Workplace Readiness Prentice Hall

Theme: Hi-Lo, life skills, career, achieve independence, skills, job success, job skills, There's more to finding a job than simply applying. First, figure out what you'd like to do for a living. Think ahead and set career goals. Understand what training and education you'll need to reach your dream. Then begin your job search, looking for work that aligns with your goals. Grab potential employers' interest with a polished cover letter and resume, then impress them further in an interview. You'll be ready for the workplace in no time. Combining practical content with visual appeal, the Life Skills Handbooks read more like magazines than books. These 120-page handbooks are designed to teach life skills to today's teens in an approachable and non-threatening way.

Realistic scenarios help teens grasp the relevance of the information in these books, and tables, graphs, and charts add to students' understanding. Essential vocabulary is featured to help students build real-world literacy.
