The Making of the American Creative Class narrates the history of workers in New York's publishing, advertising, design, and broadcasting industries and their efforts to improve their working conditions, set against the backdrop of the economic dislocations of twentieth-century capitalism.  
*365 Days of Art* Watson-Guptill

Learn to draw using simple line art to create your own inspired, meaningful illustrations! Following an introduction to basic tools and materials, including pencils, pens, inks, watercolor, and markers, artists will discover helpful tips and techniques for drawing, layout and composition, hand lettering, and working with color. Easy step-by-step projects help you create your own personalized artwork and illustrations, from floral and nature motifs to portraits, scenes, and favorite things. The final section of the book offers creative prompts to spark your

imagination, illustrated frames for personal art expression, and a guide for creating a vision board to illustrate a manifestation of goals and dreams. With relatable and captivating prompts to inspire you on your artistic journey, plus an abundance of drawing tips, techniques, and tutorials, *Art Starts in the Heart* is your ideal resource for learning to create expressive, purposeful artwork inspired by your goals, dreams, and the most important moments in your life. Packed with engaging instruction, tips, and beautiful step-by-step artwork, the *Art*

Starts series presents approachable and heartwarming guides to line drawing designed to both inspire and teach beginning artists how to create meaningful artwork using simple lines and mindful prompts.

*Creative God, Colorful Us* Quarto Publishing Group USA

“Pays tribute to the ubiquitous, universal, and highly user-friendly Sharpie marker . . . The heart of the guide is the many short creativity exercises.” —Library Journal  
Bold and sharp, brilliant and vivid, Sharpie markers can be found in art, office, and stationery supply stores, drugstores, mass-market and crafts chains—almost anywhere writing utensils are sold. Sharpies can be used on virtually any surface, from the traditional (paper and canvas) to the unexpected (fabric, plastic, ceramics, glass, wood, stone, metal). In addition to the original fine point version, Sharpies are produced in five tip widths, several formulations, and in more than thirty colors, plus silver metallic. Their familiarity, accessibility, and clean, bold, dense line—especially the graphic impact that can be achieved with classic black—have made Sharpie markers the

go-to medium for creatives of all stripes. In Sharpie Art Workshop, designer, artist, and art director Timothy Goodman explores Sharpie writing products, the materials and supplies that can be used to enhance or modify them, and the range of creative techniques and effects that can be achieved. Through a series of examples and exercises, Goodman demonstrates how to make different kinds of marks, patterns, and images on a variety of surfaces. Inspiring works by noted artists from all over the world who use Sharpie in interesting and innovative ways are also included. Sharpie Art Workshop offers ideas and inspiration to anyone who’s looking to explore the creative potential of this exciting medium. So when you make your mark, what will you create? “Slim and unique, this ‘catalog of inspiration’ enthusiastically celebrates the mighty marker.” —Publishers Weekly

*How to Be Creative in Textile Art* Penguin  
365 Days of Creativity is a thoughtful and inspiring book designed to help you carve out moments of self-expression and unlock your creative potential. Award-winning illustrator Lorna Scobie shows you that art does not have to be scary – it can be done

with any materials, in any color, in any style and, most importantly, it can be done anywhere! With themes that look at imagination, nature, memory, and pattern, this book is designed to encourage you to think outside the box and spark the artist within. Featuring a creative thought for every week, goal-setting, and mood-based activities, as well as plenty of supportive prompts and tips, this fun and inspiring book will make a perfect gift and keepsake as well as being a powerful tool for positive change.

**The Reverse Coloring Book™** Moody Publishers

“This book could literally change a generation, change the trajectory of our culture, change a whole world of broken toward hope.” - Ann Voskamp, New York Times bestselling author of *The Broken Way* God could have made us all exactly the same, but He didn’t. And our differences are good! As His children, those called by God to belong to His family, we can actually use our differences to help each other. Here’s some more great news: There are no rules about how we look or sound to be in His family. We have a delightfully different family on

purpose. Every person is made by God, in His image, and therefore is equal in value and worth. Kids, somehow, already know this to be true. This short, colorful book (written with grade-schoolers in mind) will share the truth of God's Word with them. The truth about how we were made with differences, how we sinned, how God rescued us, and how—if we understand that God's diverse creation will be together in Heaven—it should motivate us to love one another on earth!

*I Ate the Cake* Sketching from the Imagination

Packed with the signature can-do attitude that makes beloved artist Danny Gregory a creativity guru to thousands across the globe, this unique guide serves up a hearty helping of inspiration. For aspiring artists who want to draw and paint but just can't seem to find time in the day, Gregory offers 5- to 10-minute exercises for every skill level that fit into any schedule—whether on a plane, in a meeting, or at the breakfast table—along with practical instruction on techniques and materials, plus strategies for making work that's exciting, unintimidating, and fulfilling. Filled with Gregory's encouraging

words and motivating illustrations, *Art Before Breakfast* teaches readers how to develop a creative habit and lead a richer life through making art.

*Creative Lettering and Beyond* University of Chicago Press

Forget drawing inside the lines and unleash true creativity! This reverse coloring book is packed with colorful, watercolor-filled pages of inspiring shades and free-form shapes that beg to have lines drawn around them, inside them, throughout them. Sophisticated or silly, patterns or pictures – how you fill in the page is up to your creative mind!

**How to Produce Creative Publications** Quarto Publishing Group USA

It's a question asked by many budding textile artists: how can I be more creative? You've got a few ideas and know some techniques, but you're not sure how to get started or make your work hang together. This book shows you how. It explains the creative process from the very beginning: where to find inspiration and how to harness those ideas; how to gather source material; how to pull together what you have. The authors then take you on a journey to develop a design. Learn how to

put elements together to make a cohesive whole and develop a theme, learning established design rules along the way. Part Three, *Moving into Stitch*, gives you a range of techniques and easy experiments with which to turn your design into stitched-textile work. From choosing what fabrics to use, to layering, creating texture and adding embellishment, it covers the key techniques to try. This is a terrific book for those starting out in textiles who really do want to be as creative as they can possibly be.

*Sharpie Art Workshop* Workman Publishing  
Seize the day in the name of art. This creative call to arms from the mind of Neil Gaiman combines his extraordinary words with deft and striking illustrations by Chris Riddell. 'Like a bedtime story for the rest of your life, this is a book to live by. At its core, it's about freeing ideas, shedding fear of failure, and learning that "things can be different" ' INSTITUTE OF IMAGINATION Be bold. Be rebellious. Choose art. It matters. Neil Gaiman once said that 'the world always seems brighter when you've just made something that wasn't there before'. This little book is the embodiment of that vision. Drawn

together from speeches, poems and creative manifestos, *Art Matters* explores how reading, imagining and creating can change the world, and will be inspirational to young and old. THIS PAPERBACK EDITION INCLUDES BEAUTIFUL NEW ILLUSTRATIONS OF 'GOING WODWO'. What readers are saying about *ART MATTERS* 'A rallying cry for all artists and creators' 'Just the injection of positive thinking I needed' 'What a gorgeous, sweet and very, very wise little book' 'You don't know it yet, but it's likely you need this book' 'I feel artistically charged up for the first time in ages'

**Line Designs** Design Originals

*The Artist's Way* for the 21st century—from esteemed creative counselor Beth Pickens. If you are an artist, you need to make your art. That's not an overstatement—it's a fact; if you stop doing your creative work, your quality of life is diminished. But what do you do when life gets in the way? In this down-to-earth handbook, experienced artist coach Beth Pickens offers practical advice for developing a lasting and meaningful artistic practice in the face of life's inevitable obstacles and distractions. This

thoughtful volume suggests creative ways to address the challenges all artists must overcome—from making decisions about time, money, and education, to grappling with isolation, fear, and anxiety. No matter where you are in your art-making journey, this book will motivate and inspire you. Because not only do you need your art—the world needs it, too. • **EXPERT ADVICE:** Beth Pickens is an experienced and passionate arts advocate with extensive insight into working through creative obstacles. She has spent the last decade advising artists on everything from financial strategy to coping with grief. • **PRACTICAL AND POSITIVE:** This book is both a love letter to art and artists and a hands-on guide to approaching the thorniest problems those artists might face. Pickens offers a warm reminder that you are not alone, that what you do matters, and that someone out there wants you to succeed. • **TIMELESS TOPIC:** Like a trusted advisor, this book is an invaluable resource jam-packed with strategies for building a successful creative practice. From mixing business and friendship to marketing yourself on social media, this book can help. And it

will—again and again. Perfect for: • Visual artists and makers • Writers, musicians, filmmakers, and other creatives • Art and design school graduates and grad-gift givers

*Guerrilla Girls: The Art of Behaving Badly* Chronicle Books

*365 Days of Art* is an inspiring journal designed to help readers and budding artists nurture their creativity and explore their feelings through the medium of art. Featuring an activity for every day of the year, from simple tasks like drawing shapes and lines, to more mindful exercises like coloring-in, painting with primary colors, and drawing what you see. With beautiful, vibrant hand-lettering and watercolor illustrations, the book pairs inspiring quotes with supportive prompts and exercises to spark reflection through your drawing, writing, painting and more.

*Art Before Breakfast* Chronicle Books  
Explores the work, methods, and themes of leading contemporary artists

**Inspired Artist: Draw Every Little Thing** Walter Foster Publishing

In a work that brings new insights, and new dimensions, to the history of modern art, David Galenson examines the careers

of more than 100 modern painters to disclose a fascinating relationship between age and artistic creativity.

**Creative Haven Entangled Coloring**

**Book** Dark Horse Comics

Fans of the colorful, whimsical style of artist and illustrator Stephanie Corfee will enjoy learning to create beautiful, inspiring doodles with the prompts and projects in this all-inclusive drawing book and kit.

[Creative Haven Chalkboard Art Coloring Book](#) Oxford University Press, USA

From the artist behind the popular Pigeon Letters website, an easy, no-skills-necessary guide to drawing flowers, leaves, and cacti with 200 step-by-step prompts. Line drawing is an easy-to-master art form featuring illustrative, doodle-like designs. It's used widely among artists of many types with both fine and bold lines, creating different variations. Botanical Line Drawing teaches you how to start with the simplest doodles, building into more elaborate, delicate illustrations. This book focuses on the extremely popular subject matter of the natural world and includes flowers, leaves, succulents, houseplants, trees, branches, mushrooms, and more. These simple line

drawings will allow you to branch out and have fun with your own personal style, as well as inspire you to add flourishes to other projects.

**Art Starts in the Heart** Walter Foster Publishing

In her debut book, *I Ate the Cake: A Journey for Justice*, Darline Amos-McElroy detailed workplace abuse of harassment, retaliation, and racism from her bosses. As an educator and school counselor, Darline regularly taught students to advocate for themselves but finds herself in an almost 9-year marathon seeking justice alone. The author sought the assistance from upper-level administrators who admitted to the racism but left Darline wondering how justice prevails. After doing "the right thing," the author faced more than the job's usual demands. The right thing led to more retaliation and harassment, then discovering why her bosses felt empowered. Attempting to learn and use the law to assist her after the school district failed to execute justice, the author shares the many attempts to get help for governmental entities. Darline uses the challenges to learn the importance of resilience and the balance

of love, forgiveness, and justice. The author encourages fellow Christians, through Biblical examples, to see the opportunity to be used as vessels in their daily lives. *I Ate the Cake: A Journey for Justice*, an emotional and Spirit-filled journey that engages the reader in sometimes comical, but a very lengthy trial of resilience and obedience to the call of Christianity.

*365 Days of Creativity* Courier Dover Publications

Fuses design fundamentals and software training into one cohesive book! The only book to teach Bauhaus design principles alongside basic digital tools of Adobe's Creative Suite, including the recently released Adobe CS4 Addresses the growing trend of compressing design fundamentals and design software into the same course in universities and design trade schools. Lessons are timed to be used in 50-minute class sessions. Digital Foundations uses formal exercises of the Bauhaus to teach the Adobe Creative Suite. All students of digital design and production—whether learning in a classroom or on their own—need to understand the basic principles of design

in order to implement them using current software. Far too often design is left out of books that teach software. Consequently, the design software training exercise is often a lost opportunity for visual learning. Digital Foundations reinvigorates software training by integrating Bauhaus design exercises into tutorials fusing design fundamentals and core Adobe Creative Suite methodologies. The result is a cohesive learning experience. Design topics and principles include: Composition; Symmetry and Asymmetry; Gestalt; Appropriation; The Bauhaus Basic Course Approach; Color Theory; The Grid; Scale, Hierarchy and Collage; Tonal Range; Elements of Motion. Digital Foundations is an AIGA Design Press book, published under Peachpit's New Riders imprint in partnership with AIGA, the professional association for design.

**Painting Outside the Lines** Batsford Books

This is a first-class guide for anyone who wants to acquire the skills to make in-house publishing a success. The authors show you how to research and write winning copy and how to design eye-catching layouts. You'll learn all about

handling traditional typesetting and printing methods and in parallel--you'll learn how to get the most out of your desk-top computer.

Making and Unmaking Intellectual Property Drawn & Quarterly

This collection of more than 30 original patterns was inspired by Zentangle, a method of creating repetitive patterns that promotes relaxation as well as creative expression. The sweeping, free-form line designs incorporate flowers, stars, and geometric shapes. Pages are perforated and printed on one side only for easy removal and display. Specially designed for experienced colorists, Entangled and other Creative Haven® adult coloring books offer an escape to a world of inspiration and artistic fulfillment. Each title is also an effective and fun-filled way to relax and reduce stress.

Exploring Visual Design Quarry Books

Welcome to your watercolor happy place! The world of Danielle Donaldson is as wondrous as a jar full of fireflies. Her whimsical illustrations are known for their offbeat color combinations, artful arrangements and endearing quirkiness. In this book, you'll learn how to partner with

the wonderfully spontaneous medium of watercolor to create your own brand of magic. Start by creating a handmade journal, then follow exercises and start-to-finish projects to fill it with illustrations that are small in size but big on color. Along the way, Danielle shares her fresh takes on color theory, perspective, composition and more. Designed to get your brush moving, this book makes practice feel like play. It's a one-of-a-kind journey for any artist wishing to tap into the utter joy of watercolor painting and make it a cherished part of your daily life. Inside you'll find: • Imaginative techniques that help you override perfectionist tendencies while making the most of watercolor's unpredictable nature • An inventive approach (using scraps of paper, ribbon and other ephemera) for more creative color choices • A simple strategy that makes drawing new subjects less intimidating and more fun • Sweet ways to add hand lettering to your artwork • Inspirational exercises that make finding subjects to paint as easy as A-B-C "Don't underestimate the giddiness you feel when you mindlessly grab a color and mix it with another and create the most

beautiful wash ever!" --p43
