The Engineering Record, Building Record and the Sanitary Engineer Springer Nature
 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Page's Engineering Weekly Sense Publishers
 The Kenya Gazette is an official publication of the government of the Republic of Kenya. It contains notices of new legislation, notices required to be published by law or policy as well as other announcements that are published for general public information. It is published every week, usually on Friday, with occasional releases of special or supplementary editions within the week.

Courses of Instruction, Buildings and Equipment

This book presents selected articles from the 6th International Conference on Architecture and Civil Engineering 2022 (ICACE 2022), held in Malaysia. Written by leading researchers and industry professionals, the papers highlight recent advances and addresses current issues in the fields of civil engineering and architecture.

Engineering News and American Contract Journal

Includes various departmental reports and reports of commissions. Cf. Gregory. Serial publications of foreign governments, 1815-1931.

Announcement of Correspondence Courses in the Extension Teaching Bureau

The Kenya Gazette is an official publication of the government of the Republic of Kenya. It contains notices of new legislation, notices required to be published by law or policy as well as other announcements that are published for general public information. It is published every week, usually on Friday, with occasional releases of special or supplementary editions within the week.
Kenya Gazette

It contains notices of new legislation, notices required to be published by law or policy as well as other announcements that are published for general public information. It is published every week, usually on Friday, with occasional releases of special or supplementary editions within the week.

Advances in Civil Engineering Materials

Engineering Graphics and Design, 8e has been specifically designed and written to meet the requirements of the first semester engineering students of all colleges/universities. The study of Engineering Graphics and Design builds foundations of analytical, graphical and design capabilities for engineering students. This book adopts step-by-step instructions to explain drafting and solid modeling in design. With all design and drafting prepared by using AutoCAD software, the book would be a perfect choice for all engineering students.
