman has done that. Twenty-two-year-old Charlie Rourke needs a lot of money, really fast, in order to vanish before

it's too late. Taking her clothes off for men makes her stomach curl, but Charlie tells herself that at least she's putting her acting and dancing skills to good use. And though her fellow dancers seem eager to nab their sexy, sophisticated, and genuinely caring boss, she's not interested. After all, Charlie Rourke doesn't really exist—and the girl pretending to be her can't get distracted by romance. Unfortunately, Charlie soon discovers that developing feelings for Cain is inevitable, and that those feelings may not be unrequited—but losing him when he finds out what she's involved with will be more painful than any other sentence awaiting her.

Respire - Tome 03 BRILL

Swordplay, magic, intrigue and friendships stronger than iron: the first volume in the new swashbuckling fantasy series set in the universe of *THE GREATCOATS*. Damelas Chademantaigne picked a poor night to flee a judicial duel. He has precious little hope of escaping the wrath of the Vixen, the most feared duellist in the entire city, until he stumbles through the stage doors of the magnificent *Operato Belleza* and tricks his way into the company of actors. An archaic law provides a temporary respite from his troubles - until one night a ghostly voice in his head causes Damelas to fumble his lines, inadvertently blurting out a dreadful truth: the city's most legendary hero may actually be a traitor and a brutal murderer. With only the help of his boisterous and lusty friend Bereto, a beautiful assassin whose target may well be Damelas himself, and a company of misfit actors who'd just as soon see him dead, this failed grandson of two Greatcoats must somehow find within himself the courage to dig up long-buried truths before a ruthless band of bravos known as the Iron Orchids come for his head. Oh, and there's still that matter of the Vixen waiting to duel him . . . Readers love *Play of Shadows!* 'De Castell's masterful writing weaves an impressive tale with a fantastic plot, intriguing characters, and wondrous storybuilding. Another masterpiece' - 5* reader review 'If you are looking for a swashbuckling adventure with a dash of romance and a leaven of humour, then go out and get a copy of this book' - 5* reader review 'Everything that you come to expect from a Greatcoats world book - swashbuckling, emotional rollercoaster, a hero to root for and a great cast of characters some you will love and some you will hate' - 5* reader review

On Revolution Hugo Roman

"An important contribution to the literature on contemporary

American politics. Both methodologically and substantively, it breaks new ground." —*Journal of Sociology & Social Welfare*
When Scott Walker was elected Governor of Wisconsin, the state became the focus of debate about the appropriate role of government. In a time of rising inequality, Walker not only survived a bitterly contested recall, he was subsequently reelected. But why were the very people who would benefit from strong government services so vehemently against the idea of big government? With *The Politics of Resentment*, Katherine J. Cramer uncovers an oft-overlooked piece of the puzzle: rural political consciousness and the resentment of the "liberal elite." Rural voters are distrustful that politicians will respect the distinct values of their communities and allocate a fair share of resources. What can look like disagreements about basic political principles are therefore actually rooted in something even more fundamental: who we are as people and how closely a candidate's social identity matches our own. Taking a deep dive into Wisconsin's political climate, Cramer illuminates the contours of rural consciousness, showing how place-based identities profoundly influence how people understand politics. *The Politics of Resentment* shows that rural resentment—no less than partisanship, race, or class—plays a major role in dividing America against itself.

Ugly Love Gollancz

Intrépide et pleine de vie, Cora Lewis est aussi celle qui veille sur ses amis « bad boys » tatoueurs, dans le salon Marked où elle officie comme perceuse. Derrière son apparente joie se cache un cœur brisé et Cora est bien décidée à ne plus jamais se laisser embraser par une passion dévorante. Elle attend maintenant l'homme parfait, sans bagages douloureux ni histoire dramatique, avec qui elle pourra s'engager. Et elle rencontre Rome Archer. Sous ses airs rassurants d'ancien soldat, Rome est en fait têtu, autoritaire et rigide. Pas très « homme parfait » ! Et surtout il revient du front... Si Rome avait l'habitude d'être le grand frère protecteur, le fils aimant, le bon soldat, aujourd'hui il n'est aucun de ces hommes-là. Traumatisé, il cherche un moyen de survivre et de reprendre le cours de sa vie, malgré les démons de la guerre qui le rongent. Pour cela, il pensait être seul, jusqu'à ce que Cora débarque dans sa vie et l'éclaire de mille couleurs. Parfois les mauvais choix sont les meilleurs.
