Wayfaring Stranger

Pearson UK

In this stirring follow-up to his memoir, Steve Pemberton gives practical encouragement for how you can be a "human lighthouse" for others and through these inspiring stories will renew your hope for humanity. Our polarized, divisive culture seems to be without heroes and role models. We are adrift in a dark sea of disillusionment and distrust and we need "human lighthouses" to give us hope and direct

us back to the goodness in each other and in our own hearts. Steve Pemberton found a lighthouse in an ordinary man named John Sykes, his former high school counselor. John gave Steve a safe harbor after Steve escaped an abusive foster home and together they navigated a new path that led to personal and professional success. Through stories of people like John and several others, you will identify how the hardships you have overcome equip you to be a "human lighthouse," inspiring those around you. The humble gestures of kindness that change the course of our lives can shift the course for America too. With a unique vision for building up individuals

and communities and restoring trust, *The Lighthouse Effect* opens your eyes to those who are quietly heroic. You will reflect on the lighthouses in your own life and be reminded that the greatest heroes are alongside us--and within us.
